REPRESENTATIONS AND WARRANTIES

The Borrower and each of the Guarantors represents and warrants to the Post-Petition Administrative Agent and the Lenders that:

3.1. Title, Authorization, Validity and Enforceability. Except for intellectual property which the Borrower or any Guarantor has licensed from third parties, and except for equipment which the usage by the Borrower or any Guarantor is by way of a lease or usage agreement (the "Leased Equipment"), the Borrower and each of the Guarantors has good and valid rights in or the power to transfer the Collateral and title to the Collateral with respect to which it has purported to grant a security interest hereunder, free and clear of all Liens except for Liens permitted under Section 4.1.6, and has full power and authority to grant to the Post-Petition Administrative Agent the security interest in such Collateral pursuant hereto. As to such intellectual property, the Borrower and each Guarantor has assigned all of its rights, title and interest to the Post-Petition Administrative Agent, subject to the Borrower's or such Guarantor's right to make additional licenses of the same as its customary business

requires. And as to such Leased Equipment, the Borrower and each Guarantor has assigned all of its rights, title and interest to the Post-Petition Administrative Agent subject to the Borrower's or such Guarantor's ability to lease the same to third parties, so long as such leases are permitted under Section 6.13 of the Post-Petition Credit Agreement. The execution and delivery by the Borrower and the Guarantors of this Security Agreement has been duly authorized by proper corporate and limited liability company proceedings, as the case may be, and this Security Agreement constitutes a legal, valid and binding obligation of the Borrower and each of the Guarantors and creates a security interest which is enforceable against the Borrower in all now owned and hereafter acquired Collateral. Upon the entry of the Financing Orders, and if necessary, upon the filing of financing statements in the appropriate offices against the Borrower and the Guarantors in the locations listed on Exhibit "F", the Post-Petition Administrative Agent will have a fully perfected, valid and enforceable Enhanced Priority security interest in and Lien upon all right, title and interest of each of the Borrower and the Guarantors in and to the Collateral, subject only to Liens permitted under Section 4.1.6. With respect to Deluxe, upon (i) the filing of financing statements in the appropriate offices against Deluxe in the locations listed on Exhibit "F", (ii) the possession by the Post-Petition Administrative Agent of any certificates evidencing the securities pledged hereby, and (iii) the taking of control by the Post-Petition Administrative Agent, in each case as necessary, the Post-Petition Administrative Agent will have a fully perfected, valid and enforceable security interest in and Lien upon all right, title and interest of Deluxe in and to the Collateral, subject only to Liens permitted under Section 4.1.6.

3.2. Conflicting Laws and Contracts. Neither the execution and delivery by the Borrower and the Guarantors of this Security Agreement, the creation and perfection of the security interest in the Collateral granted hereunder, nor compliance with the terms and provisions hereof will violate any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the Borrower, the Guarantors, or the Borrower's or Guarantors' respective articles of organization, articles of incorporation, by-laws or operating agreement, the provisions of any indenture, instrument or agreement to which the Borrower or any Guarantor is a party or is subject, or by which it, or its property, is bound, or conflict with or constitute a default thereunder (other than the Pre-Petition Credit Agreement, certain provisions of the Collateral Documents as defined in the Pre-Petition Credit Agreement, and the indentures covering the Existing Bonds), or result in the creation or imposition of any Lien pursuant to the terms of any such indenture, instrument or agreement (other than any Lien of the Post-Petition Administrative Agent on behalf of the Lenders).

3.3. Type and Jurisdiction of Organization. The Borrower is a limited liability company organized under the laws of the State of Michigan. The Guarantors are corporations and limited liability companies, as the case may be, organized under the laws of the State of Michigan.

3.4. Principal Location. The Borrower's and the Guarantors' mailing address and the location of their respective places of business (if it has only one) or their respective chief executive office (if it has more than one place of business), are disclosed in Exhibit "A"; the Borrower and the Guarantors have no other places of business except those set forth in Exhibit "A".

3.5. Property Locations. The Inventory, Equipment and Fixtures are located solely at the locations described in Exhibit "A". All of said locations are owned by the Borrower or the Guarantors except for locations (i) which are leased by the Borrower or the Guarantors as lessee and designated in Part B of Exhibit "A" and (ii) at which Inventory is held in a public warehouse or is otherwise held by

a bailee or on consignment as designated in Part C of Exhibit "A", with respect to which Inventory the Borrower and the Guarantors have delivered bailment agreements, warehouse receipts, financing statements or other documents satisfactory to the Lenders to protect the Post-Petition Administrative Agent's and the Lenders' security interest in such Inventory.

