WHEREAS, FOOTSTAR CORPORATION (successor by merger to McI Shoe Corporation), APACIE MINNESOTA THOM McAN, INC., ATHLETIC ATTIC OF TEXAS, INC., and NEVADA FEET, INC., each with a principal place of business at 1 Crosfield Avenue, West Nyack, New York 10994 (the "Grantors") and FLEET RETAIL FINANCE INC., in its capacity as Collateral Agent (in such capacity, together with its successors and assigns, the "Collateral Agent"), for the Secured Parties (as defined herein), with other Affiliates, have entered into a Security Agreement and/or two Security Agreements dated as of October 18, 2002 (as amended from time to time, the "Security Agreements"), granting a security interest to secure the payment and performance of the Obligations (as defined in each of such Security Agreements);

WHEREAS, Footstar, Inc., Footstar Corporation, the Collateral Agent, Fleet National Bank, as Administrative Agent (with its successors and assigns, the "Administrative Agent"), and certain of the other Secured Parties entered into a Credit Agreement dated as of October 18, 2002 (as amended from time to time, the "Credit Agreement");

WHEREAS, each of the Grantors has entered into a Guaranty in favor of the Administrative Agent and the Collateral Agent (as amended from time to time, the "Facility Guaranty");

WHEREAS, the Credit Agreement requires among other things, that the Grantors shall execute and deliver this Agreement to secure the payment and performance of the Obligations; and

WHEREAS, each of the Grantors is the owner and user of the registered copyrights listed on Schedule A hereto and all copyright rights in, to and under such registered copyrights (collectively referred to herein as the "Copyrights"), and the service marks, trade names and trademarks listed for such Grantor on Schedule A hereto (the "Marks") and the service mark, trade names and trademark applications listed on Schedule A hereto and so identified (collectively, the "Mark Applications"); and

WHEREAS, among the security interests granted by the Grantors to the Collateral Agent pursuant to the Security Agreements is a security interest in the Copyrights, the Marks and the Mark Applications; and

WHEREAS, the parties to the Security Agreements contemplate and intend that, upon the occurrence of any Event of Default, under and as defined in either of the Security Agreements, the Collateral Agent shall have all rights of a foreclosing secured party in and to the Copyrights, the Marks and the Mark Applications and any proceeds thereof (including any service marks, trade names and trademarks issued as a result of the Mark Applications), including, without limitation, the right, following such foreclosure, to transfer to a purchaser all of the right, title and interest of any of the Grantors in and to any of the Copyrights, any of the Marks and any of

the Mark Applications (and any service marks, trade names and trademarks issued as a result of any of the Mark Applications);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties reconfirm the terms of the Security Agreements, as if set forth fully herein, and acknowledge that the Collateral Agent has a security interest in the Copyrights, the Marks and the Mark Applications listed on Schedule A hereto as security for the Obligations; each of the Grantors hereby collaterally assigns to the Collateral Agent, and grants a security interest to the Collateral Agent in all right, title and interest of each of the Grantors in and to said Copyrights, the Marks and the Mark Applications (and in any service marks, trade names and trademarks issued as a result of the Mark Applications) and the goodwill associated therewith; each of the Grantors agrees that it will not sell or assign any of the Copyrights, the Marks or the Mark Applications without the prior written consent of the Collateral Agent except as may be otherwise permitted under the Credit Agreement; and each of the Grantors and the Collateral Agent requests that the U.S. Copyright Office and the Commissioner of Patents and Trademarks record this document with respect to the Copyrights, the Marks and the Mark Applications.

Each of the Grantors hereby appoints the Collateral Agent as its attorney-in-fact (with full power of substitution and resubstitution), coupled with an interest, with the power and authority, after the occurrence of any Event of Default, to execute and deliver, in the name and on behalf of such Grantor, and to cause the recording of all such further assignments and other instruments as the Collateral Agent may reasonably deem necessary or desirable in order to carry out the intent of the Security Agreements and this Security Agreement (Trademarks). Each of the Grantors agrees that all third parties may conclusively rely on any such further assignment or other instrument, so executed, delivered and recorded by the Collateral Agent (or the Collateral Agent's designee in accordance with the terms hereof) and on the statements made therein.

This Security Agreement is made for collateral purposes only. This Security Agreement and the security interest represented hereby shall terminate when all the Obligations have been indefeasibly paid in full in immediately available funds, the Lenders have no further commitment to lend, there are no Letter of Credit Outstandings (or all such Letters of Credit Outstanding are fully cash collateralized in a manner satisfactory to the Issuing Bank) and the Issuing Bank has no further commitment to issue Letters of Credit under the Credit Agreement, at which time, upon the request of the Grantors, the Collateral Agent shall execute and deliver to the Grantors, at the Grantors' expense, all termination statements, releases and similar documents that the Grantors shall reasonably request to evidence such termination and the release of the security interests.

All capitalized terms used but not elsewhere defined in this Security Agreement shall have the meanings ascribed to such terms in the Security Agreements, as applicable. Except as expressly provided herein, the rights, remedies and obligations of the parties hereto are governed by the provisions of the Security Agreements, all of which are incorporated herein by reference and made a part hereof.
