(a) Avnet, Inc. has opposed the EU trademark application to register the mark NET EXPRESS (Application No. 974824). Avnet's opposition was in response to our opposition of Avnet's application "AVNETEXPRESS." The parties are in the process of settlement negotiations.

(b) Focus Magazin Verlag GmbH ("FMV") has opposed the EU trademark application for the mark MICRO FOCUS (Application No. 515379). FMV alleged prior rights in Germany, a prior international registration, and fame of its mark. Based on Debtor's earlier Madrid Protocol registration for MICRO FOCUS (see WIPO registrations above), Merant plc lodged a cancellation action against FMV's registrations. These matters are proceeding.

(c) Focus Systems, Inc. has opposed the EU trademark application for the mark MICRO FOCUS (Application No. 515379). The parties are in the process of settling this matter and are working on a draft settlement agreement.

(d) Information Builders (Netherlands) B.V. has opposed the EU trademark application for the mark MICRO FOCUS (Application No. 515379). Merant plc and Information Builders have a settlement agreement in place. The parties are working toward settlement of this particular matter within the framework of the earlier settlement agreement.

(e) SCI-Systemas, Computação e Informatica S/A ("SCI") has opposed the Brazilian application for the mark MICRO FOCUS (Application No. 821100998). The opposition is pending. However, in connection with settlement discussions between SCI and DTS (a distributor for the MICRO FOCUS business in Brazil) regarding SCI's trademark infringement claim against DTS for use of the trademark MICRO FOCUS (which is registered in Brazil by SCI), SCI suggested selling its rights to the MICRO FOCUS mark to Merant. The settlement agreement and necessary trademark transfer documentation and judicial/administrative petitions have been drafted and are being negotiated by the parties.

(b) Focus Magazin Verlag GmbH ("FMV") has opposed the EU trademark application for the mark MICRO FOCUS (Application No. 515379). FMV alleged prior rights in Germany, a prior international registration, and fame of its mark. Based on Debtor's earlier Madrid Protocol registration for MICRO FOCUS (see WIPO registrations above), Merant plc lodged a cancellation action against FMV's registrations. These matters are proceeding.

(c) Eocus Systems, Inc. has opposed the EU trademark application for the mark MICRO FOCUS (Application No. 515379). The parties are in the process of settling this matter and are working on a draft settlement agreement.

(d) Information Builders (Netherlands) B.V. has opposed the EU trademark application for the mark MICRO FOCUS (Application No. 515379). Merant plc and Information Builders have a settlement agreement in place. (e) SCI-Systemas, Computação e Informatica S/A ("SCI") has opposed the Brazilian application for the mark MICRO FOCUS (Application No. 821100998). The opposition is pending. However, in connection with settlement discussions between SCI and DTS (a distributor for the MICRO FOCUS business in Brazil) regarding SCI's trademark infringement claim against DTS for use of the trademark MICRO FOCUS (which is registered in Brazil by SCI), SCI suggested selling its rights to the MICRO FOCUS mark to Merant. The settlement agreement and necessary trademark transfer documentation and judicial/administrative petitions have been drafted and are being negotiated by the parties.

TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 21st day of October, 2004, among the Grantor(s) listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and WELLS FARGO FOOTHILL, INC., in its capacity as Agent for the Lender Group and the Bank Product Providers (together with its successors, "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of October 21, 2004 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") among Micro Focus International Limited, a company organized under the laws of the Cayman Islands ("Parent"), Micro Focus Group Holdings, an Irish unlimited company ("Micro Focus (Ireland)") each of Micro Focus (Ireland)'s Affiliates and Subsidiaries identified as borrowers on the signature pages thereof (such Affiliates and Subsidiaries, together with Micro Focus (Ireland) are referred to hereinafter a "Borrower" and individually and collectively, jointly and severally, as the "Borrower"), the lenders party thereto as "Lenders" ("Lenders") and Agent, the Lender Group is willing to make certain financial accommodations available to Borrower pursuant to the terms and conditions thereof; and

WHEREAS, the members of the Lender Group are willing to make the financial accommodations to Borrower as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of Lender Group and the Bank Product Providers, that certain Security Agreement dated as of October 21, 2004 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of Lender Group and the Bank Product Providers, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent (in the case of each Grantor incorporated in Ireland, as beneficial owner), for the benefit of the Lender Group and the Bank Product Providers, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all modifications, reissues, continuations, or extensions, or renewals, of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lender Group and the Bank Product Providers, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section 4, Grantors hereby authorize Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

5. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 21st day of October, 2004, among the Grantor(s) listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and WELLS FARGO FOOTHILL, INC., in its capacity as Agent for the Lender Group and the Bank Product Providers (together with its successors, "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of October 21, 2004 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") among Micro Focus International Limited, a company organized under the laws of the Cayman Islands ("Parent"), Micro Focus Group Holdings, an Irish unlimited company ("Micro Focus (Ireland)") each of Micro Focus (Ireland)'s Affiliates and Subsidiaries identified as borrowers on the signature pages thereof (such Affiliates and Subsidiaries, together with Micro Focus (Ireland) are referred to hereinafter a "Borrower" and individually and collectively, jointly and severally, as the "Borrower"), the lenders party thereto as "Lenders" ("Lenders") and Agent, the Lender Group is willing to make certain financial accommodations available to Borrower pursuant to the terms and conditions thereof; and

WHEREAS, the members of the Lender Group are willing to make the financial accommodations to Borrower as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of Lender Group and the Bank Product Providers, that certain Security Agreement dated as of October 21, 2004 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of Lender Group and the Bank Product Providers, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent (in the case of each Grantor incorporated in Ireland, as beneficial owner), for the benefit of the Lender Group and the Bank Product Providers, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all modifications, reissues, continuations, or extensions, or renewals, of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lender Group and the Bank Product Providers, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section 4, Grantors hereby authorize Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

5. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.
