The Grantors agree that, with respect to all items of the Collateral which they are or shall hereafter be obligated to deliver to the Lender, until so delivered such items shall be held by the Grantors in trust for the benefit of the Lender and be segregated from the other Property of the Grantors.

(g) Accounts. Except as otherwise provided in this Section 4(g), the Grantors shall continue to collect in accordance with their respective

The Grantors shall not abandon any right to file an application or any pending application for any Trademark or Patent unless the failure so to do could not reasonably be expected to have a material adverse effect on the value of the Trademarks or the Patents, as the case may be, taken as a whole. The Grantors will comply in all material respects with the terms and conditions of each Trademark License, and will not surrender or consent to the cancellation of any such Trademark License without the consent of the Lender.

(i) exercise any and all rights and remedies granted to a Secured Party by the UCC or otherwise allowed at law, and otherwise provided by this Agreement, and

(ii) dispose of the Collateral as it may choose, so long as every aspect of the disposition including the method, manner, time, place and terms are commercially reasonable, and the Grantors agree that, without limitation, the following are each commercially reasonable: the Lender shall not in any event be required to give more than 14 days' prior notice to the Grantors of any such disposition, any place within the City of New York or the County of Fairfield, Connecticut may be designated by the Lender for disposition, and the Lender may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(b) The Grantors acknowledge and agree that the Lender may elect, with respect to the offer or sale of any or all of the Equity Interests constituting the Collateral, to conduct such offer and sale in such a manner as to avoid the need for registration or qualification of such Equity Interests or the offer and sale thereof under any Federal or state securities laws and that the Lender is authorized to comply with any limitation or restriction in connection with such sale as counsel may advise the Lender is reasonably necessary in order to avoid any violation of applicable law, compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that such prospective bidders and purchasers have certain qualifications, and restrict such prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of such Equity Interests, or in order to obtain any required approval of the sale or of the purchaser by any Governmental Authority. The Grantors further acknowledge and agree that any such transaction may be at prices and on terms less favorable than those which may be obtained through a public sale and not subject to such restrictions and agrees that, notwithstanding the foregoing, the Lender is under no obligation to conduct any such public sale and may elect to impose any or all of the foregoing restrictions, or any other restrictions which may be reasonably necessary in order to avoid any such registration or qualification, at its sole discretion, and that any

such offer and sale so conducted shall be deemed to have been made in a commercially reasonable manner.

(c) To the extent permitted by law, the Grantors hereby expressly waive and covenant not to assert any appraisal, valuation, stay, extension, redemption or similar laws, now or at any time hereafter in force, which might delay, prevent or otherwise impede the performance or enforcement of this Agreement.

Section 8. Voting

Notwithstanding anything to the contrary contained in this Agreement, the Grantors shall have the right to vote all Securities and General Intangibles constituting the Collateral and receive and retain all dividends and distributions thereon until such time, if any, as an Event of Default shall have occurred and be continuing and the Lender shall have notified the Grantors that the Lender shall have elected to terminate the rights of the Grantors under this Section, at which time the Lender shall then be vested with the right to vote all Securities constituting the Collateral and receive and retain all dividends and distributions thereon, until such time as such Event of Default is cured or waived.

Section 9. Notices

All notices and other communications provided for or otherwise required hereunder or in connection herewith shall be given in the manner and, with respect to the Borrower and the Lender, to the addresses set forth in Section 10.2 of the Credit Agreement. Section 10. Additional Grantors

Section 8.9 of the Credit Agreement requires, upon the terms and conditions set forth therein, that each Subsidiary of the Borrower that was not in existence on the Effective Date enter into the Guaranty as an additional Guarantor and enter into this Agreement as an additional Grantor. Upon execution and delivery by the Lender and any such Subsidiary of a Supplement, together with completed Schedules hereto with respect to such Subsidiary, and such UCC Financing Statements and other documents as the Lender shall require in order to perfect the Lender's security interest granted thereby, such Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such Supplement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

Section 11. Termination

On any date upon which (i) the Lender shall no longer have any obligation to make any Revolving Credit Loans or issue any Letters of Credit, and (ii) the Obligations shall have been indefeasibly paid in full in cash, the Liens granted hereby shall cease and the Lender shall, at the Grantors' expense, execute and deliver all UCC Termination Statements and releases of its security interest in the Patents and Trademarks which the Grantors shall have reasonably requested, and return to the Grantors all Collateral which shall remain in the possession of the Lender at such time.

Section 12. Relationship to Credit Agreement

This Agreement is the "*Security Agreement*" under, and as such term is defined in, the Credit Agreement, and is subject to, and should be construed in accordance with, the provisions thereof. Each of the Lender and the Grantors acknowledges that certain provisions of the Credit Agreement, Sections 1.2 (Other Definitional Provisions), 3.9 (Taxes), 3.10 (Grossing up of Payments), 10.1 (Amendments and Waivers), 10.3 (No Waiver; Cumulative Remedies), 10.4 (Survival of Representations and Warranties and Certain Obligations), 10.7 (Counterparts), 10.9 (Construction), 10.10 (Governing Law), 10.11 (Headings Descriptive), 10.12 (Severability), 10.13 (Integration), 10.14 (Consent to Jurisdiction), 10.15 (Service of

Section 13. Amended and Restated Agreement

This Agreement is an amendment and restatement of the Security Agreement dated February 29, 2000 executed by the Borrower, EPH, EQPH, EQP and MHC in favor of the Lender (the "Existing Security Agreement"). All Obligations as defined in the Existing Security Agreement shall be Obligations under and as defined in this Agreement and shall be secured by the Collateral as defined in this Agreement.
