All of Trustor's right, title and interest in and to all policies of property insurance and any unearned premiums paid thereon are hereby assigned (to the fullest extent assignable) to Beneficiary who shall have the right, but not the obligation, to assign the same to any purchaser of the Property at any foreclosure sale.

3.3. Maintenance, Waste and Repair. At its sole cost and expense, Trustor will (i) preserve, repair, replace and maintain the Property in a good and businesslike or farmerlike manner and condition, (ii) promptly make all necessary structural and non-structural repairs to the Property that are required to avert a material diminution of their value, (iii) not destroy, remove, abandon, or materially diminish or alter the Improvements situated on the Property during the existence of this Deed of Trust, except for replacement of dead or diseased vines or trees in the normal course of farming and caring for the Property, nor erect any new buildings, structures or building additions on the Land, in each case without the prior written consent of Beneficiary, (iv) preserve, repair, replace and maintain the Property and all Improvements now or hereafter located thereon and/or affixed thereto, in a good and businesslike or farmerlike manner, (v) during the existence of this Deed of Trust, cultivate, produce and harvest crops on the Property employing the usual and normal standards and practices of husbandry customarily employed to produce similar crops in the general vicinity, and (vi) not permit any waste of the Property or make any change in the use thereof, nor do or permit to be done thereon anything, that may in any way impair the security of this Deed of Trust. Without limiting the foregoing, Trustor shall not (a) remove or permit the removal of sand, gravel or topsoil, (b) permit any portion of the Property to be used as a borrow pit, land fill or dump, (c) request or permit a change in zoning or land use classification from agricultural use, (d) transfer from the Property or permit the transfer of any crop allotments or crop bases, or (e) in any way diminish any of Trustor's Water Rights (whether riparian, appropriative or otherwise and whether or not appurtenant).

3.4. Impositions. Trustor will pay when due all Impositions. Trustor will deliver to Beneficiary, within seven (7) days after demand therefor, receipts showing the payment of any Impositions.

3.5. Compliance with Law. Trustor will promptly and faithfully comply with all present and future Laws and Restrictions.

3.6. Books and Records and Other Information. Trustor, without expense to Beneficiary, will maintain full and complete books of account and records reflecting the results of the operations of the Property in accordance with generally accepted accounting principles consistently applied, and will furnish or cause to be furnished to Beneficiary such financial information concerning the condition of Trustor and the Property as Beneficiary shall reasonably request, including, without limitation, the following records, as prepared by certified public accountants and in form and substance satisfactory to Beneficiary:

A. Within thirty (30) days after the close of each fiscal year of Trustor, annual operating statements, showing all elements of income and expenses for the operation of the Property, which include summaries of sales, production and price information for each grape variety and each parcel; and

B. Within ninety (90) days after the close of each fiscal year of Trustor, balance sheets and an income statement of Trustor.

C. Within thirty (30) days after the close of each month, monthly operating statements. Such operating statements shall include (i) all yield information by variety for the vineyards and (ii) case good sales by volume and price for the applicable winery.

3.7. Further Assurances/Additional Information. Trustor, at any time upon the reasonable request of Beneficiary, will at Trustor's expense, execute, acknowledge and deliver all such additional papers and instruments (including, without limitation, a declaration of no setoff) and perform all such further acts as may be reasonably necessary to perform the Obligations and, as Beneficiary deems necessary, to preserve the priority of the lien of this Deed of Trust and to carry out the purposes of the Loan Documents. In addition, Trustor will furnish to Beneficiary (i) within seven (7) days after written request therefor, any and all information that Beneficiary may reasonably request concerning the Property or the performance by Trustor of the Obligations, and (ii) immediately upon receipt, copies of all (a) notices of violation relating to the Property that Trustor receives from any governmental agency or authority, and (b) notices of default that Trustor shall give or receive under any agreement that Trustor covenants to perform hereunder.

3.8. Litigation. Trustor will promptly give notice in writing to Beneficiary of any litigation or other event or occurrence which might result in a Material Adverse Change.

3.9. Inspection of Property. Trustor hereby grants to Beneficiary, its agents, employees, consultants and contractors, the right to enter upon the Property (i) for the purpose of making any and all inspections, reports, tests (including, without limitation, soils borings, ground water testing, inspection of wells, orchards, trees and fields, or soils analysis), inquiries and reviews as Beneficiary (in its sole and absolute discretion) deems necessary to assess the then current condition of the Property, (ii) for the purpose of inspecting the construction of the Improvements during any and all phases of construction, and/or (iii) for the purpose of performing any of the other acts Beneficiary is authorized to perform hereunder or under the Hazardous Substances Agreement. Trustor shall cooperate with Beneficiary to facilitate such entry and the accomplishment of such purposes.

3.10. Contest. Notwithstanding the provisions of Paragraphs 3.4 and 3.5, Trustor may, at its expense, contest the validity or application of any Impositions or Laws and Restrictions by appropriate legal proceedings promptly initiated and diligently conducted in good faith, provided that (i) Beneficiary is reasonably satisfied that the priority of this Deed of Trust shall be maintained and neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, or lost as a result of such contest, and (ii) Trustor shall have posted a bond or furnished such other security as may be reasonably required from time to time by Beneficiary.

3.11. Prepayment. Trustor may prepay the Loan only on the terms and conditions set forth in the Note and Trustor shall pay Beneficiary any Prepayment Premium in respect of any such prepayment, whether voluntary or involuntary, as required by and on the terms and conditions set forth in the Note.

3.12. Tax Service Contract. Throughout the term of the Loan, at Trustor's sole expense, Beneficiary shall be furnished tax service contracts issued by a tax reporting agency satisfactory to Beneficiary.

3.13. Water. Throughout the term of the Loan, at Trustor's sole expense, Trustor shall ensure that the Property will continue to have the continuing, enforceable right to receive irrigation water from such sources, in such quantities, and at such times and locations as is reasonably satisfactory for the purposes of farming, without substantially increased cost, and in such quantities, and at such times and locations as has been historically available to the Property.

