Notwithstanding the foregoing, Grantor may in the ordinary course of its business, without the prior consent of Lender, abandon or cease to maintain Collateral to the extent the Collateral is and shall not be necessary or economically desirable in the operation of Grantor's business, as determined in the reasonable business judgment of Grantor; provided that Lender receives a written notice from Grantor (i) identifying the Collateral abandoned or otherwise that has ceased to be maintained, and (ii) describing in detail why the Collateral was so abandoned or ceased to be maintained, including, without limitation, why the Collateral is no longer necessary or economically desirable to Grantor's business, within 15 days after such Collateral has been abandoned or ceased to be maintained.

- (A) This Agreement is made for collateral security purposes only and shall not subject the Lender to, or transfer or in any way affect or modify, any obligation or liability of the Grantor with respect to any of the Collateral or any transaction in connection therewith. This Agreement shall create a continuing security interest in the Collateral and shall terminate only when the Secured Liabilities have been paid in full in cash and the Financing Documents have been terminated. When this Agreement has terminated, Lender shall promptly execute and deliver to Grantor, at Grantor's expense, all termination statements and other instruments as may be necessary or proper to terminate Lender's security interest in the Collateral, subject to any disposition thereof which may have been made by Lender pursuant to this Agreement or the Financing Documents.
- (B) The Grantor agrees that, if at any time all or any part of any payment theretofore applied by the Lender to any of the Secured Liabilities is or must be rescinded or returned by the Lender for any reason whatsoever (including the insolvency, bankruptcy or reorganization of the Grantor or any of its affiliates), such Secured Liabilities shall, for the purposes of this Agreement, to the extent that such payment is or must be rescinded or returned, be deemed

to have continued in existence, notwithstanding such application by the Lender, and the security interest granted under this Agreement shall continue to be effective or be reinstated, as the case may be, as to such Secured Liabilities, all as though such application by the Lender had not been made.

(C) All rights of the Lender and the Security Interests, and all obligations of the Grantor hereunder, shall be absolute and unconditional, irrespective of:

(i) any lack of validity or enforceability of the Facility Letters, the other Financing Documents or any other agreement or instrument relating thereto;

(ii) any change in the time, manner, or place of payment of, or in any other term of, all or any of the Secured Liabilities or any other amendment or waiver of or any consent to any departure from the Facility Letters or the other Financing Documents;

(iii) any exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Liabilities; or

(iv) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Obligors or a third party grantor of a security interest.

(D) The Grantor covenants and agrees that:

(i) Grantor will not change its name, identity or corporate structure in any manner unless it shall have given the Lender not less than forty-five (45) days prior notice thereof and delivered an opinion of counsel with respect thereto in accordance with Section 4(k).

(ii) The Grantor will, from time to time, at its expense, execute, deliver, file and record any statement, assignment, instrument, document, agreement or other paper and take any other action (including any filings of financing or continuation statements under the UCC) that from time to time may be necessary or desirable, or that the Lender may reasonably request, in order to create, preserve, upgrade in rank (to the extent required hereby), perfect, confirm or validate the Security Interests or to enable the

Lender to obtain the full benefits of this Agreement, or to enable the Lender to exercise and enforce any of its rights, powers and remedies hereunder with respect to any of the Collateral. To the extent permitted by law, the Grantor hereby authorizes the Lender to execute and file financing statements or continuation statements without the Grantor's signature appearing thereon and to record this Agreement with the United States Patent and Trademark Office. The Grantor agrees that a carbon, photographic or other reproduction of this Agreement or of a financing statement is sufficient as a financing statement. The Grantor shall pay the costs of, or out-of-pocket costs incidental to, any recording or filing of any financing or continuation statements concerning the Collateral.

(E) The Grantor represents and warrants as follows:

(i) This Agreement creates a valid and perfected first priority security interest in the Collateral, securing the payment of the Secured Liabilities, and all filings and other actions necessary or desirable to perfect and protect such security interest have been duly taken.

(ii) No authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either (i) for the grant by the Grantor of the security interest granted hereby or for the execution, delivery or performance of this Agreement by the Grantor or (ii) for the perfection of or the exercise by the Lender of its rights and remedies hereunder.

