Without limiting the generality of the foregoing sentence, Debtor:

(i) hereby authorizes Lender in its Permitted Discretion if Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Lender, to modify this Agreement without first obtaining Debtor's approval of or signature to such modification by amending Schedule A hereof to include a reference to any right, title or interest in any existing Trademark or any Trademark acquired or developed by Debtor after the execution hereof, or to delete any reference to any right, title or interest in any Trademark in which Debtor no longer has or claims any right, title or interest; and

(ii) hereby authorizes Lender, in its Permitted Discretion, to file one or more financing or continuation statements, if Debtor refuses to execute and

deliver, or fails timely to execute and deliver, any such amendment thereto it is requested to execute and deliver by Lender, in each case, relative to all or any portion of the Trademark Collateral, without the signature of Debtor where permitted by law;

(c) Comply, in all material respects, with all applicable statutory and regulatory requirements in connection with any and all material Trademark Collateral and give such notice of Trademark, prosecute such material claims, and do all other acts and take all other measures which, in Debtor's reasonable business judgment, may be necessary or desirable to preserve, protect and maintain such material Trademark Collateral and all of Debtor's rights therein.

6. Future Rights. For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until Lender shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of this Agreement shall automatically apply thereto. Debtor shall do all things deemed necessary or advisable by Lender in the exercise of its discretion to ensure the validity, perfection, priority and enforceability of the security interests of Lender in such future acquired Trademark Collateral. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Lender in connection herewith, Debtor hereby authorizes Lender to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Duties of Lender. Notwithstanding any provision contained in this Agreement, Lender shall not have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Lender hereunder or in connection herewith, Lender shall not have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of any "Event of Default" under the Loan Agreement shall constitute an Event of Default hereunder.

9. Remedies. From and after the occurrence and during the continuation of an Event of Default, Lender shall have all rights and remedies available to it under the Loan Agreement and the other Loan Documents and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Debtor hereby agrees that such rights and remedies include the right of Lender as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to the Code. Debtor hereby agrees that Lender shall at all times have such royalty-free licenses, to the extent permitted by law and the Loan Documents, for any Trademark Collateral that is necessary to permit the exercise of any of Lender's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of Debtor in which Lender has a security interest, including Lender's rights to sell

inventory, tooling or packaging which is acquired by Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Lender shall have the right but shall in no way be obligated to bring suit, or to take such other action as Lender, in the exercise of its discretion, deems necessary or advisable, in the name of Debtor or Lender, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Lender, do any and all lawful acts and execute any and all documents required by Lender necessary to such enforcement. To the extent that Lender shall elect not to bring suit to enforce such Trademark Collateral, Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Lender and their respective successors and assigns.

11. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, except to the extent that the validity or perfection of the security interests hereunder in respect of the Trademark Collateral are governed by federal law, in which case such choice of New York law shall not be deemed to deprive Lender of such rights and remedies as may be available under federal law.

13. Entire Agreement; Amendment. This Agreement and the other Loan Documents, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties to this Agreement. Notwithstanding the foregoing, Lender may reexecute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

15. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also

shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

16. Loan Agreement. Debtor acknowledges that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and the other Loan Documents and all such rights and remedies are cumulative.

17. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

18. Termination. Upon the payment and performance in full in cash of the Secured Obligations, including the cash collateralization, expiration, or cancellation of all Secured Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Lender shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interest granted by Debtor to Lender hereunder.