3.14. Crops. Trustor will, during the existence of the Loan, cultivate, produce and harvest crops on the Property employing the usual and normal standards and practices of husbandry customarily employed to produce similar crops in the general vicinity, as well as maintain all buildings and crop handling and processing facilities in a prudent, businesslike manner.

ARTICLE 4

NEGATIVE COVENANTS

Trustor hereby covenants to and agrees as follows:

4.1. Restrictive Uses. Trustor will not initiate, join in, or consent to any change in the current use of the Property or in any zoning ordinance, private restrictive covenant, assessment proceedings or other public or private restriction limiting or restricting the uses that may be made of the Property or any part thereof or in any way change the boundaries of the Property (including without limitation, any agreed boundary line changes or lot line adjustments) without the prior written consent of Beneficiary.

4.2. Prohibited Transfers.

A. Trustor shall not participate in, and shall not cause, allow or otherwise permit, a Transfer without the prior written consent of Beneficiary, which consent may be given or withheld for any reason (or for no reason) or given conditionally, as determined by Beneficiary in its sole and absolute discretion, and any default, failure to observe, or breach of the provisions of this Paragraph 4.2 shall constitute an immediate Event of Default hereunder and, at the option of Beneficiary, Beneficiary may accelerate the Indebtedness whereby the entire Indebtedness (including, without limitation, any Prepayment Premium) shall become immediately due and payable. Any permitted transferee shall, as a condition of the effectiveness of any consent or waiver by Beneficiary hereunder, assume all of Trustor's obligations under the Loan Documents and the Hazardous Substances Agreement and agree to be bound thereby. Such assumption shall not, however, release Trustor from any liability under the Loan Documents or the Hazardous Substances Agreement. This provision shall not apply to (i) transfers of title or interest under any will or testament or applicable law of descent or (ii) transfers of partnership interests in Borrower to the children and/or grandchildren of Larry D. Kirkland or Lonnie R. Kirkland for estate planning purposes. Consent to any such Transfer by Beneficiary shall not be deemed a waiver of Beneficiary's right to require such consent to any further or future Transfers.

4.3. Partnership Agreement. Trustor, if a partnership, will not terminate, alter, modify or amend or permit the termination, alteration, modification or amendment of its Partnership Agreement without Beneficiary's prior written consent.

4.4. Operating Agreement. Trustor, if a limited liability company, will not terminate, alter, modify or amend or permit the termination, alteration, modification or amendment of its Operating Agreement without Beneficiary's prior written consent.

ARTICLE 5

CASUALTIES AND CONDEMNATION

5.1. Insurance and Condemnation Proceeds.

A. Trustor shall notify Beneficiary in writing immediately upon the occurrence of any loss or damage by fire or other casualty to the Property or upon commencement of any proceedings for condemnation of any portion of the Property. Beneficiary shall be entitled to (i) participate in any such condemnation proceedings and Trustor from time to time will deliver to Beneficiary all instruments reasonably necessary to permit such participation, and (ii) settle and adjust all insurance claims relative to any such damage or destruction, deducting from any insurance proceeds the amount of all expenses incurred by Beneficiary in connection with any such settlement or adjustment. All proceeds paid to Trustor under any insurance policies relating to the Property shall immediately be delivered to Beneficiary. All condemnation proceeds from the Property are hereby assigned to and shall be paid to Beneficiary.

B. The proceeds of any insurance policy received by Beneficiary shall, at the option of Beneficiary, either be applied to the prepayment of the Indebtedness or satisfaction of any Obligation or be paid over to Trustor for restoration of the Improvements. If Beneficiary elects to make such proceeds available for repair or reconstruction, Beneficiary shall, through a disbursement procedure established by Beneficiary, make available to Trustor the net amount of all insurance proceeds or condemnation awards received by Beneficiary after deduction of Beneficiary's reasonable costs and expenses, if any, in collection of the same (the "Net Proceeds"). In the event Beneficiary elects not to make the Net Proceeds available for repair or reconstruction, Beneficiary, at its sole option, may apply the Net Proceeds in payment of the Indebtedness or in satisfaction of any other Obligation in such order as Beneficiary may determine. Notwithstanding the foregoing, Beneficiary shall make the Net Proceeds available to Trustor for repair or reconstruction provided that (i) there shall then be no default under any Loan Document, (ii) Beneficiary shall be reasonably satisfied that (a) the Property can and will be restored to the condition of the Property immediately prior to such casualty or condemnation within 18 months of the date of such casualty or condemnation in accordance with plans and specifications approved by Beneficiary, and such completion shall occur at least 24 months prior to the Maturity Date, and (b) no material agreements are terminated or terminable as a result of such casualty or condemnation, (iii) Trustor shall have entered into a general construction contract reasonably acceptable in all respects to Beneficiary for completion of the repair or reconstruction, (iv) in Beneficiary's reasonable judgment, the security for the Loan has not been materially impaired as a result of such casualty or condemnation, and (v) prior to any disbursement of Net Proceeds and throughout the restoration period, Beneficiary shall have determined, in its sole and absolute discretion, that such repair or reconstruction can be completed at a cost (which cost shall include all payments coming

due under the terms of the Loan) which does not exceed the aggregate of the then remaining Net Proceeds and any funds deposited with Beneficiary by Trustor.

C. The Net Proceeds and any additional funds deposited by Trustor with Beneficiary shall constitute additional security for the Loan. Trustor shall execute, deliver, file and/or record, at its own expense, such documents and instruments as Beneficiary requires to grant to Beneficiary a perfected, first priority security interest in the Net Proceeds and such additional funds.

5.2. Additional Provisions Relating to Condemnation. In any condemnation proceedings, Beneficiary may be represented by counsel selected by Beneficiary. The proceeds of any award or compensation so received by Beneficiary as set forth in Paragraph 5.1.A above shall, at the option of Beneficiary, either be applied to the prepayment of the Indebtedness or satisfaction of any Obligation or be paid over to Trustor for restoration of the Improvements in accordance with the provisions of Paragraph 5.1. Trustor hereby unconditionally and irrevocably waives all rights of a property owner under Section 1265.225(a) of the California Code of Civil Procedure or any successor statute providing for the allocation of condemnation proceeds between a property owner and a lien holder.

