SUPPLEMENT NO. 1 dated as of August 28, 2003, to the Security Agreement dated as of June 6, 2002, among, TRIMAS COMPANY LLC, a Delaware limited liability company (the "Parent Borrower"), TRIMAS CORPORATION, a Delaware corporation ("Holdings"), each Subsidiary Term Borrower party to the Credit Agreement referred to below (the "Subsidiary Term Borrowers"), each of the other subsidiaries of the Borrower listed on Schedule I thereto (each such subsidiary and each Subsidiary Term Borrower individually a "Subsidiary Guarantor" and, collectively, the "Subsidiary Guarantors"; the Subsidiary Guarantors, Holdings and the Parent Borrower are referred to collectively herein as the "Grantors") and JPMORGAN CHASE BANK, a New York banking corporation ("JPMCB"), as collateral agent (in such capacity, the "Collateral Agent") for the Secured Parties (as defined herein).

A. Reference is made to (a) the Credit Agreement dated as of June 6, 2002 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Parent Borrower, Holdings, the Subsidiary Term Borrowers, the Foreign Subsidiary Borrowers party thereto, the lenders from time to time party thereto (the "Lenders"), JPMCB, as administrative agent for the Lenders (in such capacity, the "Administrative Agent"), Collateral Agent, swingline lender and issuing bank (in such capacity, the "Issuing Bank") and the other agent banks party thereto and (b) the Security Agreement dated as of June 6, 2002 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Subsidiary Security Agreement"), among the Parent Borrower, Holdings, the Subsidiary Term Borrowers party thereto, the other Subsidiary Guarantors and the Collateral Agent.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement and the Credit Agreement.

C. Pursuant to Section 4.04 of the Security Agreement, each Grantor authorizes the Collateral Agent, with prompt notice thereof to the Grantors, to supplement the Security Agreement by supplementing Schedule II, III, IV or V thereto or adding additional schedules thereto to specifically identify any asset or item that the Collateral Agent reasonably believes constitute Copyrights, Licenses, Patents or Trademarks. The Grantors have identified additional Copyrights, Licenses, Patents or Trademarks as set forth on the Schedules hereto. The undersigned Grantors are executing this Supplement in order to facilitate a supplemental filing to be made by the Collateral Agent with the United States Patent and Trademark Office.

Accordingly, the Collateral Agent and the Grantors agree as follows:

SECTION 1. (a) Schedule IV of the Security Agreement is hereby supplemented by the information set forth in Schedules 2 hereto.

(b) Schedule V of the Security Agreement is hereby supplemented by the information set forth in Schedule 3 hereto.

SECTION 2. This Supplement may be executed in two or more counterparts, each of which shall constitute an original, but all of which when taken together shall constitute but one contract. This Supplement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Grantor and the Collateral Agent and their respective successors and assigns, and shall inure to the benefit of such Grantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by the Security Agreement or the Credit Agreement. This Supplement shall be construed as a separate Supplement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder. Delivery of an executed signature page to this Supplement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Supplement.

SECTION 3. Each of the undersigned Grantors hereby represents and warrants that the information set forth on Schedule 2 and 3 hereto is true and correct

SECTION 4. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

SECTION 5. This supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 6. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7. All communications and notices hereunder shall be in

writing and given as provided in Section 6.01 of the Security Agreement. All communications and notices hereunder to the New Grantor shall be given to it in care of the Parent Borrower at the Parent Borrower's address as set forth in Section 10.01 of the Credit Agreement.

SECTION 8. The Grantors agree to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Collateral Agent.