3.6. No Other Names. Neither the Borrower nor any of the Guarantors have conducted business under any name except the name in which it has executed this Security Agreement, which is the exact name as it appears in the Borrower's and the Guarantors' organizational documents, as amended, as filed with the Borrower's and the Guarantors' respective jurisdictions of organization, and except as set forth in Exhibit "H".

3.7. No Default. No Default or Unmatured Default exists.

3.8. Accounts and Chattel Paper. The names of the obligors, amounts owing, due dates and other information with respect to the Accounts and Chattel Paper are and will be correctly stated in all records of the Borrower and the Guarantors relating thereto and in all invoices and reports with respect thereto furnished to the Post-Petition Administrative Agent by the Borrower and the Guarantors from time to time. As of the time when each Account or each item of Chattel Paper arises, the Borrower and each of the Guarantors shall be deemed to have represented and warranted that such Account or Chattel Paper, as the case may be, and all records relating thereto, are genuine and in all respects what they purport to be.

3.9. Filing Requirements. None of the Equipment is covered by any certificate of title, except for the vehicles described in Part A of Exhibit "B". None of the Collateral is of a type for which security interests or liens may be perfected by filing under any federal statute except for (i) the vehicles described in Part B of Exhibit "B" and (ii) patents, trademarks and copyrights held by the Borrower and the Guarantors and described in Part C of Exhibit "B". The legal description, county and street address of the property on which any Fixtures are located is set forth in Exhibit "C" together with the name and address of the record owner of each such property.

3.10. No Financing Statements. No financing statement describing all or any portion of the Collateral which has not lapsed or been terminated naming the Borrower or the Guarantors as debtor has been filed in any jurisdiction except (i) financing statements naming the Post-Petition Administrative Agent on behalf of the Lenders as the secured party, and (ii) as described in Exhibit "D".

3.11. Federal Employer Identification Number. The Borrower's and each of the Guarantor's Federal employer identification number is set forth in Exhibit "F".

3.12. State Organization Number. If the Borrower and each Guarantor is a registered organization, the Borrower's State organization number and each of the Guarantor's State organization number is set forth in Exhibit "F".

3.13. Pledged Securities and Other Investment Property. Exhibit "E" sets forth a complete and accurate list of the Instruments, Securities and other Investment Property delivered to the Post-Petition Administrative Agent. The Borrower and each of the Guarantors is the direct and beneficial

owner of each Instrument, Security and other type of Investment Property listed on Exhibit "E" as being owned by it, free and clear of any Liens, except for the security interest granted to the Post-Petition Administrative Agent for the benefit of the Lenders hereunder and except for existing Liens described in Exhibit "D". The Borrower and each of the Guarantors further represents and warrants that (i) all such Instruments, Securities or other types of Investment Property which are shares of stock in a corporation or ownership interests in a partnership or limited liability company have been (to the extent such concepts are relevant with respect to such Instrument, Security or other type of Investment Property) duly and validly issued, are fully paid and non-assessable and (ii) with respect to any certificates delivered to the Post-Petition Administrative Agent representing an ownership interest in a partnership or limited liability company, either such certificates are Securities as defined in Article 8 of the Uniform Commercial Code of the applicable jurisdiction as a result of actions by the issuer or otherwise, or, if such certificates are not Securities, the Borrower and the Guarantors have so informed the Post-Petition Administrative Agent so that the Post-Petition Administrative Agent may take steps to perfect its security interest therein as a General Intangible. Notwithstanding anything herein to the contrary, a pledge of any shares of foreign Subsidiaries shall be in accordance with local law requirements.

ARTICLE IV

4.1.7. Change in Corporate Existence, Type or Jurisdiction of Organization, Location, Name. The Borrower and each of the Guarantors will:

- (a) preserve its existence as a corporation or limited liability company as the case may be and not, in one transaction or a series of related transactions, merge into or consolidate with any other entity, or sell all or substantially all of its assets;
- (b) not change its state of organization;

change its name or taxpayer identification number or (iii) change its mailing address,

unless the Borrower and the Guarantors shall have given the Post-Petition Administrative Agent not less than 30 days' prior written notice of such event or occurrence and the Post-Petition Administrative Agent shall have either (x) determined that such event or occurrence will not adversely affect the validity, perfection or priority of the Post-Petition Administrative Agent's security interest in the Collateral, or (y) taken such steps (with the cooperation of the Borrower and the Guarantors to the extent necessary or advisable) as are necessary or advisable to properly maintain the validity, perfection and priority of the Post-Petition Administrative Agent's security interest in the Collateral.

