TRADEMARK SECURITY AGREEMENT, dated as of September 22, 2005, among SSA GLOBAL TECHNOLOGIES, INC. (the "Borrower"), the subsidiaries (the "Subsidiary Parties") of the Borrower listed on Schedule I hereto and JPMORGAN CHASE BANK, N.A., as Collateral Agent (the "Collateral Agent").

Reference is made to the Guarantee and Collateral Agreement dated as of September 22, 2005 (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Borrower, each Subsidiary of the Borrower from time to time party thereto and the Collateral Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement dated as of September 22, 2005 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, the lenders from time to time party thereto (the "Lenders") and JPMorgan Chase Bank, N.A., as Administrative Agent and Collateral Agent. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Subsidiary Parties are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Collateral Agreement, did and hereby does grant to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

- (a) all of the following now owned or hereafter acquired by any Grantor:
- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos and other source or business identifiers, all registrations, applications and recordings thereof, and all registration and application recordings filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (except for intent-to-use applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, to the extent that any security interest of the Collateral Agent therein could reasonably be expected to cause the invalidation of such application and unless and until an Amendment of Alleged Use or a Statement of Use under

Section 1(c) or (d), as the case may be, of such Act (or the equivalent) in respect thereof has been filed with, and accepted by, the United States Patent and Trademark Office) or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule III, as updated from time to time pursuant to Section 4.05(e) and (b) all goodwill associated therewith or symbolized thereby.

SECTION 3. Collateral Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND WHOLLY PERFORMED THEREIN.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute a single contract.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
