## TRADEMARK SECURITY AGREEMENT

**THIS TRADEMARK SECURITY AGREEMENT** (“**Agreement**”) dated as of April 3, 2003, made by **VISKASE COMPANIES, INC.**, a Delaware corporation (“**Grantor**”), in favor of **ARNOS CORP.**, a Nevada corporation (“**Lender**”).

### WITNESSETH:

**WHEREAS**, pursuant to a certain Credit Agreement of even date herewith (such Credit Agreement, as it may be amended, restated, supplemented, extended or otherwise modified and in effect from time to time, being hereinafter referred to as the “**Credit Agreement**”), between Grantor and the Lender, the Lender has agreed to make certain loans and other extensions of credit to or for the account of the Grantor upon the terms and subject to the conditions set forth therein;

**WHEREAS**, Grantor and the Lender are parties to a certain General Security Agreement of even date herewith (as amended, restated, supplemented, extended or otherwise modified and in effect from time to time, the “**Security Agreement**”), pursuant to which Grantor has granted a continuing security interest in and to certain of its assets to the Lender; and

**WHEREAS**, the Lender has required, as a condition, among others, to the making of any loans or other extensions of credit under the Credit Agreement, that Grantor execute and deliver this Agreement to the Lender;

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Defined Terms.**

**(a)** Unless otherwise defined herein, each capitalized term used herein that is defined in the Credit Agreement shall have the meaning specified for such term in the Credit Agreement. Unless otherwise defined herein or in the Credit Agreement, each capitalized term used herein that is defined in the Security Agreement shall have the meaning specified for such term in the Security Agreement.

**(b)** The words “hereof,” “herein” and “hereunder” and words of like import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section references are to this Agreement unless otherwise specified.

**(c)** All terms defined in this Agreement in the singular shall have comparable meanings when used in the plural, and vice versa, unless otherwise specified.

2. **Incorporation of Premises.** The premises set forth above are incorporated into this Agreement by this reference thereto and are made a part hereof.

3. **Incorporation of the Security Agreement.** The Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto.

4. **Security Interest in Trademarks.** To secure the prompt and complete payment, performance and observance when due (whether at stated maturity, by acceleration or otherwise) of all "**Obligations**" (as defined in the Credit Agreement), and to induce the Lender to enter into the Credit Agreement and to make the Revolving Loans and other extensions of credit provided for therein in accordance with the respective terms thereof, Grantor hereby grants to the Lender a security interest in, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, all of Grantor's now owned or existing and hereafter acquired or arising:

(a) trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including, without limitation, the trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications listed on **Schedule A** attached hereto and made a part hereof, and (i) all renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iii) the right to sue for past, present and future infringements and dilutions thereof, (iv) the goodwill of Grantor's business symbolized by the foregoing and connected therewith, and (v) all of Grantor's rights corresponding thereto throughout the world (all of the foregoing trademarks, registered trademarks and trademark applications, and service marks, registered service marks and service mark applications, together with the items described in **clauses (i)-(v)** in this **paragraph 4(a)**, are sometimes hereinafter individually and/or collectively referred to as the "**Trademarks**"); and

(b) rights under or interests in any trademark license agreements or service mark license agreements with any other party, whether Grantor is a licensee or licensor under any such license agreement, including, without limitation, those trademark license agreements and service mark license agreements listed on **Schedule B** attached hereto and made a part hereof, together with any goodwill connected with and symbolized by any such trademark license agreements or service mark license agreements, and the right to prepare for sale and sell any and all Inventory now or hereafter owned by Grantor and now or hereafter covered by such licenses (all of the foregoing are hereinafter referred to collectively as the "**Licenses**").

5. **Restrictions on Future Agreements.** Grantor will not, without the Lender's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and Grantor further agrees that it will not take any action, and will use its best efforts not to permit any action to be taken by others, including, without limitation, licensees, or fail to take any action, which could reasonably be

expected to affect in any material respect the validity or enforcement of the rights granted to the Lender under this Agreement.

6. **New Trademarks and Licenses.** Grantor represents and warrants that, from and after the Closing Date, (a) the Trademarks listed on **Schedule A** include all of the trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications now owned or held by Grantor, (b) the Licenses listed on **Schedule B** include all of the trademark license agreements and service mark license agreements under which Grantor is the licensee or licensor and (c) other than Permitted Liens, no Liens, claims or security interests in such Trademarks and Licenses have been granted by Grantor to any Person other than the Lender. If, prior to the termination of this Agreement, Grantor shall (i) obtain rights to any new trademarks, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) become entitled to the benefit of any trademarks, registered trademarks, trademark applications, trademark licenses, trademark license renewals, service marks, registered service marks, service mark applications, service mark licenses or service mark license renewals whether as licensee or licensor, or (iii) enter into any new trademark license agreement or service mark license agreement, the provisions of **paragraph 4** above shall automatically apply thereto. Grantor shall give to the Lender written notice of events described in **clauses (i), (ii) and (iii)** of the preceding sentence promptly after the occurrence thereof, but in any event not less frequently than on an annual basis. Grantor hereby undertakes to modify and update (i) **Schedule A** to include any future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications and (ii) **Schedule B** to include any future trademark license agreements and service mark license agreements, which are Trademarks or Licenses under **paragraph 4** above or under this **paragraph 6**. Grantor hereby authorizes the Lender to file in such domestic offices as the Lender reasonably deems necessary, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on **Schedule A or B** thereto, as the case may be, such future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, and trademark license agreements and service mark license agreements.

7. **Royalties.** Grantor hereby agrees that the use by the Lender of the Trademarks and Licenses as authorized hereunder in connection with the Lender's exercise of its rights and remedies under **paragraph 15** or pursuant to **Section 10** of the Security Agreement shall be coextensive with Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Lender to Grantor.

