TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of February 23, 2004, by Classic Cable, Inc., Friendship Cable of Texas, Inc., and Classic Communications, Inc. (collectively, "**Grantor**") and each Credit Party listed on Schedule I hereto (collectively, "**Original Credit Parties**," and, together with Grantor, "**Pledgors**"), in favor of **GOLDMAN SACHS CREDIT PARTNERS L.P.**, in its capacity as collateral agent for the Secured Parties (in such capacity, the "**Collateral Agent**") pursuant to the Pledge and Security Agreement (as defined below).

WITNESSETH:

WHEREAS, Pledgors are party to a Pledge and Security Agreement of even date herewith (the "**Pledge and Security Agreement**") in favor of the Collateral Agent for the Secured Parties pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent for the Secured Parties to enter into the Credit Agreement, the Pledgors hereby agree with the Collateral Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to the Collateral Agent for the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all:

- (a) Trademarks now existing or hereafter adopted or acquired in the United States including those referred to on Schedule II attached hereto;
- (b) Goodwill associated with such Trademarks; and
- (c) Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Pledge and Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Termination. Upon the full performance of the Secured Obligations (as defined in the Credit Agreement) (other than unmatured indemnification obligations), the Collateral Agent shall execute, acknowledge, and deliver to the Pledgors an instrument in writing in recordable form releasing the security interest in the Trademarks under the Pledge and Security Agreement and this Trademark Security Agreement.

SECTION 5. Applicable Law. This Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereof and, to the extent applicable, federal law.

SECTION 6. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized offer as of the date first set forth above.

Very truly yours,