4.1.8. Other Financing Statements. Neither the Borrower nor any of the Guarantors will sign or authorize the signing on its behalf or the filing of any financing statement naming it as debtor covering all or any portion of the Collateral, except as permitted by Section 4.1.6.

4.2. Receivables.

4.2.1. Certain Agreements on Receivables. Neither the Borrower nor any of the Guarantors will make or agree to make any discount, credit, rebate or other reduction in the original amount owing on a Receivable or accept in satisfaction of a Receivable less than the original amount thereof, except that, prior to the occurrence of a Default, the Borrower and the Guarantors may reduce the amount of Accounts arising from the sale of Inventory in accordance with its present policies and in the ordinary course of business.

4.2.2. Collection of Receivables. Except as otherwise provided in this Security Agreement, the Borrower and each of the Guarantors will collect and enforce, at the Borrower's and the Guarantors' expense, all amounts due or hereafter due to the Borrower and the Guarantors under the Receivables.

The Borrower and each of the Guarantors will (i) maintain fire and extended coverage insurance (including "all risk" and "all-hazard" coverage) on the Inventory and Equipment containing a lender's loss payable and mortgagee clause in favor of the Post-Petition Administrative Agent, on behalf of the Lenders, and providing that said insurance will not be terminated except after at least 30 days' written notice from the insurance company to the Post-Petition Administrative Agent, (ii) maintain business interruption, public liability and third-party property damage insurance for the Borrower and each Guarantor, and insurance against such other hazards or of such other types as is customary for Persons engaged in the same or similar business, in amounts and under policies reasonably acceptable to the Post-Petition Administrative Agent, in each case containing a lender's loss payable and mortgagee clause in favor of the Post-Petition Administrative Agent and providing that said insurance will not be terminated except after at least 30 days' written notice from the insurance company to the Post-Petition Administrative Agent and (iii) furnish to the Post-Petition Administrative Agent upon the request of the Post-Petition Administrative Agent from time to time the originals of all policies of insurance on the Collateral and certificates with respect to such insurance.

4.3.3. Titled Vehicles. The Borrower and each of the Guarantors will give the Post-Petition Administrative Agent notice of its acquisition of any vehicle covered by a certificate of title and deliver to the Post-Petition Administrative Agent, upon request, the original of any vehicle title certificate and do all things necessary to have the Lien of the Post-Petition Administrative Agent noted on any such certificate.

The Borrower and each of the Guarantors will (i) deliver to the Post-Petition Administrative Agent immediately upon execution of this Security Agreement the originals of all Chattel Paper, Securities and Instruments constituting Collateral (if any then exist), except for checks received by the Borrower or any Guarantor in the ordinary course of its business, (ii) hold in trust for the Post-Petition Administrative Agent upon receipt and immediately thereafter deliver to the Post-Petition Administrative Agent any Chattel Paper, Securities and Instruments constituting Collateral, except for checks received by the Borrower or any Guarantor in the ordinary course of its business, (iii) upon the designation of any Pledged Deposits (as set forth in the definition thereof), deliver to the Post-Petition Administrative Agent such Pledged Deposits which are evidenced by certificates included in the Collateral endorsed in blank, marked with such legends and assigned as the Post-Petition Administrative Agent shall specify, and (iv) upon the Post-Petition Administrative Agent's request, after the occurrence and during the continuance of a Default, deliver to the Post-Petition Administrative Agent (and thereafter hold in trust for the Post-Petition Administrative Agent upon receipt and immediately deliver to the Post-Petition Administrative Agent) any Document evidencing or constituting Collateral.

4.5. Uncertificated Securities and Certain Other Investment Property. The Borrower and each of the Guarantors will permit the Post-Petition Administrative Agent from time to time to cause the appropriate issuers (and, if held with a securities intermediary, such securities intermediary) of uncertificated securities or other types of Investment Property not represented by certificates which are Collateral to mark their books and records with the numbers and face amounts of all such uncertificated securities or other types of Investment Property not represented by certificates and all rollovers and replacements therefor to reflect the Lien of the Post-Petition Administrative Agent granted pursuant to this Security Agreement. 4.6. Stock and Other Ownership Interests.

