TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "Agreement"), is made and entered as of December 23, 2004 by and between SERVICE NET SOLUTIONS, LLC, a Delaware limited liability company (the "Grantor"), and THE PRUDENTIAL INSURANCE COMPANY OF AMERICA, as collateral agent (hereinafter, in such capacity and together with its successors and assigns as permitted under the Securities Purchase Agreement, the "Collateral Agent") for THE PRUDENTIAL INSURANCE COMPANY OF AMERICA (together with its successors and assigns, "Prudential") and PRUDENTIAL RETIREMENT INSURANCE AND ANNUITY COMPANY (together with its successors and assigns, "PRIAC", and together with Prudential, the Collateral Agent and the holders from time to time of Senior Notes, the "Secured Parties"). All capitalized terms used herein without definitions shall have the respective meanings provided therefor in the Senior Note Agreement or the Securities Purchase Agreement (defined in the Senior Note Agreement), as the case may be.

WITNESSETH:

WHEREAS, Service Net Holdings, Inc., SN Acquisition Holdings, Inc. and Service Net Acquisition, LLC (collectively, the "Issuers") have entered into that certain Senior Note Agreement, dated as of the date hereof (as amended and in effect from time to time, the "Senior Note Agreement") with the Secured Parties on the signature pages thereto, pursuant to which Prudential and PRIAC, subject to the terms and conditions contained therein, has extended or will extend, certain financial accommodations to the Issuers;

WHEREAS, the Issuers, the Grantor and certain subsidiaries of the Grantor have entered into that certain Security Agreement, dated as of the date hereof (as amended and in effect from time to time, the "Security Agreement"), pursuant to which each of the Issuers, the Grantor and certain subsidiaries of the Grantor have granted a security interest in the Collateral (as such term is defined in the Security Agreement) in favor of the Secured Parties;

WHEREAS, the Grantor is the owner of certain trademarks and service marks more fully described in the Schedule annexed hereto and hereby made a part hereof and all signs and symbols associated therewith, together with the goodwill of the Grantor's business symbolized and represented by such trademarks and service marks (herein collectively the "Trademark Collateral"); and

WHEREAS, it is a condition precedent to Prudential and PRIAC extending certain financial accommodations to the Issuers under the Senior Note Agreement and certain of the other Senior Financing Documents that the Grantor execute and deliver to the Collateral Agent, for the benefit of the Secured Parties, a trademark security agreement in substantially the form hereof;

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. The Grantor hereby pledges and mortgages to the Collateral Agent, for the ratable benefit of the Secured Parties, and grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, all of its right, title and interest in and to the Trademark Collateral, together with all monies and claims for monies now or hereafter due or payable thereon or in respect thereof, to secure the payments and performances when due of all of the "Obligations" (as defined in the Senior Note Agreement).

2. Subject to the provisions of Paragraph 5 hereof, it is the intention of the parties that the Grantor continue to have the use of the Trademark Collateral, including without limitation the above-described trademarks and service marks and the goodwill of the business associated therewith and represented thereby to control the nature and quality of the goods manufactured and sold under said trademarks and service marks, and, upon the payment and performance in full of all of the Obligations and the termination of the Senior Note Agreement, the security interest of the Collateral Agent in the Trademark Collateral shall be released and thereafter the Collateral Agent shall no longer have any interest therein.

3. The Grantor will pay all filing fees with respect to the security interest created hereby that the Collateral Agent may deem necessary or advisable in order to perfect and continue perfected its security interest in the Trademark Collateral.

4. The Grantor represents and warrants that the Grantor lawfully possesses and owns the Trademark Collateral and that, except for the security interest in favor of the Collateral Agent granted hereby, the Trademark Collateral will be kept free from all liens, security interests, claims and encumbrances whatsoever; that the Grantor has not made or given any prior assignments or transfers of the Trademark Collateral or any prior security interests in the Trademark Collateral that have not been fully released; that the Trademark Collateral is and will continue to be, in all respects, in full force and effect; and that the Grantor has no knowledge of any infringements of the Trademark Collateral, except as expressly disclosed to the Collateral Agent.

5. If an Event of Default shall be in existence under the Senior Note Agreement, then the Grantor shall be in default hereunder and the Collateral Agent shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code and any other applicable state or federal laws. The Collateral Agent shall give the Grantor reasonable notice of the time and place of any public sale of the Trademark Collateral or the time after which any private sale of the Trademark Collateral or any other intended disposition thereof is to be made. Unless otherwise provided by law, the requirement of reasonable notice shall be met if such notice is mailed, postage prepaid, to the address of the Grantor shown herein at least 10 days before the date of such sale or disposition. In addition to the foregoing and all other rights and remedies of the Collateral Agent, during the existence of any default by the Grantor, the Collateral Agent shall thereupon have the immediate right to transfer to itself, the Secured Parties or any one of them, or to sell, assign and transfer to any other person:

A. all right, title and interest in and to the Trademark Collateral, including without limitation the trademarks and service marks specified in the Schedule, together

with the goodwill of the Grantor's business symbolized and associated with such trademarks and service marks; and

B. ownership of the Grantor's entire inventory of labels and decals not then affixed to its products and ownership of the right to operate and control the business under the marks specified in the Schedule.

A formal irrevocable power of attorney is being executed and delivered by the Grantor to the Collateral Agent concurrently with the execution of this Agreement to enable such rights to be carried out. The Grantor agrees that, in the event the Collateral Agent exercises said power in accordance with its terms, after written notification of such exercise from the Collateral Agent to the Grantor, unless the Collateral Agent shall otherwise consent, the Grantor shall never thereafter, without the written authorization of the owner or owners of the trademarks and service marks specified in the Schedule, use any of the marks specified in the Schedule or any mark closely similar thereto, on or in connection with the same or any closely related goods either in the United States of America, its territories or possessions or in countries outside the United States.

6. The proceeds of any such sale, transfer or disposition of the Trademark Collateral by the Collateral Agent shall be applied to the Obligations in the order provided in the Senior Note Agreement.

7. The Grantor shall execute and deliver to the Collateral Agent any further documentation or papers, and take all such other actions, as are necessary to carry out the intent or purpose of this Agreement, without any charge or expense to the Collateral Agent, the Secured Parties, the Issuer or the Arranger.

8. The Grantor shall defend at its own cost and expense any action, claims or proceeding affecting the Trademark Collateral or the interest of the Collateral Agent or the Secured Parties therein. The Grantor shall reimburse the Collateral Agent or the Secured Parties for all costs and expenses incurred by the Collateral Agent or the Secured Parties in defending any such action, claim or proceeding.

9. This Agreement shall be in addition to all other present and future instruments, documents and agreements between the Grantor and the Collateral Agent; it shall not be deemed to affect, modify or limit any of the same or any rights of the Collateral Agent thereunder, and all of the Collateral Agent's rights and remedies, hereunder, thereunder, at law or in equity are cumulative. It is further understood and agreed that, in the event of default, the Collateral Agent shall have no obligation to marshal any assets presently or hereafter pledged to the Collateral Agent or the Secured Parties by the Grantor, whether under this Agreement or otherwise.

10. Any provision hereof contrary to, prohibited by or invalid under, any laws or regulations shall be inapplicable and deemed omitted herefrom, but shall not invalidate the remaining provisions hereof.

11. The Grantor agrees that the validity, interpretation and enforcement of the

Agreement and all rights hereunder shall be governed by the internal laws of the State of New York and not its laws of conflicts of laws.