ARTICLE 6

EVENTS OF DEFAULT AND REMEDIES OF BENEFICIARY

6.1. Events of Default.

A. It shall constitute an "Event of Default" hereunder if any of the following events shall occur and Beneficiary, by written notice delivered to Trustor, declares an Event of Default: (i) Trustor shall fail to pay within five (5) days of the date when due any part of the Indebtedness; (ii) Trustor shall fail to timely observe, perform or discharge any Obligation, other than as described in Paragraphs 6.1.A(i),(iii),(iv),(v),(vi), (vii), (viii), (ix), and (x), and any such failure shall remain unremedied for thirty (30) days or such lesser period as may be otherwise specified in the applicable Loan Document or agreement (the "Grace Period") after notice to Trustor of the occurrence of such failure; provided, however, that Beneficiary may extend the Grace Period up to ninety (90) days if (a) Beneficiary determines in good faith that (1) such default cannot be cured within the Grace Period but can be cured within ninety (90) days, (2) no lien or security interest created by the Loan Documents shall be impaired prior to the completion of such cure, and (3) Beneficiary's immediate exercise of any remedies provided hereunder or by law is not necessary for the protection or preservation of the Property or Beneficiary's security interest therein, and (b) Trustor shall immediately commence and diligently pursue the cure of such default; (iii) Trustor, as lessor or sublessor, as the case may be, shall assign all or any part of the Rents and Proceeds or any interest therein without first obtaining the written consent of Beneficiary; (iv) default by Trustor after the expiration of all applicable grace or cure periods under any agreement to which Trustor is a party, other than the Loan Documents, which agreement relates to the borrowing of money by Trustor from any Person, and such default might give rise to a Material Adverse Change or adversely affect the security for the Loan; (v) any representation or warranty made by

Trustor in, under or pursuant to the Loan Documents was false or misleading in any material respect as of the date on which such representation or warranty was made or deemed remade; (vi) any of the Loan Documents shall cease to be in full force and effect or be declared null and void, or shall cease to constitute valid and subsisting liens and/or valid and perfected security interests in and to the Property, or Trustor shall contest or deny in writing that it has any further liability or obligation under any of the Loan Documents; (vii) the declaration of an Event of Default hereunder pursuant to Section 6 of the Hazardous Substances Agreement; (viii) Trustor or any successor in interest is estopped or denied from receiving irrigation water for use upon any portion of the Property for any reason, or if existing water permits or certificates or other water rights shall be revoked or suspended, and Beneficiary reasonably determines that such loss of interruption of the right to receive irrigation water, materially and adversely affects the value of the Property and/or the security for the Loan; (ix) a Material Adverse Change shall have occurred; or (x) any default under the Existing Deed of Trust.

B. It shall constitute an Event of Default hereunder without the requirement of any notice if any of the following events shall occur: (i) any Principal Party shall generally not pay its debts as they become due or shall admit in writing its inability to pay its debts, or shall have made a general assignment for the benefit of creditors; (ii) any Principal Party shall commence any case, proceeding or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking to have an order for relief entered against it as debtor, or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its property (collectively, a "Proceeding"); (iii) any Principal Party shall take any action to authorize any of the actions set forth above in clauses (i) or (ii); (iv) any Proceeding shall be commenced against any Principal Party, and such Proceeding (a) results in the entry of an order for relief against it which is not fully stayed within seven (7) business days after the entry thereof or (b) remains undismissed for a period of forty-five (45) days; (v) failure to pay any insurance premiums relating to, failure to provide renewal certificates or renewal policies of insurance at least fifteen (15) days prior to expiry of, and/or the lapse or expiration of, any insurance policy or policies required to be obtained or maintained under the terms of the Loan Documents; or (vi) failure to timely observe, perform or discharge any provision of Paragraph 4.2 hereof or the occurrence of a Transfer without Beneficiary's prior written consent.

6.2. Remedies.

A. Upon the occurrence of any Event of Default, Beneficiary may at any time declare all of the Indebtedness (including, without limitation, any Prepayment Premium due under the terms of the Note in connection with such acceleration) to be due and payable and the same shall thereupon become immediately due and payable, together with all payments due in accordance with the terms of the Note, without any further presentment, demand, protest or notice of any kind. Beneficiary may, in its sole discretion, also do any of the following: (i) in person, by agent, or by a Receiver, without regard to the adequacy of security, the solvency of Trustor or the condition of the Property, without obligation so to do and without notice to or demand upon Trustor, enter upon and take possession of the

Property, or any part thereof, in its own name or in the name of Trustee and do any acts which Beneficiary deems necessary to preserve the value or marketability of the Property; sue for or otherwise collect the Rents and Proceeds, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, against the Obligations, all in such order as Beneficiary may determine; appear in and defend any action or proceeding purporting to affect, in any manner whatsoever, the Obligations, the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase or compromise any encumbrance, charge or lien that in the judgment of Beneficiary or Trustee is prior or superior hereto; and in exercising any such powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees; (ii) as a matter of strict right and without notice to Trustor or anyone claiming under Trustor, and without regard to the then value of the Property or the danger of loss, removal, or material injury to the Property, apply ex parte to any court having jurisdiction to appoint a Receiver to enter upon and take possession of the Property, and Trustor hereby waives notice of any application therefor, provided a hearing to confirm such appointment with notice to Trustor is set within the time required by law (any such Receiver shall have all the powers and duties of Receivers in like or similar cases and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale, unless such Receivership is sooner terminated); (iii) commence an action to foreclose this Deed of Trust in any manner provided hereunder or by law; (iv) with respect to any Personalty, proceed as to both the real and personal property in accordance with Beneficiary's rights and remedies in respect of the Land, or proceed to sell said Personalty separately and without regard to the Land in accordance with Beneficiary's rights and remedies as to personal property; and/or (v) deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause the Property to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record.

