SECURITY AGREEMENT (TRADEMARKS)

SECURITY AGREEMENT (TRADEMARKS) (the "Agreement"), dated as August 2, 2004, made by the undersigned, MONROE SYSTEMS FOR BUSINESS, INC., a North Carolina corporation (the "Company"), to and in favor of WACHOVIA BANK, NATIONAL ASSOCIATION ("Lender"), pursuant to a certain Term Loan and Security Agreement, dated August 2, 2004, between the Company (among other parties identified as "Borrower" therein) and Lender (as it may be amended or modified from time to time, the "Loan Agreement"). **Capitalized terms used herein, but not expressly defined herein, shall have the meanings given to such terms in the Loan Agreement.**

WITNESSETH.

RECITALS

- A. The Company owns certain trademarks which are registered in, or applications for registration which have been filed in, the United States Patent and Trademark Office, all as more fully described on Schedule I attached hereto and by reference made part hereof; and
- B. The Lender proposes to make certain loans to the Company pursuant to the Loan Agreement, and
- C. Pursuant to the Loan Agreement, as security for the payment of the Obligations, the Company has granted to the Lender a security interest in the property described as "Collateral" therein, including, without limitation, all of the Company's Trademarks (as herein defined), whether presently existing or hereafter acquired or arising, or in which the Company now has or hereafter acquires rights and wherever located; and
- D. As a condition precedent to the extension of such financial accommodations pursuant to the Loan Agreement and in furtherance of the Loan Agreement, including, without limitation, for purposes of perfecting the security interests granted therein, the Lender has required that the Company grant to the Lender a security interest in the Property (as hereinafter defined);

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- 1. For purposes of this Agreement and in addition to terms defined elsewhere in this Agreement, the following terms shall have the meanings herein specified (such meaning to be equally applicable to both the singular and plural forms of the terms defined):

"Trademarks" means all of the following: (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof; including, without limitation, those listed on Schedule I attached hereto together with all the rights, benefits and privileges derived therefrom and the goodwill of the business symbolized thereby, (ii) all renewals thereof and (iii) all proceeds of the foregoing.

- 2. As security for all of the Obligations, the Company hereby grants and conveys a security interest to the Lender in all of its right, title and interest in, to and under the following (collectively, the "Property") each Trademark now or hereafter owned by the Company or in which the Company now has or hereafter acquires rights and wherever located and the goodwill of the business of the Company relating thereto or represented thereby, including, without limitation, each Trademark referred to in Schedule I hereto; and all

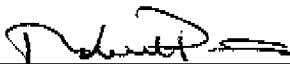

products and proceeds of the foregoing, including, without limitation, any claim by the Company against third parties for past, present or future infringement of any Trademark.

3. The Company does hereby further acknowledge and affirm that the representations, warranties and covenants of the Company with respect to the Property and the rights and remedies of the Lender with respect to the security interest in the Property made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
4. This Agreement shall terminate upon termination of the Loan Agreement. At any time and from time to time prior to such termination, the Lender may terminate its security interest in or reconvey to the Company any rights with respect to any or all of the Property. Upon termination of this Agreement and following a request from the Company, the Lender shall, at the expense of the Company, execute and deliver to the Company all deeds, assignments and other instruments as may be necessary or proper in the reasonable judgment of the Company in order to evidence such termination, subject to any disposition of the Property which may have been made by the Lender pursuant hereto or pursuant to the Loan Agreement.
5. If at any time before the termination of this Agreement in accordance with Section 4, the Company shall obtain or acquire rights to any new Trademark, the provisions of Section 2 shall automatically apply thereto and the Company shall comply with the terms of the Loan Agreement with respect to such new Trademark. The Company authorizes the Lender to modify this Agreement by amending Schedule 1 to include any future Trademarks covered by Section 2 or by this Section 5.
6. The Company further agrees that (a) the Lender shall not have any obligation or responsibility to protect or defend the Property and the Company shall at its own expense protect, defend and maintain the same in accordance with the terms and conditions set forth in the Loan Agreement, (b) the Company shall forthwith advise the Lender promptly in writing upon detection of infringements of any of the Property being used in the Company's business and (c) if the Company fails to comply with the requirements of the preceding clause (a), the Lender may do so in the Company's name or in its own name, after giving the Company at least five (5) Business Days' advance notice of its intent to do so, but in any case at the Company's expense, and the Company hereby agrees to reimburse the Lender for all expenses, including attorneys' fees, incurred by the Lender in protecting, defending and maintaining the Property.
7. This Agreement constitutes a Loan Document and shall be governed accordingly by those terms of the Loan Agreement applicable to "Loan Documents" generally.

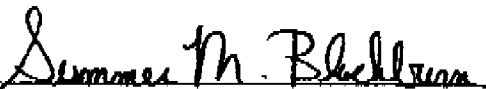

[Signatures on Following Pages]

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed under seal by its duly authorized officers as of the date first above written.
