I, Paul Hansen, as Chief Financial Officer of Esscentual Brands, LLC, do hereby attest to the following on behalf of Esscentual Brands, LLC:

By Trademark Assignment dated March 29, 2003 (enclosed herewith), Belae Brands, Inc., assigned to Esscentual Brands, LLC, among other things, all right, title and interest in and to the word mark "TROPICAL SECLUSION" together with the goodwill of the business symbolized by such mark, U.S. trademark application serial no. 76/433,329 for such mark, and all claims arising out of or relating to the use or ownership of such mark.

Although the March 29, 2003 Trademark Assignment properly identified the "TROPICAL SECLUSION" mark by name, it contained a typographical error which improperly identified the U.S. trademark application serial number as 76/443,329 instead of the proper serial number of 76/433,329.

The March 29, 2003 Trademark Assignment containing the typographical error described in the immediately preceding paragraph was submitted to and recorded by the Assignment Division of the U.S. Patent and Trademark Office on June 4, 2003 at Reel/Frame numbers 002747/0557 and has been recorded against U.S. trademark application serial number 76/443,329 for the word mark "EDELMAN."

Pursuant to the recordation cover sheet and the recordation fee enclosed herewith, Esscentual Brands, LLC respectfully requests that the original recordation no longer be associated with U.S. trademark application serial number 76/443,329 (for "EDELMAN") and be corrected such that it is now associated with U.S. trademark application serial number 76/433,329 (for "TROPICAL SECLUSION").