8. **Further Assignments and Security Interests.** Grantor agrees not to sell or assign its respective interests in, or grant any license under, the Trademarks or the Licenses without the prior and express written consent of the Lender.

9. **Nature and Continuation of the Lender's Security Interest; Termination of the Lender's Security Interest.** This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only when the Obligations have been paid and satisfied in full and the Credit Agreement, the Security Agreement and all of the other Loan Documents have terminated pursuant to the respective terms and provisions thereof. When this Agreement has terminated,

the Lender shall promptly execute and deliver to Grantor, at the Lender's expense, all termination statements and other instruments as may be necessary or proper to terminate the Lender's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by the Lender pursuant to this Agreement or the Security Agreement.

10. **Duties of Grantor.** Grantor shall have the duty, to the extent desirable in the normal conduct of Grantor's business, to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement. Grantor further agrees (i) not to abandon any Trademark or License without the prior written consent of the Lender, and (ii) to use commercially reasonable efforts to maintain in full force and effect the Trademarks and the Licenses that are or shall be necessary or economically desirable in the operation of Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by Grantor. The Lender shall not have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, the Lender shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks or Licenses against any other parties, but may do so at its option from and after the occurrence and during the continuance of an Event of Default, and all reasonable expenses incurred in connection therewith shall be for the sole account of Grantor and shall be added to the Obligations secured hereby.

11. **The Lender's Right to Sue.** From and after the occurrence and during the continuance of an Event of Default, the Lender shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks and the Licenses and, if the Lender shall commence any such suit, Grantor shall, at the request of the Lender, do any and all lawful acts and execute any and all proper documents reasonably required by the Lender in aid of such enforcement. Grantor shall, upon demand, promptly reimburse the Lender for all reasonable costs and expenses incurred by the Lender in the exercise of its rights under this **paragraph 11** (including, without limitation, reasonable fees and expenses of attorneys and paralegals for the Lender).

12. **Waivers.** Failure by the Lender at any time or times hereafter to require strict performance by Grantor of any provision of this Agreement shall not waive, affect or diminish any right of the Lender thereafter to demand strict compliance and performance therewith nor shall any course of dealing between Grantor and the Lender have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of Grantor contained in this Agreement shall be deemed to have been suspended or waived by the Lender unless such suspension or waiver is in writing signed by an officer of the Lender and directed to Grantor specifying such suspension or waiver.

13. **Severability.** Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any

manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

14. **Modification.** This Agreement cannot be altered, amended or modified in any way, except by a writing signed by the parties hereto.

15. **Cumulative Remedies; Power of Attorney.** Grantor hereby irrevocably designates, constitutes and appoints the Lender (and all Persons designated by the Lender in its sole and absolute discretion) as Grantor's true and lawful attorney-in-fact, with full power of substitution, and authorizes the Lender and any of the Lender's designees, in Grantor's or the Lender's name, upon the occurrence and during the continuance of an Event of Default and the giving by the Lender of notice to Grantor of the Lender's intention to enforce its rights and claims against Grantor, to take any action and execute any instrument which the Lender may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Lender in the use of the Trademarks or the Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks or the Licenses to anyone on commercially reasonable terms, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks or, to the extent permitted, under the Licenses, to anyone on commercially reasonable terms, and (iv) take any other actions with respect to the Trademarks or the Licenses as the Lender deems in its best interests. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Obligations shall have been paid and satisfied in full in cash and the Security Agreement, the Credit Agreement and each of the other Loan Documents shall have terminated pursuant to the respective terms and provisions thereof. Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Lender under the Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

The Lender shall have, in addition to all other rights and remedies given it by the terms of this Agreement, the Security Agreement and any of the other Loan Documents, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted and in effect from time to time in any jurisdiction in which the Trademarks or the Licenses may be located or deemed located. Upon the occurrence and during the continuance of an Event of Default and the election by the Lender to exercise any of its remedies under Section 9-610 or Section 9-620 (or any successor provision) of the Uniform Commercial Code with respect to the Trademarks and Licenses, Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks and the Licenses to the Lender or any transferee of the Lender and to execute and deliver to the Lender or any such transferee all such agreements, documents and instruments as may be necessary, in the Lender's sole discretion, to effect such assignment, conveyance and transfer. All of the Lender's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by the Security Agreement, by any other agreements, by the Uniform Commercial Code or by other applicable law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and during the continuance of an Event of Default, the Lender may exercise any of the rights and remedies provided in this Agreement, the Security Agreement and any of the other Loan

Documents. Grantor agrees that any notification of intended disposition of any of the Trademarks and Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) Business Days before such disposition.

**16. Successors and Assigns.** This Agreement and all obligations of Grantor hereunder shall be binding upon the successors and assigns of Grantor and shall, together with the rights and remedies of the Lender hereunder, inure to the benefit of the Lender and its permitted successors and assigns.

**17. Notices.** Except as otherwise provided herein, whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give or serve upon any other party any other communication with respect to this Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given (and deemed to have been given) in the manner and to the respective addresses set forth in **Section 12.8** of the Credit Agreement. Failure or delay in delivering copies of any such notice, demand, request, consent, approval, declaration or other communication to any Persons designated in the Credit Agreement to receive copies shall in no way adversely affect the effectiveness of such notice, demand, request, consent, approval, declaration or other communication.

**18. CHOICE OF LAW. THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS TRADEMARK SECURITY AGREEMENT SHALL, PURSUANT TO NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401, BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS AND DECISIONS OF THE STATE OF NEW YORK.**

**19. Section Titles.** The section titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

**20. Execution in Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**21. Merger.** This Agreement and the Loan Documents represent the final agreement of Grantor and the Lender with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between Grantor and the Lender.
