

SECURITY AGREEMENT  
(Trademarks)

THIS SECURITY AGREEMENT (Trademarks) (the "Trademark Security Agreement") is made and dated this 17th day of February, 2004 by and between DISC INTELLECTUAL PROPERTIES, LLC, a California limited liability company (the "Pledgor"), and BANK OF AMERICA, N.A., a national banking association (the "Lender").

RECITALS

A. Pursuant to that certain Business Loan Agreement dated as of February 17, 2004 between Lender and GEP ADMINISTRATIVE SERVICES, INC. ("Borrower"), as amended, modified or waived, the "Credit Agreement", Lender extended or agreed to extend credit to or for the benefit of Borrower on the terms and conditions and subject to the conditions set forth therein.

B. In connection therewith, Pledgor agreed to guaranty Borrower's obligations to Lender and among other things, to execute and deliver in favor of Lender (i) that certain Security Agreement (Multiple Use) dated as of February 17, 2004 (as amended, modified or waived, the "Security Agreement") between Borrower and Lender, and (ii) certain supplemental documents, including, without limitation, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the above Recitals and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto hereby agree as follows:

AGREEMENT

1. Grant of Security Interest. As collateral security for the Indebtedness (as defined in the Security Agreement), Pledgor hereby mortgages, assigns, grants and conveys to the Lender, a security interest, pledge, assignment and mortgage in all of Pledgor's right, title and interest in the following (the "Trademark Collateral"):

(a) All now existing or hereafter created or acquired, trademarks, service marks, unregistered marks, logos, indicia, tradenames, tradestyles, other business identifiers and rights and works protectable by trademark whether now owned or hereafter, and, except to the extent prohibited by the terms thereof or by law, all agreements in respect of Trademarks owned by third parties, including, without limitation, the Trademarks specifically described on Schedule I attached hereto, as the same may be amended or replaced from time to time;

(b) All now existing and hereafter arising registrations and applications for registration relating to any of the foregoing, all renewals and extensions thereof throughout the world in perpetuity, and all rights to make such applications and to renew and extend the same;

(c) All now existing and hereafter arising rights and licenses to make, have made, use and/or sell the inventions disclosed and claimed by any of the foregoing;

(d) All now existing and hereafter arising right (but not the obligation) to register claims under any state, federal or foreign trademark law or regulation;

(e) All now existing and hereafter arising rights, claims and interests under licensing or other contracts pertaining to any of the foregoing;

(f) All now existing and hereafter arising goodwill symbolized by or associated with any of the foregoing;

(g) All now existing and hereafter arising right (but not the obligation) to sue or bring opposition or cancellation proceedings in the name of Lender for past, present and future infringements of any of the foregoing; and

(h) All products and proceeds of any of the foregoing.

2. Additional Representation and Warranty and Covenant. In addition to all representations and warranties, covenants and agreements set forth in the Security Agreement and any other documents, Pledgor hereby:

(a) Represents and warrants that Schedule I attached hereto sets forth an accurate and complete list of all trademarks owned by Pledgor which are registered with the United States Patent and Trademark Office (any and all trademarks so registered being the "Trademarks"); and

(b) Agrees promptly to notify Lender in writing of any additional Trademarks of which Pledgor becomes the owner, and to deliver to Lender an amended Schedule I reflecting such additional Trademarks. Lender is hereby authorized to cause such amended Schedule I to be filed and recorded in an amendment of this Trademark Security Agreement.

3. No Present Assignment. Neither the Credit Agreement, this Trademark Security Agreement, the Security Agreement nor any other document, instrument or agreement creates or is intended to create a present assignment of the Trademark Collateral. Subject to the rights of Lender, it is the intention of the parties hereto that Pledgor continue to own the Trademark Collateral.

4. Relationship to Other Documents. The Trademark Collateral shall constitute Collateral for all purposes of the Credit Agreement, the Security Agreement and the other documents executed in connection therewith and Lender shall have all rights, powers and remedies with respect to the Trademark Collateral to the same extent as it has with respect to other Collateral pursuant to the Security Agreement.

5. Miscellaneous.

(a) All covenants and other agreements contained in this Trademark Security Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns.

(b) Any provision of this Trademark Security Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

(c) Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any person, or which such person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such person.

(d) This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

(e) This Trademark Security Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.