4.6.1. Changes in Capital Structure of Issuers. Except as otherwise permitted under Section 6.14 of the Post-Petition Credit Agreement, the Borrower and each of the Guarantors will not (i) permit or suffer any issuer of privately held corporate securities or other ownership interests in a corporation, partnership, joint venture or limited liability company constituting Collateral to dissolve, liquidate, retire any of its capital stock or other Instruments or Securities evidencing ownership, reduce its capital or merge or consolidate with any other entity, or (ii) vote any of the Instruments, Securities or other Investment Property in favor of any of the foregoing.

4.6.2. Issuance of Additional Securities. Neither the Borrower nor any of the Guarantors will permit or suffer the issuer of privately held corporate securities or other ownership interests in a corporation, partnership, joint venture or limited liability company constituting Collateral to issue any such securities or other ownership interests, any right to receive the same or any right to receive earnings, except to the Borrower or the Guarantors.

4.6.3. Registration of Pledged Securities and other Investment Property. The Borrower and each of the Guarantors will permit any registerable Collateral to be registered in the name of the Post-Petition Administrative Agent or its nominee at any time at the option of the Post-Petition Administrative Agent.

4.6.4. Exercise of Rights in Pledged Securities and other Investment Property. The Borrower and each of the Guarantors will permit the Post-Petition Administrative Agent or its nominee at any time after the occurrence of a Default, without notice, to exercise all voting and corporate rights relating to the Collateral, including, without limitation, exchange, subscription or any other rights, privileges, or options pertaining to any corporate securities or other ownership interests or Investment Property in or of a corporation, partnership, joint venture or limited liability company constituting Collateral and the Stock Rights as if it were the absolute owner thereof.

4.7. Pledged Deposits. Neither the Borrower nor any of the Guarantors will withdraw all or any portion of any Pledged Deposit or fail to rollover said Pledged Deposit without the prior written consent of the Post-Petition Administrative Agent.

4.8. Deposit Accounts. The Borrower and each of the Guarantors will (i) upon the Post-Petition Administrative Agent's request, cause each bank or other financial institution in which it maintains (a) a Deposit Account to enter into a control agreement with the Post-Petition Administrative Agent, in form and substance satisfactory to the Post-Petition Administrative Agent in order to give the Post-Petition Administrative Agent Control of the Deposit Account or (b) other deposits (general or special, time or demand, provisional or final) to be notified of the security interest granted to the Post-Petition Administrative Agent hereunder and cause each such bank or other financial institution to acknowledge such notification in writing and (ii) upon the Post-Petition Administrative Agent's request, deliver to each such bank or other financial institution a letter, in form and substance acceptable to the Post-Petition Administrative Agent, transferring ownership of the Deposit Account to the Post-Petition Administrative Agent or transferring dominion and control over each such other deposit to the Post-Petition Administrative Agent. In the case of deposits maintained with Lenders, the terms of such letter shall be subject to the provisions of the Post-Petition Credit Agreement regarding setoffs.

4.9. Letter-of-Credit Rights. The Borrower and each of the Guarantors will upon the Post-Petition Administrative Agent's request, cause each issuer of a letter of credit, to consent to the assignment of proceeds of the letter of credit in order to give the Post-Petition Administrative Agent Control of the letter-of-credit rights to such letter of credit.

4.10. Federal, State or Municipal Claims. The Borrower and the Guarantors will notify the Post-Petition Administrative Agent of any Collateral which constitutes a claim against the United States government or any state or local government or any instrumentality or agency thereof, the assignment of which claim is restricted by federal, state or municipal law.

5.1.5. The occurrence of any "Default" under, and as defined in, the Post-Petition Credit Agreement.

5.1.6. Any limited partnership interests or ownership interests in a limited liability company which are included within the Collateral shall at any time constitute a Security or the issuer of any such interests shall take any action to have such interests treated as a Security unless (i) all certificates or other documents constituting such Security have been delivered to the Post-Petition Administrative Agent and such Security is properly defined as such under Article 8 of the Uniform Commercial Code of the applicable jurisdiction, whether as a result of actions by the issuer thereof or otherwise, or (ii) the Post-Petition Administrative Agent has entered into a control agreement with the issuer of such Security or with a securities intermediary relating to such Security and such Security is defined as such under Article 8 of the Uniform Commercial Code of the applicable jurisdiction, whether as a result of actions by the issuer thereof or otherwise.

Those rights and remedies available to a secured party under the Michigan UCC (whether or not the Michigan UCC applies to the affected Collateral) or under any other applicable law (including, without limitation, any law governing the exercise of a bank's right of setoff or bankers' lien) when a debtor is in default under a security agreement.

