Upon the occurrence of an Event of Default, Debtor agrees that Secured Party, or a conservator appointed by Secured Party, shall have the right to establish such additional product quality controls as Secured Party, or said conservator may deem necessary to assure maintenance of the quality of products sold by Debtor under the Trademarks.

12. Release of Security Agreement. This Security Agreement is made for collateral purposes only. This Security Agreement, the security interests created or granted hereby, and all obligations of Debtor hereunder shall terminate when the Obligations shall have been fully paid and satisfied and the Financing Agreements shall have been terminated. 13. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Debtor. All fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Secured Party in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid by Debtor and until paid shall constitute Obligations.

15. Rights Upon Default. In addition to any other rights that the Secured Party may have with respect to the Financing Agreements, from and after an Event of Default, Secured Party shall also have the right, but shall in no way be obligated, to bring suit in its own

name to enforce the Trademarks and, if Secured Party shall commence any such suit, Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement and Debtor shall promptly, upon demand, reimburse and indemnify Secured Party for all costs and expenses incurred by Secured Party in the exercise of its rights under this Section 15.

16. No Waiver; Amendments. Secured Party shall not, by any act, course of dealing, delay, omission or otherwise, be deemed to have waived any of its rights, powers, privileges or remedies hereunder. A waiver or partial waiver of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which Secured Party would otherwise have had on any future occasion. No amendment, modification, alteration, or waiver of the terms of this Security Agreement or consent required under the terms of this Security Agreement shall be effective unless made as specifically provided in Section 9 hereof or by a writing signed by the parties hereto. Any such amendment, modification, alteration, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

17. Appointment of Attorney-In-Fact. Debtor hereby irrevocably authorizes Secured Party upon the occurrence of an Event of Default, to constitute and appoint any officer or agent of Secured Party as Secured Party may select, in its sole discretion, with full power of substitution, as Debtor's true and lawful attorney-in-fact, with full irrevocable power and authority (i) to endorse Debtor's name on all applications, documents, papers and instruments necessary or desirable for Secured Party in the use of the Trademarks, (ii) to take any other actions with respect to the Trademarks as Secured Party deems to be in its best interest, (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Debtor hereby ratifies, to the extent permitted by law, all that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable until Debtor's Obligations shall have been paid in full and the Financing Agreements have been terminated.

18. Remedies; Effect on Financing Agreements. All of Secured Party's rights and remedies with respect to the Trademarks, whether established hereby or by the Financing Agreements, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Debtor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Secured Party under the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Secured Party shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the Financing Agreements, all rights and remedies allowed by law and the rights and remedies of a secured party under the UCC.

19. Binding Effect; Benefits. The provisions of this Security Agreement shall inure to the benefit of Secured Party, its successors, nominees and assigns, and be binding upon Debtor and its permitted successors and assigns.

20. Governing Law. This Security Agreement shall be governed by the internal laws of the State of Wisconsin. The parties hereto acknowledge that this Security

Agreement was negotiated with the assistance of their respective counsel and, accordingly, such laws shall be applied without reference to any rules of construction regarding the draftsman hereof.

21. Survival of Representations. All agreements, covenants, representations and warranties made herein shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Financing Agreements.

22. No Inconsistent Requirements. Debtor acknowledges that this Security Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms. To the extent that any provision of this Security Agreement conflicts with any provision of the Credit Agreement, the provision giving Secured Party greater rights or remedies shall govern, it being understood that the purpose of this Security Agreement is to add to, and not detract from, the rights granted to Security Party under the Credit Agreement.

23. Severability. Whenever possible, each provision of this Security Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Security Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Security Agreement to the fullest extent permitted by applicable law.

24. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Credit Agreement.

25. Recitals; Headings. The Recitals to this Security Agreement are true and correct and are hereby incorporated into this Security Agreement by reference.
