This Intellectual Property Security Agreement (the "Agreement") is made and entered into as of June 8, 2005, by and among TD Security, Inc., a Delaware corporation (d/b/a/ Trust Digital, Inc.) (the "Debtor") and each of those persons and entities whose names are set forth on the Schedule of Purchasers attached hereto as Schedule 1 (which persons and entities are hereinafter collectively referred to as "Purchasers" or "Secured Parties" and each individually as a "Purchaser" or "Secured Party").

RECITALS

A. Each Note provides that the obligations thereunder shall be secured by the security interest contemplated by this Agreement.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

(e) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit C attached hereto (collectively, the "Trademarks");

(f) Any and all claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(g) All licenses or other rights to use any of the Copyrights, Patents or Trademarks, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

2. Covenants and Warranties. Grantor represents, warrants, covenants and agrees as follows:

(a) Grantor is now the sole owner of the Collateral, except for licenses granted by Grantor to its customers in the ordinary course of business;

(b) Except as set forth in the Schedule, Grantor's rights as a licensee of intellectual property do not give rise to more than five percent (5%) of its gross revenue in any given month, including without limitation revenue derived from the sale, licensing, rendering or disposition of any product or service;

(c) Performance of this Agreement does not conflict with or result in a breach of any agreement to which Grantor is party or by which Grantor is bound;

(d) During the term of this Agreement, Grantor will not transfer or otherwise encumber any interest in the Collateral, except for licenses granted by Grantor in the ordinary course of business or as set forth in this Agreement;

(f) Grantor shall deliver to the Secured Parties within thirty (30) days of the last day of each fiscal quarter, a report signed by Grantor, in form reasonably acceptable to Majority Purchasers (as defined in the Security Agreement), listing any applications or registrations that Grantor has made or filed in respect of any patents, copyrights or trademarks and the status of any outstanding applications or registrations. Grantor shall promptly advise the Secured Parties of any material change in the composition of the Collateral, including but not limited to any subsequent ownership right of the Grantor in or to any Trademark, Patent or Copyright not specified in this Agreement;

(g) Grantor shall (i) protect, defend and maintain the validity and enforceability of the Trademarks, Patents and Copyrights (ii) use its best efforts to detect infringements of the Trademarks, Patents and Copyrights and promptly advise the Secured Parties in writing of material infringements detected and (iii) not allow any Trademarks, Patents or Copyrights to be abandoned, forfeited or dedicated to the public without the written consent of the Majority Purchasers, which shall not be unreasonably withheld;

(h) Grantor shall register or cause to be registered (to the extent not already registered) with the United States Patent and Trademark Office or the United States Copyright Office, as the case may be, those-registerable intellectual property rights now owned or hereafter developed or acquired by Grantor to the extent that Grantor, in its reasonable business judgment, deems it appropriate to so protect such-intellectual property rights.

Grantor shall (i) give the Secured Parties not less than 30 days prior written notice of the filing of any applications or registrations with the United States Copyright Office, including the title of such intellectual property rights to be registered, as such title will appear on such applications or registrations, and the date such applications or registrations will be filed, and (ii) prior to the filing of any such applications or registrations, shall execute such documents as the Majority Purchasers may reasonably request for the Secured Parties to maintain its perfection in such intellectual property rights to be registered by Grantor, and upon the request of the Majority Purchasers, shall file such documents simultaneously with the filing of any such applications or registrations. Upon filing any such applications or registrations with the United States Copyright Office, Grantor shall promptly provide the Secured Parties with (i) a copy of such applications or registrations, without the exhibits, if any, thereto, (ii) evidence of the filing of any documents requested by the Majority Purchasers to be filed for the Secured Parties to maintain the perfection and priority of its security interest in such intellectual property rights, and (iii) the date of such filing.

(j) Each Secured Party may audit the Collateral to confirm compliance with this Section, provided such audit may not occur more often than twice per year, unless an Event of Default has occurred and is continuing.

(k) This Agreement creates, and in the case of after acquired Collateral, this Agreement will create at the time Grantor first has rights in such after acquired Collateral, in favor of the Secured Parties a valid and perfected first priority security interest in the Collateral in the United States securing the payment and performance of the obligations evidenced by the Loan Documents;

(n) Upon any executive officer of Grantor obtaining actual knowledge thereof, Grantor will promptly notify the Secured Parties in writing of any event that materially adversely affects the value of any Collateral, the ability of Grantor to dispose of any Collateral or the rights and remedies of the Secured Parties in relation thereto, including the levy of any legal process against any of the Collateral.

