INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (the "Assignment") effective as of December 1, 2002 (the "Effective Date"), is by and between The J. M. Smucker Company, an Ohio corporation (the "Assignor") and Smucker Fruit Processing Company, a California corporation (the "Assignee").

WITNESSETH:

WHEREAS, the Assignor has invented, patented, acquired, adopted, used and is using, purchased, written, developed, controls, and owns certain domestic patents, trademarks, trade names, service marks, copyrights, technology, trade secrets, secret processes, "know-how" and information as more specifically set forth on Exhibits A through E attached hereto (collectively, the "Intellectual Property") and desires to assign its entire right, title and interest in and to this Intellectual Property to Assignee;

WHEREAS, the Assignee desires to acquire all rights, titles and interest in and to Assignor's Intellectual Property.

NOW THEREFORE, in consideration of the promises and obligations set forth herein and other good and valuable consideration, the Assignor and Assignee hereby agree as follows:

ARTICLE I

ASSIGNMENT

For value received, and subject to the terms and conditions of any existing legally binding agreements, licenses, and/or encumbrances, the Assignor hereby assigns and transfers to Assignee, its successors and assigns, the entire domestic right, title, and interest Assignor has in and to all of its Intellectual Property, including, without limitation:

- a) all patents, inventions or improvements thereto as listed on Exhibit A, which is attached hereto and incorporated herein;
- b) all trademarks and service marks listed on Exhibit B, which is attached hereto and incorporated herein, together with the goodwill of the business symbolized by the trademarks and service marks, the registration of same, and any rights to renewal;
- c) all copyrights, and the rights to renewal or extension of the copyrights, listed on Exhibit C, which is attached hereto and incorporated herein;

- d) all tradenames listed on Exhibit D, which is attached hereto and incorporated herein , together with the goodwill of the business symbolized by the tradenames, the registration of the tradenames, and the right to renewal;
- e) all technology, trade secrets, secret processes, information and all other "know-how" listed on Exhibit E, which is incorporated herein in full by reference; and
- f) any and all other domestic patents, trademarks (together with the goodwill symbolized by the trademarks), trade names, copyrights, know-how, trade secrets, secret processes and information of whatever kind or nature not specifically listed above, whether or not currently used in the conduct of Assignor's business, provided that a unilateral transfer thereof is not precluded by the terms and conditions of an existing legally binding agreement and further provided that the transfer is subject to all existing licenses and other encumbrances.

ARTICLE II

It is expressly agreed that this Assignment is not merely of the rights to tangible evidence of information such as blueprints, drawings, or other physical material on which the Intellectual Property is recorded, but it is an assignment and transfer of any and all right, title and interest Assignor has in the Intellectual Property of both a physical and intangible nature, including any and all rights to prosecute past, current, and future infringements associated with this Intellectual Property.

ARTICLE III

Assignor represents and warrants that the Intellectual Property assigned and transferred pursuant to this Assignment is owned by Assignor, that Assignor has the exclusive right to use, transfer and assign this Intellectual Property, and that any and all patents, trademarks, service marks, trade names, and copyrights are valid and in force.

ARTICLE IV

Assignor requests and directs any duly authorized official to issue any patent on any inventions or improvements, or resulting from the improvements, to Assignee or its successors or assigns.

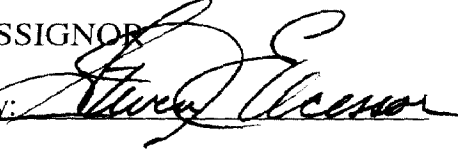

ARTICLE V

Assignor agrees that, on request and at Assignee's expense, it will communicate to Assignee or its representatives or nominees, any facts known to Assignor respecting the Intellectual Property, and will testify in any legal proceeding, execute divisional, continuing, and reissue applications and other documents, and otherwise do everything possible to aid Assignee, or its successors, assigns, and nominees, to obtain and enforce protection for the Intellectual Property within the United States.

IN WITNESS WHEREOF, the parties have caused this Assignment to be executed on their behalf by their duly authorized representatives as of the Effective Date.
