# TRADEMARK SECURITY AGREEMENT

## (TRADEMARKS, TRADEMARK REGISTRATIONS, TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

WHEREAS, TPI Acquisition Subsidiary, Inc., a Delaware corporation (herein referred to as "Grantor"), owns the Trademarks (as defined in the Security Agreement referred to below) listed on Schedule 1 annexed hereto, and is a party to the Trademark Licenses (as defined in the Security Agreement referred to below) identified in Schedule 1 annexed hereto;

WHEREAS, Tekni-Plex, Inc., certain Lenders and JPMorgan Chase Bank (f/k/a Morgan Guaranty Trust Company of New York), as Agent for such Lenders, are parties to a Credit Agreement, dated as of June 21, 2000 (as the same may be amended and in effect from time to time among said parties and such lenders (the "Lenders") as may from time to time be parties thereto, the "Credit Agreement");

WHEREAS, pursuant to the terms of the Security Agreement, dated as of June 21, 2000 (as the same may be amended and in effect from time to time, the "Security Agreement") between Grantor, the other grantors from time to time party hereto and JPMorgan Chase Bank (f/k/a Morgan Guaranty Trust Company of New York) as Collateral Agent for the secured parties referred to therein (in such capacity, together with its successors in such capacity, "Grantee"), Grantor has granted to Grantee for the benefit of such secured parties a security interest in substantially all the assets of Grantor, including all right, title and interest of Grantor in, to and under the Trademark Collateral (as defined herein), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each Trademark, including, without limitation, each Trademark application referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each such Trademark;

(ii) each Trademark License, including, without limitation, each Trademark License identified in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto; and

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark, including, without limitation, any Trademark referred to in Schedule 1 hereto, and all rights and benefits of Grantor under any Trademark License, including, without limitation, any Trademark License identified in Schedule 1 hereto, or for injury to the goodwill associated with any of the foregoing.

Grantor hereby irrevocably constitutes and appoints Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of Grantor or in its name, from time to time, in Grantee's discretion, so long as any Event of Default (as defined in the Credit Agreement) has occurred and is continuing, to take with respect to the Trademark Collateral any and all appropriate action which Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Trademark Security Agreement and to accomplish the purposes hereof.

Except to the extent not prohibited in the Security Agreement, Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the foregoing Trademark Collateral.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement. Grantor does hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the 30th day of April, 2002.