(iii) It is a private limited company duly organized, validly existing and in good standing under the laws of its jurisdiction of formation, qualified to do business in all jurisdictions in which the nature of the business conducted by it makes such qualification necessary and where failure so to qualify would not have a material adverse effect on its financial condition, operations, prospects or business.

(iv) It is not in violation of any applicable law, which violations, individually or in the aggregate, would affect its performance of any obligation under this Agreement. There is no litigation before any court or governmental authority now pending or (to its knowledge after reasonable inquiry) threatened against it which, if adversely determined, could reasonably be expected to have a material adverse effect on its financial condition, operations, prospects or business as a whole, or ability to perform all its obligations under this Agreement.

(v) It is the holder of all governmental approvals, permits and licenses

required to permit it to enter into and perform its obligations under this Agreement.

(vi) None of the execution and delivery of this Agreement, the consummation of the transactions contemplated in this Agreement, or compliance with the terms and provisions of this Agreement will conflict with or result in a breach of, or require any consent under, its charter or bylaws, or any applicable law, or any agreement or instrument to which it is a party or by which it is bound or to which it or any of its respective assets are subject, or constitute a default under any such agreement or instrument.

Grantor further agrees to use its best efforts to maintain in full force and effect the Trademarks Collateral and Patent Collateral that are or shall be necessary or economically desirable in the operation of Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by Grantor. Lender shall not have any duty or obligation with respect to the Trademark Collateral or Patent Collateral. Without limiting the generality of the foregoing, Lender shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks Collateral or Patent Collateral against any other parties, but may do so at its option from and after the occurrence of an Event of Default or a default

under any of the Financing Documents, and all expenses incurred in connection therewith shall be for the sole account of Grantor and shall be added to the Secured Liabilities.

(B) The powers conferred on the Lender hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Lender shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which the Lender accords its own property, it being understood that the Lender shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehouseman, carrier, forwarding agency, consignee or other bailee selected by the Lender in good faith.

12. Lender's Right to Sue. From and after the occurrence of an Event of Default or a default under any of the Financing Documents, Lender shall have the right, but shall not be obligated, to bring suit in its own name or in the name of Grantor to enforce the Trademark Collateral or the Patent Collateral and to join Grantor in any such suits. If Lender shall commence any such suit, Grantor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement. Grantor shall, upon demand, promptly reimburse Lender for all costs and expenses incurred by Lender in the exercise of its rights under this paragraph 12 (including, without limitation, fees and expenses of attorneys and paralegals for Lender).

13. Waivers. Lender's failure, at any time or times hereafter, to require strict performance by Grantor of any provision of this Agreement shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith nor shall any course of dealing between Grantor and Lender have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of Grantor contained in this Agreement shall be deemed to have been suspended or waived by Lender unless such suspension or waiver is in writing signed by an officer of Lender and directed to Grantor specifying such suspension or waiver.

14. Severability. Whenever possible, each provision of this Agreement shall be

interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraphs 4, 5 and 7 hereof or by a writing signed by Grantor and Lender.
16. Cumulative Remedies; Power of Attorney; Deficiency; Application of Proceeds.
- (A) Grantor hereby irrevocably designates, constitutes and appoints Lender (and all Persons designated by Lender in its sole and absolute discretion) as Grantor's true and lawful attorney-in-fact, and authorizes Lender and any of Lender's designees, in Grantor's or Lender's name, to take any action and execute any instrument to the extent necessary to accomplish the purposes of this Agreement, including, without limitation, from and after the occurrence of an Event of Default or a default under any of the Financing Documents and the giving by Lender of notice to Grantor of Lender's intention to enforce its rights and claims against Grantor, to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Lender in the use of the Trademark Collateral or Patent Collateral, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademark Collateral or Patent Collateral to anyone, (iii) grant or issue any exclusive or nonexclusive license under the Trademark Collateral or Patent Collateral to anyone, and (v) take any other actions with respect to the Trademark Collateral or Patent Collateral as Lender deems in its best interest, including without limitation those provided in parts (B) and (C) of this paragraph 16. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Secured Liabilities shall have been paid in full in cash and the Financing Documents shall have been terminated. Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Facility Letters or any of the Financing Documents, but rather is intended to facilitate the exercise of such rights and remedies.
- (B) Grantor hereby grants to Lender a nonexclusive, royalty-free, worldwide right and license in, under and to each and every item of the Trademark Collateral and Patent Collateral, irrevocable until all Secured Liabilities

