W I T N E S S E T H :

WHEREAS, Borrower has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Exhibit A hereto and made a part hereof; and

WHEREAS, Borrower, Secured Party and Lenders have entered or are about to enter into financing arrangements pursuant to which Secured Party and Lenders may make loans and advances and provide other financial accommodations to Borrower as set forth in the CIT Financing Agreement, dated as of the date hereof, by and among Secured Party, Lenders and Borrower (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "CIT Financing Agreement") and other agreements, documents and instruments referred to therein or at any time executed and/or delivered in connection therewith or related thereto, including, but not limited to this Agreement (all of the foregoing, together with the CIT Financing Agreement, as the same now exist or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, being collectively referred to herein as the "Financing Agreements"). All capitalized terms used herein which are not otherwise defined herein, shall have the meaning ascribed thereto as set forth in the CIT Financing Agreement; and

WHEREAS, in order to induce Secured Party and Lenders to enter into the CIT Financing Agreement and the other Financing Agreements and to make loans and advances and provide other financial accommodations to Borrower pursuant thereto, Borrower has agreed to grant to Secured Party and Lenders certain collateral security as set forth herein;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby agrees as follows:

1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Borrower hereby grants to Secured Party and Lenders a continuing security interest in and a general lien upon, and a conditional assignment of, the following (being collectively referred to herein as the "Collateral"): (a) all of

Borrower's now existing or hereafter acquired right, title, and interest in and to: (i) all of Borrower's trademarks, trade names, trade styles and service marks and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks, terms, designs and applications described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to Borrower's use of any trademarks, trade names, trade styles and service marks, and all reissues, extensions, continuation and renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks"); and (ii) all prints and labels on which such trademarks, trade names, trade styles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements thereof; (e) all rights corresponding thereto throughout the world; and (f) any and all other proceeds of any of the foregoing, including, without limitation, damages and payments or claims by Borrower against third parties for past or future infringement of the Trademarks. Notwithstanding anything to the contrary contained in this paragraph, the types or items of Collateral described above in which the Borrower has granted a lien and security interest shall not include trademark or service mark applications that have been filed with the U.S. Patent and Trademark Office, or may be filed hereafter, on the basis of an "intent-to-use" with respect to such marks, unless and until a statement of use or amendment to allege use is filed or any other filing is made or circumstances otherwise change so that the interests of the Borrower in such marks are no longer on an "intent-to-use" basis, at which time such marks shall automatically and without further action by the parties be subject to the security interests and liens granted by the Borrower to Secured Party, on behalf of Lenders, hereunder.

2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Secured Party on behalf of Lenders pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all obligations, liabilities and indebtedness of every kind, nature and description owing by Borrower to Secured Party and Lenders and their respective affiliates, including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, whether arising under this Agreement, the CIT Financing Agreement, the other Financing Agreements or otherwise, whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the CIT Financing Agreement or after the commencement of any case with respect to Borrower under the United States Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts which would accrue and become due but for the commencement of such case, whether or not such amounts are allowed or allowable in whole or in part in such case), whether direct or indirect, absolute or contingent, joint or several, due or not due, primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by Secured Party and Lenders (all of the foregoing being collectively referred to herein as the "Obligations").

3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Borrower hereby represents, warrants and covenants with and to Secured Party and Lenders the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Borrower shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral is valid and subsisting in full force and effect, and Borrower owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder. Borrower shall, at Borrower's expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral consisting of registered Trademarks as registered trademarks and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any renewal affidavits and applications; provided, however, that upon Secured Party's consent, which will not be unreasonably withheld, Borrower shall not be required to maintain any Trademarks that it decides, in its commercially reasonable judgment, to abandon in the ordinary course of its business. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder and pursuant to the CIT Financing Agreement, (ii) the security interests permitted under the CIT Financing Agreement, and (iii) the licenses permitted under Section 3(e) below.

(c) Borrower shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except as otherwise permitted herein or in the CIT Financing Agreement. Nothing in this Agreement shall be deemed a consent by Secured Party or any Lender to any such action, except as such action is expressly permitted hereunder.

(d) Borrower shall, at Borrower's expense, promptly perform all acts and execute all documents requested at any time by Secured Party and Lenders to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Borrower hereby authorizes Secured Party on behalf of itself and Lenders to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party on behalf of itself and Lenders or as otherwise determined by Secured Party. Borrower further authorizes Secured Party to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office.

(e) As of the date hereof, Borrower does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Exhibit B hereto.

