WHEREAS, Assignor, AMRB, LLC, Re-Bath Corp., and American Bathtub Liners, Inc. have entered into an Assets Purchase Agreement dated as of January 18, 2002 (the "Assets Purchase Agreement"), relating to the purchase by AMRB, LLC from each of Assignor, Re-Bath Corp., and American Bathtub Liners, Inc. of all of the assets comprising the Business, including without limitation the Intellectual Property; and

WHEREAS, Assignor has adopted, owns, and is using a number of patents, trademarks, service marks, tradenames and copyrights in connection with its Business, including without limitation the registered and unregistered patents, trademarks, service marks, trade names and copyrights referenced in Section 1.1.1(f) of the Assets Purchase Agreement (the "Patents, Marks and Copyrights"); and

WHEREAS, Assignor owns the technologies, methods, formulations, data bases, trade secrets, know-how, inventions and other intellectual property used or under development in connection with the Business referenced in Section 1.1.1(g) of the Assets Purchase Agreement (the "Business Methods"); and

WHEREAS, Assignor owns the computer software (including documentation and related object and source codes) used in connection with the Business referenced in Section 1.1.1(h) of the Assets Purchase Agreement (the "Software"); and

WHEREAS, Assignor owns the information, files, records, data, plans, contracts and recorded knowledge, including customer and supplier lists, related to the Business referenced in Section 1.1.1(k) of the Assets Purchase Agreement (the "Information") (the Patents, Marks, and Copyrights, the Business Methods, the Software, and the Information shall be collectively referenced herein as the "Intellectual Property"); and

WHEREAS, all capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Assets Purchase Agreement; and

WHEREAS, pursuant to the Assets Purchase Agreement, Assignor and Assignee wish to enter into this Assignment.

NOW, THEREFORE, in consideration of payment by AMRB, LLC to Assignor of the Purchase Price under the Assets Purchase Agreement, Assignor does hereby: (1) sell, grant, convey, assign, transfer, and set over unto Assignee, its successors and assigns, on an exclusive basis, for all territories of the world in perpetuity, all of Assignor's legal and equitable right, title and interest in and to the Intellectual Property together with the goodwill of the business and/or products symbolized by the Marks as used by Assignee and all of the assets, properties, contracts, rights, and obligations relating to the Intellectual Property, including without limitation any renewals and/or extensions of the Copyrights; (2) sell, assign and set over unto Assignee, its successors and assigns, any and all claims, demands or rights of action which it has or might have by reason of any infringement or unauthorized disclosure or use of the Intellectual Property prior to the date of this Assignment, together with the right to prosecute such claims, demands or rights of action in Assignee's own name and to retain any recovery obtained thereby; and (3) sell, assign and set over unto Assignee, its successors and assigns, any other rights or choses in action arising out of occurrences before or after the date of this Assignment, including without limitation the rights under express or implied warranties relating to the Intellectual Property set forth on Section 1.1.1(i) of the Assets Purchase Agreement and incorporated herein by reference.

Assignor hereby covenants with Assignee that Assignor is the sole lawful owner of the rights in and to the Intellectual Property and that it has good right to sell and transfer the same to Assignee. Assignor agrees at Assignee's reasonable request to execute additional papers which are necessary for the transfer, by complete assignment, of all of Assignor's rights in and to the Intellectual Property and all registrations, renewals, or extensions thereof or applications therefor. Assignor further appoints and constitutes Assignee its true and lawful attorney, with full power of substitution, and with full power and authority, on behalf of Assignor, to perform all acts, and execute and deliver all agreements, documents, instruments of assignment, or other papers necessary or advisable to transfer the Intellectual Property to Assignee and fully vest Assignee with all rights in and to the Intellectual Property.
