of the Marks. Any person may conclusively rely upon an affidavit of an officer of the Agent that an Event of Default has occurred and is continuing and that the Agent is authorized to exercise such rights and remedies.

8. Each Guarantor hereby irrevocably constitutes and designates the Agent as and for the such Guarantor's attorney in fact, effective with and upon the Agent's first exercise (the "First Exercise") of such powers following the occurrence and continuance of any Event of Default:

injunctions and/or money damages, in an effort by any Guarantor to protect the Marks against encroachment by third parties. All costs arising in connection with any infringement shall be borne by the Guarantors (jointly and severally).

11. Following the payment and satisfaction of all Liabilities (other than contingent indemnification obligations), and the termination of any obligation of the Agent and/or Lenders to provide loans or financial accommodations under the credit facility contemplated by the Loan Agreement, this Guarantor TM Security Agreement shall terminate and the Agent shall execute and deliver to Guarantors all such instruments as the Guarantors reasonably may request to release any encumbrance in favor of the Agent created hereby or pursuant hereto, *subject, however,* to any disposition thereof which may have been made by the Agent pursuant hereto or pursuant to the Loan Agreement.

12. Each Guarantor shall, at the request of the Agent, do any and all acts and execute any and all documents reasonably required by the Agent in connection with the protection, preservation, and enforcement of the Agent's rights hereunder.

13. Each Guarantor shall, upon demand, reimburse the Agent for all costs and expenses incurred by the Agent in the exercise of any rights hereunder (including, without limitation, reasonable fees and expenses of counsel).

14. Neither anything contained in the within Guarantor TM Security Agreement or in the Loan Agreement nor any act, omission, or circumstance may be construed as directly or indirectly conveying to the Agent any rights in and to the Marks, which rights are effective except following the occurrence and during the continuance of any Event of Default (and in such circumstances, only with and upon the First Exercise).

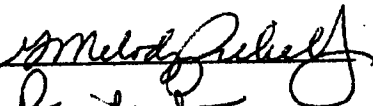

15. This Guarantor TM Security Agreement is intended to be supplemental of the Loan Agreement. All provisions of the Loan Agreement shall apply to the Marks and the Agent and Lenders shall have the same rights with respect to any and all security interests in the Marks granted the Agent and Lenders to secure the Liabilities hereunder as thereunder.
