### WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of the date hereof by and among Grantor, the Persons named therein as Credit Parties, Agent and the Persons signatory thereto from time to time as Lenders (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), Lenders have agreed to make the Term Loan for the benefit of Grantor and the other Borrowers party thereto;

WHEREAS, Agent and Lenders are willing to make the Term Loan as provided for in the Credit Agreement, but only upon the condition, among others, that Grantor shall have executed and delivered to Agent, for itself and the ratable benefit of Lenders, that certain Security Agreement dated as of the date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Agent, for itself and the ratable benefit of Lenders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent, on behalf of itself and Lenders, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or

dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

3. CONDITIONAL ASSIGNMENT OF TRADEMARKS. Grantor hereby authorizes Agent to complete as assignee, execute pursuant to the power of attorney, and record with the United States Patent and Trademark Office, or Canadian Intellectual Property Office, as applicable, and in any other applicable public office or agency of the United States, any State or Territory thereof, or of Canada, any province, or territory thereof, or any other country, a document in substantially the form of Exhibit A (the "Assignment"), upon the occurrence of an Event of Default and during the continuation of such Event of Default and the proper exercise of Agent's remedies under the Security Agreement and this Trademark Security Agreement.

(a) In addition to, and not by way of limitation of, the grant of a security interest in the Trademark Collateral provided in Section 2, as collateral security for the prompt and complete payment, performance and observance of all of the Obligations and all renewals, extensions, restructurings and refinancings thereof, Grantor hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to Agent, for itself and on behalf of Lenders, all of its right, title and interest in, to and under the Trademark Collateral; provided, however, that such grant, assignment, conveyance, mortgage, pledge, hypothecation and transfer shall be and become of force and effect, with respect to any item of the Trademark Collateral, only: (i) upon an Event of Default and during the continuation of such Event of Default; and (ii) either (A) upon the written demand of Agent at any time during such continuance, or (B) immediately and automatically, without any notice or action of any kind by Agent, upon the sale or other disposition of such item of the Trademark Collateral by Agent pursuant to Article 9 of the Code or the PPSA, as applicable (including the transfer or other disposition of such item by such Grantor to Agent in lieu of foreclosure).

(b) Notwithstanding any of the foregoing, as long as no Event of Default shall have occurred and be continuing, and except as otherwise provided in the Security Agreement and this Trademark Security Agreement, the Grantors shall be permitted to remain in full possession, ownership, enjoyment and control of all of their right, title and interest in the Trademark Collateral and to manage, operate, dispose and use the same and each part thereof, in each case, as permitted hereunder, with all the rights pertaining thereto and Agent shall not have any right or authority to take any actions in any matter relating to the Trademark Collateral before the United States Patent and Trademark Office or the Canadian Intellectual Property Office. Until such time, all of the goodwill embodied in and associated with such Trademark Collateral shall inure to the benefit of each Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, on behalf of itself and Lenders, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