(f) Borrower shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party and Lenders hereunder.

(g) Secured Party, on behalf of itself and Lenders may, in its discretion, pay any amount or do any act which Borrower fails to pay or do as required hereunder or as requested by Secured Party and Lenders to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral, or the security interest and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses. Borrower shall be liable to Secured Party and Lenders for any such payment, which payment shall be deemed an advance by Secured Party and Lenders to Borrower, shall be payable on demand together with interest at the rate then applicable to the indebtedness of Borrowers to Secured Party and Lenders set forth in the Financing Agreements and shall be part of the Obligations secured hereby.

(h) Borrower shall notify Secured Party of its filing of any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States within ten (10) days of such filing. If, after the date hereof, Borrower shall (i) obtain any registered trademark or trade name, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark registrations or applications for trademark registration used in the United States or any State thereof, political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, Borrower shall promptly execute and deliver to Secured Party and Lenders any and all assignments, agreements, instruments, documents and such other papers as may be requested by Secured Party and Lenders to evidence the security interest in and conditional assignment of such Trademark in favor of Secured Party.

(i) Borrower has not abandoned any of the Trademarks and Borrower will not do any act, nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided, or avoidable. Borrower shall notify Secured Party and Lenders immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to the Trademarks may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) Borrower shall render any assistance as Secured Party shall determine is necessary to Secured Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks as Borrower's exclusive property and to protect Secured Party's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) To Borrower's knowledge, after due investigation, no material infringement or unauthorized use presently is being made of any of the Trademarks that would adversely affect in any material respect the fair market value of the Collateral or the benefits of this Agreement granted to Secured Party, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Secured Party and Lenders hereunder. Except for *Chattem, Inc. v. MUDD, LLC*, Opposition No. 91156478 before the U.S. Trademark Trial and Appeal Board regarding the trademark application for "OUR NAME IS MUDD", there has been no judgment holding any of the Trademarks invalid or unenforceable, in whole or part nor is the validity or enforceability of any of the Trademarks presently being questioned in any litigation or proceeding to which Borrower is a party. Borrower shall promptly notify Secured Party and Lenders if Borrower (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark. If requested by Secured Party, Borrower, at Borrower's expense, shall join with Secured Party in such action as Secured Party, in Secured Party's discretion, may deem advisable for the protection of Secured Party's and Lenders' interest in and to the Trademarks.

(l) Borrower assumes all responsibility and liability arising from the use of the Trademarks and Borrower hereby indemnifies and holds Secured Party and Lenders harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Borrower (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Borrower (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the CIT Financing Agreement.

(m) Borrower shall promptly pay Secured Party for any and all expenditures made by Secured Party on behalf of itself and Lenders pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the indebtedness of Borrowers to Secured Party and Lenders set forth in the CIT Financing Agreement and shall be part of the Obligations secured hereby.

4. EVENTS OF DEFAULT

All Obligations shall become immediately due and payable, without notice or demand, at the option of Secured Party, upon the occurrence of any Event of Default, as such term is defined in the CIT Financing Agreement (each an "Event of Default" hereunder).

5. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party and Lenders, whether provided under this Agreement, the CIT Financing Agreement, the other Financing Agreements, applicable law or otherwise, Secured Party and Lenders shall have the following rights and remedies which may be exercised

without notice to, or consent by, Borrower except as such notice or consent is expressly provided for hereunder:

(a) Secured Party and Lenders may require that neither Borrower nor any affiliate or subsidiary of Borrower make any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Secured Party and Lenders may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services in connection with enforcing any other security interest granted to Secured Party on behalf of itself and Lenders by Borrower or any subsidiary or affiliate of Borrower or for such other reason as Secured Party and Lenders may determine.

(b) Secured Party and Lenders may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party and Lenders shall in their discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party and Lenders may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Borrower of intended disposition of Collateral is required by law, the giving of five (5) days prior written notice to Borrower of any proposed disposition shall be deemed reasonable notice thereof and Borrower waives any other notice with respect thereto. Secured Party and Lenders shall have the power to buy the Collateral or any part thereof, and Secured Party and Lenders shall also have the power to execute assurances and perform all other acts which Secured Party and Lenders may, in their discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Borrower shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, Secured Party and Lenders may at any time execute and deliver on behalf of Borrower, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Borrower agrees to pay Secured Party and Lenders on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and reasonable attorneys' fees and legal expenses. Borrower agrees that Secured Party and Lenders have no obligation to preserve rights to the Trademarks against any other parties.

