NOTICE: Effective January 1, 2004

As a result of a change in State law, the annual report fee for most legal entities (including LLCs and LLPs) has increased to \$300. This fee is for the privilege of maintaining a legal entity's existence in Maryland, and is due and payable with the filing of the personal property return. The increase is effective for any return, regardless of year, filed after 12/31/2003.

There continues to be no annual report fee for non-stock corporations, business trusts, churches, foreign interstate companies, foreign insurance companies, sole proprietorships and general partnerships, but these entities must still file a personal property return annually.