B. If Trustor shall at any time fail to perform or comply with any of the terms, covenants and conditions required on Trustor's part to be performed and complied with under any of the Loan Documents or any other agreement that, under the terms of this Deed of Trust, Trustor is required to perform, then Beneficiary may, in its sole discretion: (i) make any payments hereunder or thereunder payable by Trustor and take out, pay for and maintain any of the insurance policies provided for herein or therein; and/or (ii) after the expiration of any applicable grace period and subject to Trustor's rights to contest certain obligations specifically granted hereby, perform any such other acts thereunder on the part of Trustor to be performed and enter upon the Property for such purpose.

C. Should Beneficiary elect to foreclose by exercise of the power of sale herein contained, Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust and the Note and such receipts and evidence of expenditures made and secured hereby as Trustee may require. Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such notice of default and notice of sale as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such notice of default and after notice of sale having been given as required by law, sell the Property at the time and place of sale fixed by it in said notice of

sale, either as a whole, or in separate lots or parcels or items as Beneficiary shall determine, and in such order as Beneficiary may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any Person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers. After deducting all costs, fees and expenses of Trustee and of this Trust, including costs of evidence of title in connection with sale, Trustee shall apply the proceeds of sale in the following priority, to payment of: (i) first, all sums expended under the terms hereof, not then repaid, with accrued interest at the Secondary Interest Rate; (ii) second, all other sums then secured hereby; and (iii) the remainder, if any, to the person or persons legally entitled thereto. Trustor waives its rights, if any, to require that the Property be sold as separate tracts or units, in the event of foreclosure. Beneficiary may, in its sole discretion, designate the order in which the Property shall be offered for sale or sold through a single sale or through two or more successive sales, or in any other manner Beneficiary deems to be in its best interest. If Beneficiary elects more than one sale or other disposition of the Property, Beneficiary may at its option cause the same to be conducted simultaneously or successively, on the same day or at such different days or times and in such order as Beneficiary may deem to be in its best interests, and no such sale shall terminate or otherwise affect the lien of this Deed of Trust on any part of the Property not then sold until all Indebtedness secured hereby has been fully paid. If Beneficiary elects to dispose of the Property through more than one sale, Trustor shall pay the costs and expenses of each such sale of its interest in the Property and of any proceedings where the same may be made. Trustee may postpone the sale of all or any part of the Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement, and without further notice make such sale at the time fixed by the last postponement; or Trustee may, in its discretion, give a new notice of sale. Beneficiary may rescind any such notice of default at any time before Trustee's sale by executing a notice of rescission and recording the same. The recordation of such notice shall constitute a cancellation of any prior declaration of default and demand for sale and of any acceleration of maturity of Indebtedness affected by any prior declaration or notice of default. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any default then existing or subsequently occurring, or impair the right of Beneficiary to execute other declarations of default and demand for sale, or notices of default and of election to cause the Property to be sold, nor otherwise affect the Note or this Deed of Trust, or any of the rights, obligations or remedies of Beneficiary or Trustee hereunder.

D. In the event of a sale of the Property, or any part thereof, and the execution of a deed therefor, the recital therein of default, and of recording notice of default and notice of sale, and of the elapse of the required time (if any) between the recording and the notice, and of the giving of notice of sale, and of a demand by Beneficiary, or its successors or assigns, that such sale should be made, shall be conclusive proof of such default,

recording, election, elapse of time, and giving of such notice, and that the sale was regularly and validly made on due and proper demand by Beneficiary, its successors or assigns. Any such deed or deeds with such recitals therein shall be effective and conclusive against Trustor, its successors and assigns, and all other Persons. The receipt for the purchase money recited or contained in any deed executed to the purchaser as aforesaid shall be sufficient discharge to such purchaser from all obligations to see to the proper application of the purchase money.

E. All remedies of Beneficiary provided for herein are cumulative and shall be in addition to any and all other rights and remedies provided in the other Loan Documents or by law, including any right of offset. The exercise of any right or remedy by Beneficiary hereunder shall not in any way constitute a cure or waiver of default hereunder or under the Loan Documents, or invalidate any act done pursuant to any notice of default, or prejudice Beneficiary in the exercise of any of its rights hereunder or under the Loan Documents.

ARTICLE 7

SECURITY AGREEMENT AND FIXTURE FILING

7.1. Grant of Security Interest. Trustor hereby grants to Beneficiary a security interest in and to all Trustor's right, title and interest now owned or hereafter acquired in and to the Improvements, Personalty and the Fixtures and all of the products and proceeds thereof (collectively, the "Collateral") to secure payment and performance of the Obligations.

7.2. Remedies. This Deed of Trust constitutes a security agreement with respect to the Collateral in which Beneficiary is hereby granted a security interest. In addition to the rights and remedies provided under this Deed of Trust, Beneficiary shall have all of the rights and remedies of a secured party under the California Uniform Commercial Code as well as all other rights and remedies available at law or in equity. Trustor hereby agrees to execute and deliver on demand and irrevocably constitutes and appoints Beneficiary the attorney-in-fact of Trustor to, at Trustor's expense, execute, deliver and, if appropriate, to file with the appropriate filing officer or office such instruments as Beneficiary may request or require in order to impose, perfect or continue the perfection of the lien or security interest created hereby. Upon the occurrence of any Event of Default, Beneficiary shall have (i) the right to cause any of the Collateral which is personal property to be sold at any one or more public or private sales as permitted by applicable law and to apply the proceeds thereof to the Indebtedness or the satisfaction of any Obligation, and (ii) the right to apply to the Indebtedness or the satisfaction of any Obligation any Collateral which is cash, negotiable documents or chattel paper. Any such disposition may be conducted by an employee or agent of Beneficiary or Trustee. Any Person, including both of Trustor and Beneficiary, shall be eligible to purchase any part or all of such Personalty at any such disposition.

