TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 18, 2003, is between **BARZELL WHITMORE MAROON BELLS, INC.**, a Florida corporation (the "Grantor"), and **MADISON CAPITAL FUNDING LLC**, as Agent under the Credit Agreement referred to below (in such capacity, the "Grantee").

RECITALS

WHEREAS, Grantor owns the Trademarks, Trademark registrations, and Trademark applications listed on Schedule 1 annexed hereto, and is a party to the Trademark licenses listed on Schedule 1 annexed hereto; and

WHEREAS, CIVCO Medical Instruments Co., Inc., an Iowa corporation and successor by merger to CMT Borrower, Inc., an Iowa corporation ("Borrower") has entered into that certain Credit Agreement dated as of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with Grantee, Merrill Lynch Capital, a division of Merrill Lynch Business Financial Services Inc., as Documentation Agent and a Lender, and the financial institutions that from time to time become parties thereto as "Lenders", providing for extensions of credit and other financial accommodations to be made to Borrower by Lenders; and

WHEREAS, Grantor is a wholly-owned subsidiary of Borrower and, as such, will derive significant economic benefit from the extension of credit and other financial accommodations to Borrower by Lenders; and

WHEREAS, pursuant to the terms of that certain Guarantee and Collateral Agreement dated as of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guarantee"), between Borrower, the other parties thereto as "Grantors" and Grantee, Grantor has granted to Grantee for the benefit of Agent and Lenders a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee), Trademark registrations, Trademark applications and Trademark licenses, together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of the "Secured Obligations" (as defined in the Guarantee);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (1) each Trademark, Trademark registration and Trademark application, including, without limitation, the Trademarks, Trademark registrations (together with any reissues,

continuations or extensions thereof) and Trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application;

(2) each Trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark license where Grantor is the licensor; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in Schedule 1 annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred in Schedule 1 and the Trademarks licensed under any Trademark license, or (b) injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark license.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Guarantee and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Guarantee. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[Remainder of page intentionally left blank; signature page follows.]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer as of the date first written above.