have been paid in full in cash and the Financing Documents have been terminated, to make, use, sell, offer for sale, import, export and otherwise fully exploit such Trademark Collateral and Patent Collateral, which right and license may be freely transferred, assigned or sublicensed by Lender subject to the terms and conditions of this Agreement and the Financing Documents. Lender covenants and agrees that it shall exercise its rights under the license granted under this paragraph, if it elects to exercise its rights, only if an Event of Default or a default under any of the Financing Documents shall have occurred and be continuing and only to the extent that required third-party consents, if any, have been obtained or obviated by applicable law. Upon notice from the Lender of its intention to exercise its rights under such license, Grantor shall transfer and deliver to Lender all materials necessary or convenient for Lender to exercise its rights under such license. Lender may solicit and employ or contract with any director, officer, employee, agent, or contractor of Grantor in order to exercise its rights under such license. Grantor has obtained or will use its best efforts to obtain any third-party consents necessary for Lender to exercise its rights under such license. At Lender's option, if an Event of Default or a default under any of the Financing Documents shall occur and be continuing, Lender shall be entitled to take and use, practice, license, or sell any and all items of the Trademark Collateral and Patent Collateral; and may direct Grantor to refrain, and Grantor if so instructed shall refrain, from using or practicing any and all items of the Trademark Collateral and Patent Collateral directly or indirectly, or otherwise exercising or exploiting any right, power, privilege, or immunity under any and all items of the Trademark Collateral and Patent Collateral.

- (C) Lender shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademark Collateral or the Patent Collateral may be located or deemed located or other applicable law. Upon the occurrence of an Event of Default or a default under any of the Financing Documents and the election by Lender to exercise any of its remedies under Part 6 of the Uniform Commercial Code, if applicable, or other similar remedies under other applicable law, with respect to the Trademark Collateral or Patent Collateral, Grantor agrees to assign, convey and otherwise transfer title in and to the Trademark Collateral and the Patent Collateral to Lender or any transferee of Lender and to execute and deliver to Lender or any such transferee all such agreements, documents and instruments as may be necessary, in Lender's sole discretion, to effect such assignment, conveyance and transfer. All of Lender's rights and remedies with respect to the Trademark Collateral and the Patent Collateral, whether established hereby, by the Facility Letters,

by the other Financing Documents, by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence of an Event of Default or a default under any of the Financing Documents, Lender may exercise any of the rights and remedies provided in this Agreement, in the Facility Letters, in any of the other Financing Documents, and at law or in equity.

- (D) Without limiting the obligations of the Grantor to pay the Secured Liabilities, if the Proceeds of sale, collection or other realization of or upon the Collateral pursuant to this paragraph 16 hereof are insufficient to cover the costs and expenses of such realization and the payment in full of the Secured Liabilities, the Grantor shall remain liable for any deficiency.
- (E) Except as otherwise required by law, the Proceeds of any collection, sale or other realization of all or any part of the Collateral pursuant hereto, and any other cash at the time held by the Lender under this paragraph 16, shall be applied by the Lender in its sole discretion.

17. Indemnity and Expenses. a) The Grantor hereby indemnifies the Lender from and against any and all claims, losses and liabilities growing out of or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except claims, losses or liabilities resulting from the Lender's gross negligence, willful misconduct or unlawful acts. **IT IS THE EXPRESS INTENTION OF THE GRANTOR THAT THE LENDER SHALL BE INDEMNIFIED AND HELD HARMLESS AGAINST ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DEFICIENCIES, JUDGMENTS OR EXPENSES ARISING OUT OF OR RESULTING FROM THE ORDINARY NEGLIGENCE (WHETHER SOLE OR CONTRIBUTORY) OF THE LENDER.**