7.3. Expenses. Expenses of retaking, holding, preparing for sale, selling or the like pertaining to the Collateral shall be borne by Trustor and shall include Beneficiary's and Trustee's reasonable attorneys' fees and legal expenses. Trustor, upon demand of Beneficiary shall assemble the Collateral and make it available to Beneficiary at the Property, a place which is

hereby deemed to be reasonably convenient to Beneficiary and Trustor. Beneficiary shall give Trustor at least ten (10) days' prior written notice of the time and place of any public sale or other disposition of the Collateral or of the time after which any private sale or any other intended disposition is to be made. Any such notice sent to Trustor in the manner provided for the mailing of notices herein is hereby deemed to be reasonable notice to Trustor.

7.4. **Fixture Filing.** This Deed of Trust covers certain goods which are or are to become fixtures related to the Land and constitutes a fixture filing with respect to such goods executed by Trustor as debtor in favor of Beneficiary as secured party.

7.5. **Crop Filing.** The Security Agreement set forth in this Deed of Trust covers all crops now or hereafter growing on the Land and all crops and farm products now or hereafter generated by the Land (whether Fructus Naturales or Fructus Industriales (Emblements), including, all such crops and farm products now or hereafter harvested and/or severed from the Land, whether or not then stored on the Land), and all the products and proceeds thereof, and this Deed of Trust constitutes a financing statement with respect to such crops executed by Trustor as debtor in favor of Beneficiary as secured party.

7.6. **Waivers.** Trustor waives any right to require Beneficiary to (i) proceed against any Person, (ii) proceed against or exhaust any Collateral or (iii) pursue any other remedy in its power; and (b) any defense arising by reason of any disability or other defense of Trustor or any other Person, or by reason of the cessation from any cause whatsoever of the liability of Trustor or any other Person. Until the Indebtedness shall have been paid in full, Trustor shall not have any right to subrogation, and Trustor waives any right to enforce any remedy which Beneficiary now has or may hereafter have against Trustor or against any other Person and waives any benefit of and any right to participate in any Collateral or security whatsoever now or hereafter held by Beneficiary.

7.7. **Further Assurances.** Trustor hereby agrees that, immediately upon Beneficiary's demand, Trustor shall execute and deliver to Beneficiary (and cause any necessary third parties to execute and deliver to Beneficiary) all documents and filings (including, without limitation "control agreements"), and otherwise take all other actions as may be requested by Beneficiary, in order to maintain and provide to Beneficiary a first priority perfected security interest in the Personalty provided hereby and by the Loan Documents, and Trustor hereby agrees to pay all fees and costs associated therewith (including, without limitation, the reasonable fees and costs of Beneficiary's outside counsel). Trustor expressly authorizes Beneficiary to file any and all UCC financing statements relating to the Loan and/or the Property.

ARTICLE 8

ASSIGNMENT OF RENTS AND PROCEEDS, LEASES AND AGREEMENTS

8.1. **Assignment of Rents and Proceeds and Leases.** Trustor absolutely and unconditionally assigns and transfers to Beneficiary (i) the Leases and (ii) the Rents and Proceeds whether now due, past due or to become due, and gives to and confers upon Beneficiary any and all rights and claims of any kind that Trustor may have against lessees under the Leases and the right, power and authority to collect such Rents and Proceeds, and apply the same to the Indebtedness or the

satisfaction of any Obligation. Trustor irrevocably appoints Beneficiary its agent to, at any time, demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, either in the name of Trustor or in the name of Beneficiary, for all such Rents and Proceeds. Neither the foregoing assignment of Leases and Rents and Proceeds to Beneficiary or the exercise by Beneficiary of any of its rights or remedies under this Deed of Trust shall be deemed to make Beneficiary a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Property or the use, occupancy, enjoyment or operation of all or any part thereof, unless and until Beneficiary, in person or by its own agent, assumes actual possession thereof, nor shall appointment of a Receiver for the Property by any court at the request of Beneficiary or by agreement with Trustor or the entering into possession of the Property by such Receiver be deemed to make Beneficiary a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Property or the use, occupancy, enjoyment or operation thereof.

8.2. Assignment of Agreements. Trustor hereby sells, assigns, transfers, sets over and delivers to Beneficiary all of Trustor's right, title and interest in and to any and all agreements, contracts, supply contracts, reports, surveys, maintenance agreements, water-sharing agreements, water agreements, including but not limited to the Agreement for Provision of Water Service and the State Water Resource Control Board Permit No. 20762, purchase contracts, construction contracts, architectural contracts, architectural plans, engineering contracts, and governmental approvals whatsoever pertaining to the operation of the Property, as the same may be amended or otherwise modified from time to time (collectively, the "Agreements"). The foregoing assignment encompasses the right of Trustor to (i) terminate any of the Agreements, (ii) perform or compel performance and otherwise exercise all remedies under the Agreements, and (iii) collect and receive all sums which may become due Trustor or which Trustor may now or shall hereafter become entitled to demand or claim, under the Agreements.

8.3. Revocable License. Notwithstanding anything to the contrary contained herein or in the Note, so long as no Event of Default shall have occurred, Trustor shall have a license to collect all Rents and Proceeds and all other sums which may become payable to Trustor under the Agreements, and to first apply the same to the payment or performance of the Obligations as and when due. Upon the occurrence of an Event of Default, (i) Beneficiary shall have the right, on written notice to Trustor, to terminate and revoke the license herein granted to Trustor and shall have the right and authority then or thereafter to exercise and enforce any and all of its rights and remedies provided in this Article 8 or by law or at equity, and (ii) Trustor shall immediately forward and turn over to Beneficiary all Rents and Proceeds (including, without limitation, all security deposits and termination payments) then held or thereafter received by Trustor.

8.4. Nonresponsibility. The acceptance by Beneficiary of the assignments with all the rights, powers, privileges and authority so granted shall not obligate Beneficiary to assume any obligations in respect of the Rents and Proceeds or under the Agreements or take any action thereunder or to expend any money or incur any expense or perform or discharge any obligation, duty or liability in respect of the Rents and Proceeds or under the Agreements or to assume any obligation or responsibility for the nonperformance of the provisions thereof by Trustor.

