WHEREAS, the Pledgor, the Agent and the Pledgees have entered into a Credit Facility Agreement dated November 29, 2002, as amended and restated dated January 21, 2003 (the "Credit Facility Agreement");

WHEREAS, the Pledgor has agreed to secure the Secured Obligations by, *inter alia*, a pledge in respect of Intellectual Property Rights;

NOW IT IS HEREBY AGREED:

Art. 1 Definitions and Interpretations of Defined Terms

1.1 In this Agreement:

"Agent" means the agent for the Secured Parties on the terms and conditions set out in this Agreement.

"Intellectual Property Rights" means any trademarks, any trademark application, any patents and any patent applications details of which are set out in Schedule 1 and from time to time:

curring solely or jointly and whether as principal, guarantor or as surety or in some other capacity) **provided that** the security constituted by this Agreement shall not include any liability or sum which would, but for this proviso, cause such security to be unlawful or prohibited by any applicable law.

"Secured Parties" means the financial institutions named in Schedule 2 hereto.

Art. 2 Pledge

- 2.1 As security for the due fulfillment of the Secured Obligations, the Pledgor herewith establishes a first ranking pledge over the Intellectual Property Rights in favour of the Secured Parties (the "Pledge").
- 2.2 If the law governing the Intellectual Property Rights is by mandatory law (ius cogens) any other law than Swiss law, and the applicable law requires any further documents, formalities or declarations or any other legal acts for the existence or creation of the Pledge, the Pledgor shall promptly, at its costs, do all such acts or execute or render all such documents, formalities or declarations.
- 2.3 If the law governing the Intellectual Property Rights is, by mandatory law (ius cogens) any other law than Swiss law, and the applicable law does not permit this Pledge hereunder, but allows to grant other rights over the Intellectual Property Rights which, in result, give comparative or similar rights to the Secured Parties over the Intellectual Property Rights, the Pledgor hereto grants to the Secured Parties such rights. In such case, the Pledgor, on the Agent's demand on behalf of the Secured Parties is obligated to execute all agreements, contracts or do all acts necessary for the existence of such rights on the Intellectual Property Rights as appropriate under the applicable law and shall assist the Secured Parties accordingly.

Art. 3 Agent

Each Secured Party shall be deemed to have appointed the Agent as its agent for all purposes of this Agreement (including the enforcement of the Pledge) and with full power and authority to act for and on behalf of such Secured Party under this Agreement.

Art. 4 Schedules, Amendment of the Agreement

- 4.1 All Schedules to this Agreement constitute an integral part hereof.
- 4.2 Any amendment of this Agreement including this Article 4 shall only be valid if in writing and signed by all parties hereto.

Art. 5 Costs and Expenses

The Pledgor shall bear all costs and expenses incurred by the Pledgor or the Agent in connection with this Agreement (including the costs and expenses for the perfection, maintenance and enforcement of the security created by this Agreement).

Art. 6 Governing Law and Jurisdiction

- 6.1 This Agreement and the security interest created hereby shall in all respects, including without limitation the creation of the Pledge as right *in rem*, be governed by and construed in accordance with the laws of Switzerland (without regard to conflict law rules).
- 6.2 All disputes arising out of or in connection with this Agreement shall be submitted to the jurisdiction of the ordinary courts of the Canton of Zurich, venue being Zurich 1. The submission to such jurisdiction shall not (and shall not be construed so as to) limit the right of the Agent and the Secured Parties or any of them to bring any legal action or proceedings with respect to this Agreement in any other competent jurisdiction.
