Continuation of Item No. 1 (Conveying Parties)

Comstock (Luxembourg) S.ar.l

Comstock Photofile, Ltd.

Execution Copy

**TRADEMARK ASSIGNMENT**

This Assignment is made on this 1st day of April, 2004 (the "Trademark Assignment") between Comstock, Inc., a Delaware corporation, Comstock (Luxembourg), S.ar.l and Comstock Photofile, Ltd. (collectively "Assignor"), and JupiterImages LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor owns all right, title, and interest in and to the trademarks and service marks listed on the attached Schedule A, all applications and registrations pertaining thereto, all common law rights and domain name rights associated therewith, together with all goodwill arising from the use of and symbolized by said trademarks (the "Trademarks");

WHEREAS, Assignee is a wholly owned subsidiary of JupiterMedia Corporation ("JupiterMedia"), and JupiterMedia and Comstock, Inc. are parties to that certain Asset Purchase Agreement, dated as of April 1, 2004 (the "Purchase Agreement"), pursuant to which Comstock, Inc. has agreed to sell, or cause to be sold, to Assignee the Purchased Assets (as defined in the Purchase Agreement) and all of Assignor's rights, title and interests therein, including without limitation all of Assignor's rights, title and interest in and to the Trademarks.

NOW, THEREFORE, pursuant to the terms and conditions of the Purchase Agreement, and for good and valuable consideration, including the provisions and covenants herein and therein, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor does hereby sell, grant, assign, transfer, and deliver to Assignee all of its rights, title and interests in and to the Trademarks, including without limitation the goodwill of the business appurtenant thereto and which is symbolized thereby, and the right to renew any trademark registration which shall issue from the applications included in the Trademarks, and the portion of the business of Assignor to which any intent to use application pertains, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as said rights would have been held and enjoyed by Assignors had this assignment and sale not been made, together with all claims for damage by reason of past or future infringement of said Trademarks with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

2. This Trademark Assignment shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of New York, without giving effect to the principles of conflicts of laws thereof.

3. In the event that any provision of this Trademark Assignment shall be construed to conflict with a provision of the Purchase Agreement, the provision in the Purchase Agreement shall be deemed controlling.

4. This Trademark Assignment may be executed simultaneously in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

5. Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and/or the appropriate empowered officials in relevant jurisdictions outside the United States to transfer all registrations and applications for the Trademarks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee all registrations which may issue with respect to any applications for a trademark or service mark included in the Trademarks, in accordance with this Trademark Assignment.

6. Assignor hereby agrees to execute such other documents and take such other actions as may be requested by Assignee to evidence more fully the transfer of ownership of the Trademarks to Assignee.

7. Assignor hereby appoints Assignee, with the full power of substitution therein, as its true and lawful attorney-in-fact for the limited purpose of executing such papers and performing such other proper acts as are reasonably necessary to secure to Assignee, or to its successors or assigns, the rights hereby transferred.

8. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Purchase Agreement.

-- signature page follows --

IN WITNESS WHEREOF, the undersigned have executed this Trademark Assignment on the date first written above.