8.5. Affirmative Covenants re: Leases and Agreements. Trustor shall (i) observe, perform and discharge, all the obligations, terms, covenants, conditions and warranties of the Leases and

ARTICLE 9

MISCELLANEOUS

9.1. Successor Trustee. Beneficiary may remove Trustee or any successor trustee at any time or times and appoint a successor trustee by recording a written substitution in the county where the Property is located, or in any other manner permitted by law.

9.2. No Waiver. No failure by Beneficiary to insist upon strict, full and complete (i) payment when due of any portion of the Indebtedness or (ii) performance of any Obligation, nor failure to exercise any right or remedy hereunder, shall constitute a waiver of any such failure to pay or breach of any such Obligation, or of the later exercise of such right or remedy.

9.3. Notices. All notices or other written communications hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person or by facsimile transmission with receipt acknowledged, (ii) one business day after having been deposited for overnight delivery with Federal Express or another comparable overnight courier service, or (iii) three business days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, addressed to the addresses set forth on page 1 hereof or addressed as such party may from time to time hereafter designate by written notice to the other parties.

9.4. Severability. If any provision hereof should be held unenforceable or void, that provision shall be deemed severable from the remaining provisions and in no way affect the validity of this Deed of Trust except that if such provision relates to the payment of any monetary sum, then Beneficiary may, at its option, declare the Indebtedness immediately due and payable.

9.5. Joinder of Foreclosure. Should Beneficiary hold any other or additional security for the performance of the Obligations, its sale or foreclosure, upon any default in such performance, in the sole discretion of Beneficiary, may be prior to, subsequent to, or joined or otherwise contemporaneous with any sale or foreclosure hereunder.

9.6. Governing Law. This Deed of Trust shall be governed by and construed in accordance with the laws of the state in which the Land is located.

9.7. Subordination. At the option of Beneficiary, this Deed of Trust shall become subject and subordinate in whole or in part (but not with respect to priority of entitlement to any insurance proceeds, damages, awards, or compensation resulting from damage to the Property or condemnation or exercise of power of eminent domain), to any and all contracts of sale and/or any and all Leases upon the execution by Beneficiary and recording thereof in the Official Records of the county where the Land is located of a unilateral declaration to that effect.

9.8. Waiver of Statute of Limitations and Rights to Trial by Jury. Trustor hereby waives, to the full extent allowed by law, the right to plead any statute of limitations as a defense to any obligation secured by this Deed of Trust and the right to a jury trial in any action under or relating to the Loan Documents.

9.9. Entire Agreement. The Loan Documents and the Hazardous Substances Agreement set forth the entire understanding between Trustor and Beneficiary relative to the Loan and the same shall not be amended except by a written instrument duly executed by each of Trustor and Beneficiary. The foregoing notwithstanding, the terms and the conditions of the Application shall survive the funding of the Loan but in the event of any conflict between the provisions of the Application and any of the other Loan Documents or the Hazardous Substances Agreement, except as otherwise specifically provided herein, the terms of such other Loan Documents and Hazardous Substances Agreement shall control.

9.10. Charges for Statements. Trustor agrees to pay Beneficiary's charge, up to the maximum amount permitted by law, for any statement regarding the Obligations requested by Trustor or in its behalf.

9.11. Usury. In the event that Beneficiary determines that any charge, fee or interest paid or agreed to be paid in connection with the Loan may, under the applicable usury laws, cause the interest rate on the Loan to exceed the maximum permitted by law, then such charges, fees or interest shall be reduced and any amounts actually paid in excess of the maximum interest permitted by such laws shall be applied by Beneficiary to reduce the outstanding principal balance of the Loan. The parties intend that Trustor shall not be required to pay, and Beneficiary shall not be entitled to collect, interest in excess of the maximum legal rate permitted under the applicable usury laws.

9.12. Information Reporting Under IRS Section 6045(e). Any information returns or certifications that must be filed with the Internal Revenue Service and/or provided to other parties pursuant to Internal Revenue Code Section 6045(e) shall be prepared, filed by and sent to the appropriate parties by Trustor. To the extent permitted by law, Beneficiary shall have no responsibility to perform such services; provided however, that upon demand Trustor shall pay such fee to Beneficiary as Beneficiary may reasonably and lawfully request. Beneficiary shall, where requested by Trustor, promptly supply Trustor with all information pertaining to Beneficiary reasonably required by Trustor to prepare and file any such return or certification.

9.13. ERISA.

A. Beneficiary represents and warrants to Trustor that, as of the date of this Deed of Trust and throughout the term of the Loan, the source of funds from which Beneficiary extends the Loan is its General Account, which is subject to the claims of its general creditors under state law. For so long as The Prudential Insurance Company of America is the holder of the Note and Beneficiary hereunder, it shall not allocate all or any portion of the Loan to any account other than its General Account.

B. Trustor represents and warrants to Beneficiary that, as of the date of this Deed of Trust and covenants that, throughout the term of the Loan, (i) Trustor is not and will not become an "employee benefit plan" as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which is subject to Title I of ERISA, and (ii) the assets of Trustor do not and will not constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101.

C. Trustor represents and warrants to Beneficiary that, as of the date of this Deed of Trust (i) Trustor is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (ii) transactions by or with Trustor are not subject to state statutes regulating investment of and fiduciary obligations with respect to governmental plans.

D. Trustor covenants and agrees to deliver to Beneficiary such certifications or other evidence from time to time throughout the term of the Loan, as requested by Beneficiary in its sole discretion, that (i) Trustor is not an "employee benefit plan" or a "governmental plan," and (ii) Trustor is not subject to state statutes regulating investments and fiduciary obligations with respect to governmental plans, and (iii) one or more of the following circumstances is true: (a) equity interests in Trustor are publicly offered securities, within the meaning of 29 C.F.R. Section 2510.3-101(b)(2); (b) less than twenty-five percent (25%) of all equity interests in Trustor are held by "benefit plan investors" within the meaning of 29 C.F.R. Section 2510.3-101(f)(2); (c) Trustor qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. Section 2510.3-101(c) or (e); or (d) no equity interest in Trustor is held directly or indirectly by an employee benefit plan subject to ERISA.