b) Without duplication of the obligations of Grantor set forth in each Facility Letter and the other Financing Documents, the Grantor agrees to reimburse the Lender for all costs and expenses of the Lender, (including the reasonable fees and expenses of legal counsel) in connection with (i) the administration of this Agreement, (ii) the evaluation, appraisal, custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) any Event of Default and any enforcement or collection proceeding resulting therefrom, including all manner of participation in or other involvement with (1) performance by the Lender of any obligations of the Grantor in respect of the Collateral that the Grantor has failed or refused to perform, (2) bankruptcy, insolvency, receivership, foreclosure, winding up or liquidation proceedings, or any actual or attempted sale, or any exchange, enforcement, collection, compromise or settlement in respect of any of the Collateral, and for the care of the Collateral and defending or asserting rights and claims of the Lender in

respect thereof, by litigation or otherwise, (3) judicial or regulatory proceedings and (4) workout, restructuring or other negotiations or proceedings (whether or not the workout, restructuring or transaction contemplated thereby is consummated) and (iv) the enforcement of this paragraph 17, and all such costs and expenses shall be Secured Liabilities entitled to the benefits of the Collateral security provided pursuant to this Agreement. The Grantor agrees to pay interest on any sums payable to the Lender hereunder that are not paid when due at the lesser of (1) the Default Rate, and (2) a rate per annum equal to the highest rate allowed by law.

18. Successors and Assigns. This Agreement shall be binding upon Grantor and its successors and assigns, and shall inure to the benefit of Lender and its nominees, successors and assigns. Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in- possession of or for Grantor; provided, however, that Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without Lender's prior written consent. Any assignment or transfer in violation of this paragraph 18 shall be void and of no force or effect.
19. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Minnesota, United States of America, without regard to its conflict of laws provisions.
20. Notices.
  - (a) Any communication to be made under or in connection with this Agreement shall be made in writing and, unless otherwise stated, may be made by fax or letter. Lender may deliver any such communication by it to Grantor or to Grantor's parent, Medisys, in Lender's sole discretion, and such delivery will be deemed to have been made directly to Grantor.
  - (b) The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of Lender for any communication or document to be made or delivered under or in connection with this Agreement is that identified with its name at the beginning of the Term Loan Facility Letter or any substitute address, fax number or department or officer as Lender may notify Medisys or Grantor by not less than five Business Days' notice.
  - (c) The address of Grantor for any communication or document to be made or delivered under or in connection with this Agreement is either (a) 7301 Ohms Lane, Edina, Minnesota 55439, or (b) if to Medisys as permitted by this Agreement, 36 Linhope Street, London NW1 6UA or any of the United Kingdom address Medisys designates by notice to Lender. The fax number of Medisys and Grantor for any communication or document to be made or delivered under or in

connection with this Agreement is the fax number most recently provided to Lender by Medisys or Grantor.

(d) Any communication made or document made or delivered by one person to another under or in connection with this Agreement will only be effective:-

(i) if by way of fax, when received in legible form; or

(ii) if by way of letter, when it has been delivered to the relevant address or three Business Days (as defined in the Term Loan Facility Letter) after being deposited in the post postage prepaid in an envelope addressed to it at that address,

and, if a particular department or officer is specified as part of the address details referred to in paragraph 20(b) above, if addressed to that department or officer.

(e) Any communication or document to be made or delivered to Lender will be effective only when actually received by Lender and then only if it is expressly marked for the attention of the department or officer identified with its name above (or any substitute department or officer as Lender shall specify for this purpose). Any communication or document made or delivered to Grantor or Medisys in accordance with this paragraph 20 will be deemed to have been made or delivered to Grantor.

(f) Lender may rely upon any communication by telephone or fax purporting to be on behalf of Grantor by anyone notified to Lender as being authorized to do so, without enquiry by Lender as to authority or identity. Grantor agrees to indemnify Lender against any liability incurred or sustained by Lender as a result.

21. Survival of Representations and Warranties. All representations and warranties contained in this Agreement or made in writing by or on behalf of the Grantor in connection herewith shall survive the execution and delivery of this Agreement and repayment of the Secured Liabilities. Any investigation by the Lender shall not diminish in any respect whatsoever its rights to rely on such representations and warranties.
22. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

For the purposes of this paragraph, "Information" means all information received from the Grantor relating to the Patent Collateral and Trademark Collateral other than any such information that is available to the Lender on a nonconfidential basis prior to disclosure by the Grantor, *provided* that, in the case of information received from the Grantor after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this paragraph shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

24. Revolving Loan Covenants.
