GLOBAL INTELLECTUAL PROPERTY ASSIGNMENT

INTELLECTUAL PROPERTY ASSIGNMENT, dated as of November 13, 2003, by and among O-CEDAR BRANDS, INC., an Ohio corporation (the "Seller") and FREUDENBERG HOUSEHOLD PRODUCTS LP, a Delaware limited partnership ("Buyer").

W I T N E S S E T H:

WHEREAS, the Seller and the Buyer are parties to that certain Asset Purchase Agreement, dated as of October 8, 2003 (the "Asset Agreement"), wherein Seller agreed to transfer substantially all of Seller's assets to the Buyer, including, but not limited to Seller's intellectual property rights as specified in the Asset Agreement; and

WHEREAS, the Buyer wishes to acquire all right, title and interest of Seller in and to any and all of its Intellectual Property (as defined below).

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Buyer and Seller agree as follows:

1. Seller hereby sells, assigns, transfers and conveys to Buyer all of its right, title and interest in and to all Intellectual Property (as defined below), other than Intellectual Property that Seller has the right to use only by means of a license from a third party, associated with, relating to, arising out of, incorporated in, or concerning the Seller's business, including, without limitation:

(a) all United States and foreign patents and patent applications, continuations, divisionals, continuations-in-part, provisionals, reissues, reexamination, renewals thereof, including those listed on Schedule A hereto, and all income, royalties, damages and payments now and hereafter due and/or payable hereunder, including, without limitation, damages and payments for past and future infringements thereof (all of the foregoing are hereinafter individually and/or collectively referred to as the "Patents");

(b) all United States and foreign trademarks, service marks, trade names, company names, domain names, designs, trade dress, logos, emblems, signs, insignia, slogans and other similar designations of source or origin and general intangibles of like nature, together with the goodwill of the business symbolized by the foregoing, and registrations, applications and renewals thereof, including those listed on Schedule B hereto, and all income, royalties, damages and payments now and hereafter due and/or payable in connection therewith, including, without limitation, damages and payments for past and future infringements thereof (all of the foregoing are hereinafter individually and/or collectively referred to as the "Trademarks");

(c) all United States and foreign copyrightable works and copyrights, including without limitation moral rights and rights of attribution and integrity, copyrights in software and in the content contained on any web site, and all applications, registrations and the renewals thereof and all income, royalties, damages and payments now and hereafter due and/or payable under all such copyrights, including, without limitation, damages and payments for past

and future infringements thereof (all of the foregoing are hereinafter referred to as the "Copyrights"); and

(d) any proprietary knowledge, business information, know-how, business plans, financing and marketing information, technology, know-how, inventions, trade secrets, data, formulae, proprietary processes, algorithms, models, methodologies, information and client and customer information (all of the foregoing are hereinafter referred to as the "Trade Secrets"); (the Patents, Trademarks, Copyrights, Trade Secrets, Licenses, and any other intellectual property associated with, relating to, arising out of, incorporated in, or concerning the Seller's assets, collectively, the "Intellectual Property").

2. Seller hereby authorizes and requests that the Commissioner of Patents and Trademarks or the Register of Copyrights, as the case may be, of the United States issue and record the title in the name of Buyer as owner of all right, title and interest in and to the Patents, the Trademarks and the Copyrights.

3. This Assignment: (a) shall be binding on the parties and their respective successors and assigns; (b) shall be governed by and construed in accordance with the laws of the State of New York; and (c) may be executed in one or more counterparts, all of which shall be considered one and the same agreement.