E. Any of the following shall constitute an Event of Default entitling Beneficiary to exercise any and all remedies to which it may be entitled under the Loan Documents: (i) the failure of any representation or warranty made by Trustor under this Paragraph 9.13 to be true and correct in all respects; (ii) the failure of Trustor to provide

Beneficiary with the written certifications and evidence referred to above; or (iii) the consummation by Trustor of a transaction which would cause the Deed of Trust or any exercise of Beneficiary's rights under the Loan Documents to constitute a non-exempt prohibited transaction under ERISA or a violation of a state statute regulating governmental plans, subjecting Beneficiary to liability for violation of ERISA or such state statute.

F. Trustor shall indemnify, protect and defend and hold Beneficiary harmless from and against all loss, fee, cost, damage and expense (including attorneys' fees and costs incurred in the investigation, defense and settlement of claims and losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA that may be required, in Beneficiary's sole discretion) that Beneficiary may incur, directly or indirectly, as a result of a default under Paragraph 9.13.E. This indemnity shall survive any termination, satisfaction or foreclosure of the Deed of Trust.

G. Notwithstanding anything to the contrary contained in this Deed of Trust, no Transfer otherwise permitted hereunder shall be permitted if such Transfer would negate the representations contained in this Paragraph 9.13 or cause this Deed of Trust (or the exercise by Beneficiary of any of its rights and/or remedies under any Loan Document) to constitute a violation of any provision of ERISA or of any applicable state statute regulating a governmental plan, as determined by Beneficiary in its sole and absolute discretion.

H. Notwithstanding anything to the contrary contained in this Deed of Trust, not less than fifteen (15) days prior to any Transfer permitted hereunder pursuant to the terms and provisions hereof, Trustor shall obtain from the proposed transferee or lienholder, (i) a representation, in form and substance satisfactory to Beneficiary, that all provisions of this Paragraph 9.13 shall be true and correct after giving effect to any such Transfer, and (ii) such transferee's agreement in writing, which agreement must be in form and substance satisfactory to Beneficiary in its sole and absolute discretion, that any transfer of such transferee's interest shall be governed by the terms and provisions of this Paragraph 9.13.

9.14. Indemnification and Defense.

A. Trustor will indemnify, defend, and hold Beneficiary and its agents harmless from and against all liability, loss, claims, damage, fee, cost or expense (including reasonable attorneys' fees) that Beneficiary might incur in connection with the making or administering of the Loan, the enforcement of any of Beneficiary's rights or remedies under the Loan Documents, by reason of any failure of any representation or warranty made by Trustor or the failure of Trustor to perform any Obligation or by reason or in defense of any and all claims and demands whatsoever that may be asserted against Beneficiary arising out of or in connection with the Property or the Loan.

B. Trustor shall appear in and defend (with counsel acceptable to Beneficiary) any action or proceeding purporting to affect the security of the Deed of Trust, or of any additional

or other security for the Obligations, the interest of Beneficiary or the rights, powers and duties of Trustee hereunder.

C. Whenever, under any Loan Document, Trustor is obligated to indemnify and/or defend Beneficiary, or Trustor is obligated to defend or prosecute any action or proceeding, then Beneficiary shall have the right to participate in such prosecution or defense using counsel of Beneficiary's choice, and all costs and expenses incurred by Beneficiary in connection with such participation (including reasonable attorneys' fees) shall be reimbursed by Trustor to Beneficiary. In addition, Beneficiary shall have the right to approve any counsel retained by Trustor in connection with the prosecution or defense of any such action or proceeding by Trustor. Trustor shall give notice to Beneficiary of the initiation of all proceedings prosecuted or required to be defended by Trustor, or which are subject to Trustor's indemnity obligations, under this Deed of Trust, promptly after the receipt by Trustor of notice of the existence of any such proceeding, but in no event later than five (5) days thereafter.

D. Should Beneficiary incur any liability, loss, claim, damage, cost or expense required to be reimbursed by Trustor to Beneficiary hereunder, the amount thereof with interest thereon at the Secondary Interest Rate shall constitute part of the Indebtedness, shall be payable by Trustor upon demand and shall be secured by this Deed of Trust.

9.15. Destruction of Note. Trustor shall, if the Note is mutilated or destroyed by any cause whatsoever, or otherwise lost or stolen and regardless of whether due to the act or neglect of Beneficiary or Trustee, execute and deliver to Beneficiary in substitution therefor a duplicate promissory note containing the same terms and conditions as the Note, within ten (10) days after Beneficiary notifies Trustor of any such mutilation, destruction, loss or theft of the Note.

9.16. Heirs and Assigns. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns.

9.17. Interpretation. When the identity of the parties or other circumstances make it appropriate, the masculine gender shall include the feminine and/or neuter, and the singular number shall include the plural. Specific enumeration of rights, powers and remedies of Trustee and Beneficiary and of acts which they may do and of acts Trustor must do or not do shall not exclude or limit the general. The headings of each Article and Paragraph are for convenience and do not limit or construe the contents of any provision hereof. The provisions of the Loan Documents and the Hazardous Substances Agreement shall be construed as a whole according to their common meaning, not strictly for or against any party and consistent with the provisions herein contained, in order to achieve the objectives and purposes of such documents. Each party and its counsel has reviewed and revised the Loan Documents and the Hazardous Substances Agreement and agree that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of such document. The use in the Loan Documents and the Hazardous Substances Agreement of the words "including", "such as", or words of similar import when following any general term, statement or matter shall not be construed to limit such statement, term or matter to the specific items or matters, whether or not language of non-limitation such as "without limitation" or "but not limited to", or words of similar import are used with reference thereto, but rather shall be

deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter. The term "Trustor" shall be deemed to refer to each and every Trustor, both individually and collectively, when more than one Trustor exists, and to the original Trustor, and its or their successors and assigns (whether or not such assign assumed the Obligations hereunder); the term "Beneficiary" includes Beneficiary named herein or any future owner or holder, including pledgee and participants, of the Note, or any other instrument secured hereby, or any participation therein; and the term "Trustee" includes the original Trustee and its successors and assigns. The references to the "Property" shall be deemed to refer to all or any portion of the Property and any interest therein. References to "foreclosure" and related phrases shall be deemed references to the appropriate procedure in connection with Trustee's private power of sale as well as any judicial foreclosure proceeding or a conveyance in lieu of foreclosure.

