## TRADEMARK SECURITY AGREEMENT

**TRADEMARK SECURITY AGREEMENT**, dated as of February 15, 2002, among MACTEC, Inc. and Harding ESE, Inc. (collectively, the "*Company*") and each of the other entities listed on the signature pages hereof or which becomes a party hereto pursuant to *Section 7.10* of the Security Agreement referred to below (each a "*Grantor*" and, collectively, the "*Grantors*"), in favor of BNP Paribas ("*BNP Paribas*"), as agent for the Secured Parties (as defined in the Security Agreement referred to below) (in such capacity, the "*Agent*").

### **WITNESSETH:**

WHEREAS, pursuant to the Credit Agreement, dated as of February 15, 2002 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "*Credit Agreement*") among the Company, Law Companies Group, Inc., the Guarantors party thereto, the Lenders party thereto, the Issuing Banks party thereto and BNP Paribas, as agent for the Lenders and Issuing Banks, the Lenders and Issuing Banks have severally agreed to make extensions of credit to the Company upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Grantors other than the Company are party to the Guaranty pursuant to which they have guaranteed the Obligations (as defined in the Credit Agreement); and

WHEREAS, all the Grantors are party to a Pledge and Security Agreement of even date herewith in favor of the Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "*Security Agreement*") pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Issuing Banks and BNP Paribas as agent under the Credit Agreement to enter into the Credit Agreement and to induce the Lenders and Issuing Banks to make their respective extensions of credit to the Company thereunder, each Grantor hereby agrees with the Agent as follows:

**SECTION 1. Defined Terms.** Unless otherwise defined herein, terms defined in the Credit Agreement or in the Security Agreement and used herein have the meaning given to them in the Credit Agreement or the Security Agreement.

**SECTION 2. Grant of Security Interest in Trademark Collateral.** Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations (as defined in the Security Agreement), hereby collaterally assigns, conveys, mortgages, pledges, hypothecates and transfers to the Agent for the benefit of the Secured Parties, and grants to the Agent for the benefit of the Secured Parties, a lien on and security interest in all of its right, title and interest in, to and under the following Collateral of such Grantor (the "*Trademark Collateral*"):

all of its owned Trademarks, Trademark Licenses, Service Marks and Service Mark Licenses to which it is a party, including those referred to on *Schedule I* hereto;

all renewals of the foregoing;

all goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark License, Service Mark and Service Mark License; and

all Proceeds of the foregoing, including any claim by Grantor against third parties for past, present, future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License, or (ii) infringement or dilution of any Service Mark or Service Mark licensed under any Service Mark License, or (iii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License, or (iv) injury to the goodwill associated with any Service Mark or any Service Mark licensed under any Service Mark License.

Notwithstanding the foregoing, the Trademark Collateral shall not include any such Trademark License or Service Mark License to the extent the granting of a security interest in such Trademark License or Service Mark License by Grantor to Agent is specifically prohibited by applicable law or by the terms and provisions of such Trademark License or Service Mark License (other than to the extent that such prohibition or the term or provision providing for such prohibition is rendered ineffective pursuant to the Uniform Commercial Code (as defined in the Credit Agreement) or other applicable law, including the Bankruptcy Code); provided, however, that immediately upon the ineffectiveness, lapse or termination of any such prohibition or the term or provision providing for such prohibition, the Trademark Collateral shall include, and Grantor shall be deemed to have granted Agent a security interest in such Trademark License or Service Mark License as if such prohibition or term or provision providing for such prohibition had never been in effect.

SECTION 3. **Security Agreement.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

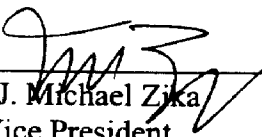

SECTION 4. **Amendment and Restatement.** The lien on and security interest in the Trademark Collateral granted hereunder by Grantors are in renewal, extension and modification of the liens and security interests previously granted by any Grantor pursuant to any trademark security agreement in connection with the Original Agreement, Restated Agreement or Second Restated Agreement. Such prior liens and security interests are not impaired, released or extinguished hereby; such prior liens and security interests are hereby affirmed, confirmed, ratified and carried forward; and the ranking, perfection and priority of such prior liens and security interests shall continue in full force and effect. This Trademark Security Agreement constitutes an amendment, modification and restatement, but not an extinguishment or novation of the obligations of any Grantor pursuant to each such prior trademark security agreement. With respect to matters relating to the period prior to the effective date of this Agreement, all of the provisions of each such prior trademark security agreement are hereby ratified and confirmed, and shall remain in full force and effect.

[signature page follows]

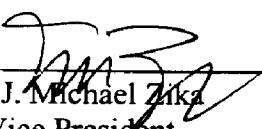

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

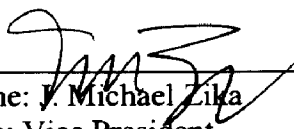

MACTEC, INC.
