TRADEMARK SECURITY AGREEMENT dated as of October 6, 2005, among THE NEIMAN MARCUS GROUP, INC., a Delaware corporation (the "Borrower", formerly known as Newton Acquisition Merger Sub, Inc.), NEWTON ACQUISITION, INC., a Delaware corporation ("Holdings"), NM NEVADA TRUST, a Massachusetts business trust, and DEUTSCHE BANK TRUST COMPANY AMERICAS ("DB"), as collateral agent (in such capacity, the "Agent").

Reference is made to (a) the Credit Agreement dated as of October 6, 2005 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, Holdings, the subsidiaries from time to time party thereto, the lenders from time to time party thereto (the "Lenders") and DB, as administrative agent and as collateral agent and (b) the Pledge and Security Agreement dated as of October 6, 2005 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Borrower, Holdings, the Subsidiary Parties from time to time party thereto and the Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Borrower and Holdings will derive substantial benefits from the extension of credit pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the respective meanings specified in the Security Agreement. The rules of construction specified in Article I of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment in full of the Secured Obligations, the Borrower, pursuant to the Security Agreement, did and hereby does grant to the Agent, its permitted successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by it or in which it now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral") for recording in the United States Patent and Trademark Office (or any successor office or any similar offices in any other country), including those listed on Schedule I (the "Trademarks"):

(a) all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing; (b) all licenses of the foregoing, whether as licensee or licensor; (c) all renewals of the foregoing; (d) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (e) all rights to sue for past, present, and

future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (f) all rights corresponding to any of the foregoing throughout the world.

SECTION 3. Security Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. The Borrower hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