5.2.3. The Post-Petition Administrative Agent, on behalf of the secured parties, may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

If, after the Post-Petition Credit Agreement has terminated by its terms and all of the Obligations have been paid in full, there remain Rate Management Obligations outstanding, the Required Secured Parties may exercise the remedies provided in this Section 5.2 upon the occurrence of any event which would allow or require the termination or acceleration of any Rate Management Obligations pursuant to the terms of the agreement governing any Rate Management Transaction.

5.3. Debtor's Obligations Upon Default. Upon the request of the Post-Petition Administrative Agent after the occurrence of a Default, the Borrower and each of the Guarantors will:

ARTICLE VI

WAIVERS, AMENDMENTS AND REMEDIES

No delay or omission of the Post-Petition Administrative Agent or any Lender to exercise any right or remedy granted under this Security Agreement shall impair such right or remedy or be construed to be a waiver of any Default or an acquiescence therein, and any single or partial exercise of any such right or remedy shall not preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this Security Agreement whatsoever shall be valid unless in writing signed by the Post-Petition Administrative Agent with the concurrence or at the direction of the Lenders required under Section 8.2 of the Post-Petition Credit Agreement and then only to the extent in such writing specifically set forth. All rights and remedies contained in this Security Agreement or by law afforded shall be cumulative and all shall be available to the Post-Petition Administrative Agent and the Lenders until the Secured Obligations have been paid in full.

ARTICLE VII

PROCEEDS; COLLECTION OF RECEIVABLES

7.1. Lockboxes. Upon request of the Post-Petition Administrative Agent, the Borrower and the Guarantors shall execute and deliver to the Post-Petition Administrative Agent irrevocable lockbox agreements in the form provided by or otherwise acceptable to the Post-Petition Administrative Agent, which agreements shall be accompanied by an acknowledgment by the bank where the lockbox is located of the Lien of the Post-Petition Administrative Agent granted hereunder and of irrevocable instructions to wire all amounts collected therein to a special collateral account at the Post-Petition Administrative Agent. Deluxe shall not be obligated under this Section 7.1 until after the occurrence and during the continuance of a Default.

7.2. Collection of Receivables. The Post-Petition Administrative Agent may at any time in its sole discretion, by giving the Borrower and the Guarantors written notice, elect to require that the Receivables be paid directly to the Post-Petition Administrative Agent for the benefit of the Lenders. In such event, the Borrower and each of the Guarantors shall, and shall permit the Post-Petition Administrative Agent to, promptly notify the account debtors or obligors under the Receivables of the Lenders' interest therein and direct such account debtors or obligors to make payment of all amounts then or thereafter due under the Receivables directly to the Post-Petition Administrative Agent. Upon receipt of any such notice from the Post-Petition Administrative Agent, the Borrower and the Guarantors shall thereafter hold in trust for the Post-Petition Administrative Agent, on behalf of the Lenders, all amounts and proceeds received by it with respect to the Receivables and Other Collateral and immediately and at all times thereafter deliver to the Post-Petition Administrative Agent all such amounts and proceeds in the same form as so received, whether by cash, check, draft or otherwise, with any necessary endorsements. The Post-Petition Administrative Agent shall hold and apply funds so received as provided by the terms of Sections 7.3 and 7.4. Deluxe shall not be obligated under this Section 7.2 until after the occurrence and during the continuance of a Default.

7.3. Special Collateral Account. The Post-Petition Administrative Agent may require all cash proceeds of the Collateral to be deposited in a special non-interest bearing cash collateral account

with the Post-Petition Administrative Agent and held there as security for the Secured Obligations. The Borrower and the Guarantors shall have no control whatsoever over said cash collateral account. If no Default or Unmatured Default has occurred or is continuing, the Post-Petition Administrative Agent shall from time to time deposit the collected balances in said cash collateral account into the Borrower's or the Guarantors' general operating account with the Post-Petition Administrative Agent. If any Default or Unmatured Default has occurred and is continuing, the Post-Petition Administrative Agent may (and shall, at the direction of the Required Lenders), from time to time, apply the collected balances in said cash collateral account to the payment of the Secured Obligations whether or not the Secured Obligations shall then be due. Deluxe shall not be obligated under this Section 7.3 until after the occurrence and during the continuance of a Default.

