

GRANT OF TRADEMARK SECURITY INTEREST

WHEREAS, Environmental Systems Testing, Inc., a Delaware corporation ("**Grantor**"), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademarks (as defined below); and

WHEREAS, Grantor has entered into an Amended and Restated Credit Agreement dated as of December 12, 2003 (as amended, supplemented or otherwise modified from time to time, the "**Credit Agreement**") with, the banks, the financial institutions and other entities named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the "**Lenders**"), Credit Suisse First Boston ("**CSFB**"), as the Administrative Agent, Collateral Agent and Syndication Agent, pursuant to which Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Grantor; and

WHEREAS, pursuant to the terms of the Amended and Restated Security Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the "**Security Agreement**"), among Grantor, the Collateral Agent and the other grantors named therein, Grantor has agreed to create in favor of the Collateral Agent a secured and protected interest in, and the Collateral Agent has agreed to become a secured creditor with respect to, the Trademarks (as defined below):

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Credit Agreement and the Security Agreement, Grantor hereby grants to the Collateral Agent a security interest in and continuing lien on all of Grantor's right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired or arising and wherever located (the "**Trademark Collateral**"):

- (i) Trademarks set forth on Schedule A attached hereto together with;

- (iii) all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and Grantor shall be not deemed to have granted a security interest in, any of Grantor's rights or interests in any license, contract or agreement to which Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under such license, contract or agreement; provided, that immediately upon the ineffectiveness, waiver, lapse or termination of any such provision, the Trademark Collateral shall include, and Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provisions of this grant are deemed to conflict with the Security Agreement, the provision of the Security Agreement shall govern. Upon satisfaction of the debt which is the basis for this grant, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Trademarks acquired under this grant.