3. Secured Parties' Rights. The Secured Parties shall have the right, but not the obligation, to take, at Grantor's sole expense, any actions that Grantor is required under this Agreement to take but which Grantor fails to take, after fifteen (15) days' notice to Grantor. Grantor shall reimburse and indemnify the Secured Parties for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this Section 3. The security interests of the Secured Parties in the Collateral shall rank equally, notwithstanding the time of filing of their respective financing statements or other methods of perfection of such security interests. The Collateral shall be held for the ratable benefit of each Secured Party on a pari passu basis as security for the Obligations. Each Secured Party agrees that (a) any action to foreclose upon, collect, or dispose of all or any part of the Collateral may be taken by

any Secured Party only with the written consent of the Majority Purchasers, (b) any security interest or lien granted to any Secured Party with respect to the Collateral, or any part thereof, whether granted prior to, or on or after, the date of this Agreement, shall be deemed to be held by such Purchaser for the ratable benefit of all the Secured Parties pursuant to the terms of this Agreement, and (c) notwithstanding the relative priority or time of granting, creation, attachment or perfection under applicable law of any security interest or lien, if any, of any Secured Party, whether such security interest or lien shall arise now or hereafter be acquired, such security interest or lien shall be a security interest or lien in favor of all Secured Parties to secure the Obligations on a pari passu basis for the ratable benefit of the respective Secured Parties.

6. Events of Default. The occurrence of any of the following shall constitute an Event of Default under the Agreement:

(a) An Event of Default occurs under the Security Agreement, dated as of the date hereof, by and among the Debtor and the Secured Parties (the "Security Agreement"); or

(b) Grantor breaches any warranty or agreement made by Grantor in this Agreement and, as to any breach that is capable of cure, Grantor fails to cure such breach within five (5) days of the occurrence of such breach.

7. Remedies. Upon the occurrence and continuance of an Event of Default, the Secured Parties shall have the right to exercise all the remedies of a secured party under the Virginia Uniform Commercial Code, including without limitation the right to require Grantor to assemble the Collateral and any tangible property in which the Secured Parties have a security interest and to make it available to the Secured Parties at a place designated by the Majority Purchasers. Each Secured Party shall have a nonexclusive, royalty free license to use the Copyrights, Patents and Trademarks to the extent reasonably necessary to permit such Secured Party to exercise its rights and remedies upon the occurrence of an Event of Default. Grantor will pay any expenses (including reasonable attorneys' fees) incurred by each Secured Party in connection with the exercise of any of such Secured Party's rights hereunder, including without limitation any expense incurred in disposing of the Collateral. All of the Secured Parties' rights and remedies with respect to the Collateral shall be cumulative.

8. Indemnity. Grantor agrees to defend, indemnify and hold harmless the Secured Parties and their respective officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Agreement, and (b) all losses or expenses in any way suffered, incurred, or paid by the Secured Parties as a result of or in any way arising out of, following or consequential to transactions among the Secured Parties and Grantor, whether under this Agreement or otherwise (including without limitation reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of the Secured Parties' gross negligence or willful misconduct.

9. Course of Dealing. No course of dealing, nor any failure to exercise, nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

10. Attorneys' Fees. If any action relating to this Agreement is brought by either party hereto against the other party, the prevailing party shall be entitled to recover reasonable attorneys' fees, costs and disbursements.

11. Amendments. No provision of this Agreement may be amended, waived or modified or rights modified or released, other than by a document signed by Debtor and the Majority Purchasers.

12. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

13. Governing Law.

(a) This Agreement is governed by and shall be construed in accordance with the laws of the Commonwealth of Virginia, without reference to the conflicts of law provisions thereof except as required by mandatory provisions of law and to the extent the validity or perfection of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than Virginia.

(b) Debtor and each Secured Party hereby (i) submit to the non-exclusive jurisdiction of the courts of the Commonwealth of Virginia and the Federal courts of the United States sitting in the Commonwealth of Virginia for the purpose of any action or proceeding arising out of or relating to this Agreement or the other Loan Documents (as defined in the Security Agreement), (ii) agree that all claims in respect of any such action or proceeding may be heard and determined in such courts, (iii) irrevocably waive (to the extent permitted by applicable law) any objection which it now or hereafter may have to the laying of venue of any such action or proceeding brought in any of the foregoing courts, and any objection on the ground that any such action or proceeding in any such court has been brought in an inconvenient forum, and (iv) agree that a final judgment in any such action or proceeding shall be