7.4. Application of Proceeds. The proceeds of the Collateral shall be applied by the Post-Petition Administrative Agent to payment of the Secured Obligations in the following order unless a court of competent jurisdiction shall otherwise direct:

(a) FIRST, to payment of all costs and expenses of the Post-Petition Administrative Agent incurred in connection with the collection and enforcement of the Secured Obligations or of the security interest granted to the Post-Petition Administrative Agent pursuant to this Security Agreement;

(b) SECOND, to payment of that portion of the Secured Obligations constituting accrued and unpaid interest and fees, and net early termination payments then due and unpaid under Rate Management Transactions, pro rata among the Lenders and their Affiliates in accordance with the amount of such accrued and unpaid interest and fees and such net early termination payments owing to each of them;

(c) THIRD, to payment of the principal of the Secured Obligations then due and unpaid from the Borrower or the Guarantors to any of the Lenders or their Affiliates other than Rate Management Obligations, pro rata among the Lenders and their Affiliates in accordance with the amount of such principal then due and unpaid owing to each of them;

(d) FOURTH, to payment of any Secured Obligations including Rate Management Obligations (other than those listed above) pro rata among those parties to whom such Secured Obligations are due in accordance with the amounts owing to each of them; and

(e) FIFTH, the balance, if any, after all of the Secured Obligations have been satisfied, shall be deposited by the Post-Petition Administrative Agent into the Borrower's and or the Guarantors' general operating account with the Post-Petition Administrative Agent.

ARTICLE VIII

GENERAL PROVISIONS

8.1. Notice of Disposition of Collateral; Condition of Collateral. The Borrower and each of the Guarantors hereby waives notice of the time and place of any public sale or the time after which

any private sale or other disposition of all or any part of the Collateral may be made. To the extent such notice may not be waived under applicable law, any notice made shall be deemed reasonable if sent to the Borrower and the Guarantors addressed as set forth in Article IX, at least ten days prior to (i) the date of any such public sale or (ii) the time after which any such private sale or other disposition may be made. Post-Petition Administrative Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale.

8.2. Compromises and Collection of Collateral. The Borrower, each of the Guarantors and the Post-Petition Administrative Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to a Receivable. In view of the foregoing, the Borrower and each of the Guarantors agrees that the Post-Petition Administrative Agent may at any time and from time to time, if a Default has occurred and is continuing, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Post-Petition Administrative Agent in its sole discretion shall determine or abandon any Receivable, and any such action by the Post-Petition Administrative Agent shall be commercially reasonable so long as the Post-Petition Administrative Agent acts in good faith based on information known to it at the time it takes any such action.

8.3. Secured Party Performance of Debtor Obligations. Without having any obligation to do so, the Post-Petition Administrative Agent may perform or pay any obligation which the Borrower or any Guarantor has agreed to perform or pay in this Security Agreement and the Borrower and the each of the Guarantors shall reimburse the Post-Petition Administrative Agent for any amounts paid by the Post-Petition Administrative Agent pursuant to this Section 8.3. The Borrower's and each of the Guarantors' respective obligation to reimburse the Post-Petition Administrative Agent pursuant to the preceding sentence shall be a Secured Obligation payable on demand.

8.4. Authorization for Secured Party to Take Certain Action. The Borrower and each of the Guarantors irrevocably authorizes the Post-Petition Administrative Agent at any time and from time to time in the sole discretion of the Post-Petition Administrative Agent and appoints the Post-Petition Administrative Agent as its attorney in fact (i) to execute on behalf of the Borrower and the Guarantors as debtor and to file financing statements necessary or desirable in the Post-Petition Administrative Agent's sole discretion to perfect and to maintain the perfection and priority of the Post-Petition Administrative Agent's security interest in the Collateral, (ii) to indorse and collect any cash proceeds of the Collateral, (iii) to file a carbon, photographic or other reproduction of this Security Agreement or any financing statement with respect to the Collateral as a financing statement and to file any other financing statement or amendment of a financing statement (which does not add new collateral or add a debtor) in such offices as the Post-Petition Administrative Agent in its sole discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Post-Petition Administrative Agent's security interest in the Collateral, (iv) to contact and enter into one or more agreements with the issuers of uncertificated securities which are Collateral and which are Securities or with financial intermediaries holding other Investment Property as may be necessary or advisable to give the Post-Petition Administrative Agent Control over such Securities or other Investment Property, (v) subject to the terms of Section 4.1.5, to enforce payment of the Receivables in the name of the Post-Petition Administrative Agent, the Borrower or the Guarantors, (vi) to apply the proceeds of any

Collateral received by the Post-Petition Administrative Agent to the Secured Obligations as provided in Article VII and (vii) to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for such Liens as are specifically permitted hereunder), and the Borrower and each of the Guarantors agrees to reimburse the Post-Petition Administrative Agent on demand for any payment made or any expense incurred by the Post-Petition Administrative Agent in connection therewith, provided that this authorization shall not relieve the Borrower or the Guarantors of any of their respective obligations under this Security Agreement or under the Post-Petition Credit Agreement.