(e) Secured Party and Lenders may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party and Lenders. Thereafter, Secured Party and Lenders may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Borrower shall remain liable to Secured Party and Lenders for any of the Obligations remaining unpaid after the application of such proceeds, and Borrower shall pay Secured Party on demand any such unpaid amount, together with interest at the rate

then applicable to the indebtedness of Borrowers to Secured Party set forth in the CIT Financing Agreement.

(f) Borrower shall supply to Secured Party and Lenders or to Secured Party's designee, Borrower's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Borrower's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party and Lenders to take any such action at any time. All of Secured Party's and Lenders' rights and remedies, whether provided under this Agreement, the other Financing Agreements, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW

(a) The validity, interpretation and enforcement of this Agreement and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York but excluding any principles of conflicts of laws or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York.

(b) Borrower and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the Supreme Court of the State of New York, New York County and the United States District Court for the Southern District of New York, whichever Secured Party may elect and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Financing Agreements or in any way connected or related or incidental to the dealings of Borrower and Secured Party in respect of this Agreement or the other Financing Agreements or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party shall have the right to bring any action or proceeding against Borrower or its property in the courts of any other jurisdiction which Secured Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Borrower or its property).

(c) Borrower hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon Borrower in any other manner provided under the rules of any such courts. Within thirty (30) days after such service, Borrower shall appear in answer to such process, failing which Borrower shall be deemed in default and judgment may be entered by Secured Party against Borrower for the amount of the claim and other relief requested.

(d) BORROWER, SECURED PARTY AND LENDERS EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF BORROWER, SECURED PARTY AND LENDERS IN RESPECT OF THIS AGREEMENT OR ANY OF THE OTHER FINANCING AGREEMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NO EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. BORROWER, SECURED PARTY AND EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT BORROWER OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF BORROWER, SECURED PARTY AND LENDERS TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Secured Party and Lenders shall not have any liability to Borrower (whether in tort, contract, equity or otherwise) for losses suffered by Borrower in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Secured Party and Lenders that the losses were the result of acts or omissions constituting gross negligence or willful misconduct. In any such litigation, Secured Party and Lenders shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of this Agreement and the other Financing Agreements.

7. MISCELLANEOUS

(a) All notices, requests and demands hereunder shall be in writing and deemed to have been given or made: if delivered in person, immediately upon delivery; if by telex, telegram or facsimile transmission, immediately upon sending and upon confirmation of receipt; if by nationally recognized overnight courier service with instructions to deliver the next business day, one (1) business day after sending; and if by certified mail, return receipt requested, five (5) days after mailing. All references to Borrower, Secured Party, Lender and Borrower pursuant to the definitions set forth in the recitals hereto, or to any other person herein, shall include their respective successors and assigns. The words "hereof," "herein," "hereunder," "this Agreement" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not any particular provision of this Agreement and as this Agreement now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced. An Event of Default shall exist or continue or be continuing until such Event of Default is waived in accordance with Section 7(e) hereof. All references to the term "Person" or "person" herein shall mean any individual, sole proprietorship, partnership, corporation (including, without limitation, any corporation which elects subchapter S status under the Internal Revenue Code of 1986, as amended), limited liability company, limited liability partnership, business trust, unincorporated association, joint stock company, trust, joint venture or other entity or any government or any agency or instrumentality or political subdivision thereof.

(d) If any provision of this Agreement is held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate this Agreement as a whole, but this Agreement shall be construed as though it did not contain the particular provision held to be invalid or unenforceable and the rights and obligations of the parties shall be construed and enforced only to such extent as shall be permitted by applicable law.

(e) Neither this Agreement nor any provision hereof shall be amended, modified, waived or discharged orally or by course of conduct, but only by a written agreement signed by an authorized officer of Secured Party. Secured Party and Lenders shall not, by any act, delay, omission or otherwise be deemed to have expressly or impliedly waived any of its rights, powers and/or remedies unless such waiver shall be in writing and signed by an authorized officer of Secured Party. Any such waiver shall be enforceable only to the extent specifically set forth therein. A waiver by Secured Party and Lenders of any right, power and/or remedy on any one occasion shall not be construed as a bar to or waiver of any such right, power and/or remedy which Secured Party and Lenders would otherwise have on any future occasion, whether similar in kind or otherwise.

IN WITNESS WHEREOF, Borrower and Secured Party on behalf of itself and Lenders have executed this Agreement as of the day and year first above written.