9.18. Information to Third Persons. If, at any time, Beneficiary desires to sell or transfer, or grant a participation interest in, all or any portion of, or any interest in, the Note or any other Loan Document to any Person, Trustor shall furnish in a timely manner any and all financial information concerning the Property and Leases, and concerning Trustor's financial condition, requested by Beneficiary or such person in connection with any such sale or transfer.

9.19. Commingling of Funds. Any and all sums collected or retained by Beneficiary hereunder (including insurance and condemnation proceeds and any amounts paid by Trustor to Beneficiary under Paragraph 3.4 hereof), shall not be deemed to be held in trust, and Beneficiary may commingle such funds or proceeds with its general assets and shall not be liable for the payment of any interest or other return thereon, except to the extent otherwise required by law.

9.20. Certain Obligations Unsecured. Notwithstanding anything to the contrary set forth herein or any of the Loan Documents, this Deed of Trust shall not secure the following obligations (the "Unsecured Obligations"): (i) any obligations evidenced by or arising under the Hazardous Substances Agreement; and (ii) any other obligations in this Deed of Trust or in any of the other Loan Documents to the extent that such other obligations relate specifically to the presence on the Property of Hazardous Materials (as defined in the Hazardous Substances Agreement) and are the same or have the same effect as any of the obligations evidenced by, or arising under the Hazardous Substances Agreement. Nothing in this section shall, in itself, impair or limit Beneficiary's right to obtain a judgment in accordance with applicable law after foreclosure for any deficiency in recovery of all obligations that are secured by this Deed of Trust following foreclosure.

9.21. Costs and Fees of Trustor. All costs, fees and expenses (including those of Beneficiary's legal counsel and consultants) (collectively, "Costs") incurred by Beneficiary in making, administering or collecting the Loan including, without limitation, costs incurred by Beneficiary in connection with any inspections (including any and all inspections of the Improvements during construction or development), reports, tests, inquiries and reviews, condemnation proceedings, endorsements to the title policy, actions or proceedings in which Beneficiary and/or Trustee may appear or be made a party (including foreclosure or other proceedings commenced by those claiming a right to any part of the Property or any action to partition all or part of the Property, whether or not pursuant to final judgment and exercise of the power of sale contained herein, whether or not the sale is actually consummated) and all sums expended by Trustee or

Beneficiary in the exercise of any of their rights or remedies under this Deed of Trust shall be immediately due and payable by Trustor to Beneficiary upon demand, shall accrue interest at the Secondary Interest Rate from the date of expenditure until paid, and shall be added to the Indebtedness secured by the Loan Documents prior to any right, title or interest in or claim upon the Property attaching or accruing subsequent to the lien of this Deed of Trust.

9.22. Reconveyance. Beneficiary agrees that upon the written request of Trustor, Beneficiary will provide Trustee with a Request for Reconveyance requesting that the lien of this Deed of Trust be reconveyed with respect to the Property, provided that Trustor satisfies each of the following conditions precedent:

- A. Such written request is delivered to Beneficiary at least thirty (30) days prior to the recordation date of the requested reconveyance.
- B. No Event of Default exists at the time of any such release, nor has any event occurred that with the passage of time or the giving of notice or both would constitute an Event of Default.
- C. Trustor pays Beneficiary (i) a principal paydown of \$2,600,000, which paydown shall be applied by Beneficiary first to pay off the loan from Beneficiary to Kirkland Cattle, which loan is evidenced by that certain Promissory Note dated as of February 22, 2000 in the original principal amount of \$1,200,000 (the "2000 Note"), and then to pay down Note B, (ii) any accrued interest thereon, (iii) a Prepayment Premium (as defined in the 2000 Note) in the amount specified in the 2000 Note, for the portion of such principal paydown applicable to the 2000 Note, and (iv) a Prepayment Premium (as defined in Note B) in the amount specified in the Note B, for the portion of such principal paydown applicable to Note B.
- D. Trustor pays Beneficiary a servicing fee to be determined by Beneficiary at the time of Beneficiary's receipt of the request, which fee shall be paid within five (5) days after Beneficiary notifies Trustor of the amount of the fee.
- E. Trustor shall pay all reasonable out-of-pocket costs of Beneficiary relating to the release, including, without limitation, Beneficiary's attorneys' fees, escrow fees, and the costs of any title endorsements to insure such matters as Beneficiary shall require.
- F. The release of the Property shall be pursuant to such documentation as Beneficiary reasonably deems necessary including, without limitation, modifications to the Loan Documents.

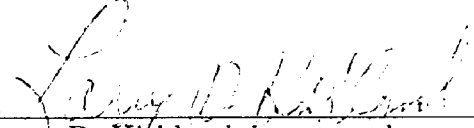

In no event shall a release under this Section 9.22 constitute or trigger a release of the Existing Property from the lien of the Existing Deed of Trust.

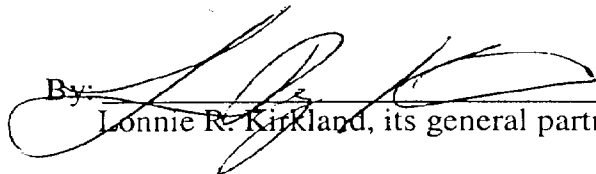

9.23. Joint and Several Liability. Each Trustor will be jointly and severally liable to Beneficiary for the faithful performance of this Deed of Trust and the other Loan Documents and all obligations hereunder and thereunder.

IN WITNESS WHEREOF, Trustor has caused this Deed of Trust to be executed as of the day and year first above written.