8.5. Specific Performance of Certain Covenants. The Borrower and each of the Guarantors acknowledges and agrees that a breach of any of the covenants contained in Sections 4.1.5, 4.1.6, 4.4, 5.3, or 8.7 or in Article VII will cause irreparable injury to the Post-Petition Administrative Agent and the Lenders, that the Post-Petition Administrative Agent and Lenders have no adequate remedy at law in respect of such breaches and therefore agrees, without limiting the right of the Post-Petition Administrative Agent or the Lenders to seek and obtain specific performance of other obligations of the Borrower and the Guarantors contained in this Security Agreement, that the covenants of the Borrower and the Guarantors contained in the Sections referred to in this Section 8.5 shall be specifically enforceable against the Borrower and the Guarantors.

8.6. Use and Possession of Certain Premises. Upon the occurrence of a Default, the Post-Petition Administrative Agent shall be entitled to occupy and use any premises owned or leased by the Borrower or the Guarantors where any of the Collateral or any records relating to the Collateral are located until the Secured Obligations are paid or the Collateral is removed therefrom, whichever first occurs, without any obligation to pay the Borrower or the Guarantors for such use and occupancy.

8.7. Dispositions Not Authorized. The Borrower and the Guarantors are not authorized to sell or otherwise dispose of the Collateral except as set forth in Section 4.1.5 and notwithstanding any course of dealing between the Borrower, the Guarantors and the Post-Petition Administrative Agent or other conduct of the Post-Petition Administrative Agent, no authorization to sell or otherwise dispose of the Collateral (except as set forth in Section 4.1.5) shall be binding upon the Post-Petition Administrative Agent or the Lenders unless such authorization is in writing signed by the Post-Petition Administrative Agent with the consent or at the direction of the Required Lenders.

8.8. Benefit of Agreement. The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of the Borrower, the Guarantors, the Post-Petition Administrative Agent and the Lenders and their respective successors and assigns (including all persons who become bound as a debtor to this Security Agreement), except that the Borrower and the Guarantors shall not have the right to assign their respective rights or delegate their respective obligations under this Security Agreement or any interest herein, without the prior written consent of the Post-Petition Administrative Agent.

8.9. Survival of Representations. All representations and warranties of the Borrower and the Guarantors contained in this Security Agreement shall survive the execution and delivery of this Security Agreement.

8.10. Taxes and Expenses. Any taxes (including income taxes) payable or ruled payable by Federal or State authority in respect of this Security Agreement shall be paid by the Borrower and the Guarantors, together with interest and penalties, if any. The Borrower and the Guarantors shall reimburse the Post-Petition Administrative Agent for any and all out-of-pocket expenses and internal charges (including reasonable attorneys', auditors' and accountants' fees and reasonable time charges of attorneys, paralegals, auditors and accountants who may be employees of the Post-Petition Administrative Agent) paid or incurred by the Post-Petition Administrative Agent in connection with the preparation, execution, delivery, administration, collection and enforcement of this Security Agreement and in the audit, analysis, administration, collection, preservation or sale of the Collateral (including the expenses and charges associated with any periodic or special audit of the Collateral). Any and all costs and expenses incurred by the Borrower and the Guarantors in the performance of actions required pursuant to the terms hereof shall be borne solely by the Borrower and the Guarantors.

8.11. Headings. The title of and section headings in this Security Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Security Agreement.

8.12. Termination. This Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until (i) the Post-Petition Credit Agreement has terminated pursuant to its express terms and (ii) all of the Secured Obligations have been indefeasibly paid and performed in full and no commitments of the Post-Petition Administrative Agent or the Lenders which would give rise to any Secured Obligations are outstanding.

8.13. Entire Agreement. This Security Agreement embodies the entire agreement and understanding between the Borrower, the Guarantors and the Post-Petition Administrative Agent relating to the Collateral and supersedes all prior agreements and understandings between the Borrower, the Guarantors and the Post-Petition Administrative Agent relating to the Collateral.

