Any use by the Collateral Agent of the Marks, as authorized hereunder in connection with the exercise of the Collateral Agent's rights and remedies under this Agreement and under the Credit Agreement shall be coextensive with Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.
- b. None of this Agreement, the Credit Agreement, the Security Agreement, or any act, omission, or circumstance taken or arising hereunder may be construed as directly or indirectly conveying to the Collateral Agent any rights in and to the Marks, which rights are only effective following the occurrence and continuance of any Event of Default.

11. **INTENT:** This Agreement is being executed and delivered by the Grantor for the purpose of registering and confirming the grant of the security interest of the Collateral Agent in the TM Collateral with the United States Patent and Trademark Office. All provisions of the Security Agreement shall apply to the Marks. The Collateral Agent shall have the same rights, remedies, powers, privileges and discretions, with respect to the security interests created in the TM Collateral as in all other Collateral.
