## TRADEMARK SECURITY AGREEMENT

**TRADEMARK SECURITY AGREEMENT**, dated as of February 10, 2005, by GFD Fabrics, Inc. (the "Pledgor"), in favor of General Electric Capital Corporation in its capacity as Collateral Agent (in such capacity, the "Collateral Agent") pursuant to the Credit Agreement.

### WITNESSETH:

WHEREAS, the Pledgor is a party to a Pledge and Security Agreement, dated as of May 26, 2004 (the "Security Agreement") in favor of the Collateral Agent pursuant to which the Pledgor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, the Pledgor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a security interest in and to all of its right, title and interest in, to and under all the following Collateral of the Pledgor:

(a) Trademarks of such Pledgor listed on Schedule I attached hereto; provided, however, that to the extent the security interest granted hereunder would cause the invalidation of any U.S. Trademark or service mark application which is the subject of the grant, such security interest shall not be effective against such trademark or service mark application, and the Collateral Agent shall not records its security interest in such trademark or service mark application, in each case until such time as a statement to allege use (or the equivalent) in respect thereof has been filed with, and accepted by, the United States Patent and Trademark Office;

(b) all goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the full performance of the Obligations, the Collateral Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

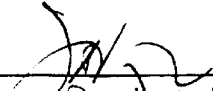

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall evidence but one instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of each such instrument.

[signature page follows]

IN WITNESS WHEREOF, the Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized offer as of the date first set forth above.

Very Truly Yours,

GFD Fabrics, Inc.