8.14. CHOICE OF LAW. THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS (AND NOT THE LAW OF CONFLICTS) OF THE STATE OF MICHIGAN, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

8.15. Distribution of Reports. The Borrower and each of the Guarantors authorizes the Post-Petition Administrative Agent, as the Post-Petition Administrative Agent may elect in its sole discretion, to discuss with and furnish to its affiliates and to the Lenders or to any other person or entity having an interest in the Secured Obligations (whether as a guarantor, pledgor of collateral, participant or otherwise) all financial statements, audit reports and other information pertaining to the Borrower, the Guarantors and their respective Subsidiaries whether such information was provided by the Borrower or the Guarantors or prepared or obtained by the Post-Petition Administrative Agent. Neither the Post-Petition Administrative Agent nor any of its employees, officers, directors or agents makes any representation or warranty regarding any audit reports or other analyses of the Borrower's, each of the Guarantor's and their respective Subsidiaries' condition which the Post-Petition Administrative Agent may in its sole discretion prepare and elect to distribute, nor shall the Post-Petition Administrative Agent or any of its employees, officers, directors or agents be liable to any

person or entity receiving a copy of such reports or analyses for any inaccuracy or omission contained in or relating thereto.

8.16. Indemnity. The Borrower and each of the Guarantors hereby agrees to indemnify the Post-Petition Administrative Agent and the Lenders, and their respective successors, assigns, agents and employees, from and against any and all liabilities, damages, penalties, suits, costs, and expenses of any kind and nature (including, without limitation, all expenses of litigation or preparation therefor whether or not the Post-Petition Administrative Agent or any Lender is a party thereto) imposed on, incurred by or asserted against the Post-Petition Administrative Agent or the Lenders, or their respective successors, assigns, agents and employees, in any way relating to or arising out of this Security Agreement, or the manufacture, purchase, acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any Collateral (including, without limitation, latent and other defects, whether or not discoverable by the Post-Petition Administrative Agent or the Lenders or the Borrower or the Guarantors, and any claim for patent, trademark or copyright infringement), excluding any such liabilities, damages, penalties, suits, costs, and expenses which result from the gross negligence or willful misconduct of the Post-Petition Administrative Agent or any Lender as finally determined by a court of competent jurisdiction.

COMMERCIAL TORT CLAIMS

The following claims sounding in tort, although some may be viewed as contractual in nature, are in litigation (claims which are not yet in litigation are not listed):

1. Litigation on behalf of Venture Holdings Corporation, as successor to Bailey Corporation ("Venture") against ITT Automotive, Inc. ("ITTA") alleging, among other things, that (a) ITTA misrepresented itself to Venture when it made statements to the effect that (i) it would deal fairly with Venture as to a price increase for the NS/GS part and (ii) it would extend its contract with Venture for the NS/GS part if Venture continued to produce and sell NS/GS parts to Venture. Venture Holdings Corporation v ITT Automotive, Inc., Case No. 98-003510-CK (Oakland County Circuit Court).
2. Litigation by Venture Industries Corporation, Vemco, Inc., Patent Holding Company and Larry J. Winget ("Plaintiffs") against Autoliv, ASP, Inc. and Autoliv, Inc. ("Defendants") alleging that Autoliv ASP, Inc. converted certain trade secrets of Plaintiffs to their own use and disseminated them to third parties. Venture Industries Corporation, Vemco, Inc., Patent Holding Company and Larry J. Winget v. Autoliv ASP, Inc. and Autoliv, Inc., Case No. 99-75354 and American Arbitration Case No. 14 133 02472 01.
3. Litigation by Siemens Financial Services GmbH against Venture Holdings Company LLC, claiming damages arising from first notice guarantee which Siemens required Venture to execute, on behalf of Peguform GmbH & Co KG, arising from Siemens and Peguform entering into a Receivables Purchase Agreement. Venture filed a third party action against Peguform for indemnification, alleging that if Venture should be found liable, it arises out of the action and default of Peguform and thus Peguform must indemnify Venture. Siemens Financial Services GmbH v Venture Holdings Company, LLC, Case No. 02-4315CK (Macomb Circuit Court).
4. The Dow Chemical Company v Venture Industries Corporation, Case No. 5228-CK-L (Midland Circuit Court). This lawsuit arises as a result of Venture Industries Corporation withholding payment on moneys invoiced by Dow Chemical Company. Venture Industries alleges it suffered damages due to improper and inadequate material and technical expertise supplied by Dow during the production of certain parts.
