Re: Integrated Defense Technologies, Inc. - Payoff of
Indebtedness and Release of Liens

Ladies and Gentlemen:

Reference is made herein to that certain Amended and Restated Credit Agreement, dated as of October 31, 2002 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Integrated Defense Technologies, Inc., a Delaware corporation (the "Company"), the financial institutions party from time to time thereto as lenders (the "Lenders"), and Canadian Imperial Bank of Commerce, as administrative agent for the Lenders (the "Administrative Agent"). Capitalized terms used herein and not defined herein shall have the meanings ascribed to such terms in the Credit Agreement.

The Administrative Agent understands that the obligations of the Company outstanding under the Credit Agreement and the other Loan Documents are expected to be repaid in full (except for certain obligations with respect to the Letters of Credit set forth on part II of Schedule B attached hereto which were issued by an Issuing Lender under the Credit Agreement (the "Existing Letters of Credit") and certain other obligations relating to indemnification, reimbursement, expenses and fees provided for herein).

The Administrative Agent hereby agrees on its own behalf and on behalf of the Lenders that upon (A) the receipt of U.S. \$201,014,310.75 (the "Payoff Amount"), representing payment in full of all outstanding principal under the Credit Agreement and the other Loan Documents and all outstanding interest, fees, expenses, charges or other costs under the Credit Agreement and the other Loan Documents and all outstanding expenses, charges or other costs under the Credit Agreement and the other Loan Documents with respect to which the Administrative Agent has received notice from any Lender or any representative of the Administrative Agent or any Lender, which payoff amount is set forth in more detail on Schedule A attached hereto and made a part hereof, in immediately available funds via wire transfer to the account designated below on or prior to 12:00 Noon, New York City time, on November 4, 2003 (the "Closing Date"), (B) receipt of written notice from Wachovia Bank, National Association ("Wachovia"), stating that the letter of credit described on part I of

Schedule B attached hereto has been terminated, cancelled and the face amount thereof reduced to zero and that Wachovia has initiated confirmation via SWIFT message that such letter of credit has been terminated, cancelled and reduced to zero and receipt from Wachovia of the original amendments to such letter of credit dated February 27, 2003, June 10, 2003 and September 18, 2003 and (C) receipt of three irrevocable letters of credit duly issued by Wachovia Bank, National Association, in the stated amounts equal to \$9,382,230.81, EUR 487,362.50 and \$263,000.00, respectively, reasonably satisfactory to Regions Bank, for the benefit of Regions Bank, as the Issuing Lender, in support of the Company's obligations in respect of the Existing Letters of Credit, (said (A), (B) and (C) hereafter, the "Payoff Conditions") that:

(i) as between the Company and the Subsidiary Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, the Credit Agreement and each of the other Loan Documents (other than the Existing Letters of Credit and all provisions of the Loan Documents relating to Letters of Credit, including the obligations of the Company with respect to reimbursement of Issuing Lenders under Section 3.3 of the Credit Agreement and the obligations of the Company with respect to the payment of letter of credit fees provided for in Section 3.2 of the Credit Agreement, which fees shall continue to accrue as described in the Credit Agreement) will thereupon be automatically terminated and of no further force and effect and the Lenders will have no further obligations thereunder, provided, however, that the Administrative Agent and each Lender, as applicable, shall be entitled to the benefits of all the ongoing reimbursement obligations, expense and fee provisions, indemnities, liability limits, set-off rights and ratable sharing provisions set forth in Sections 2.6D, 2.7, 3.5A, 3.6, 9.2C, 9.4, 10.2, 10.3, 10.4 and 10.5 of the Credit Agreement as well as Sections 10.17 and 10.18 of the Credit Agreement relating to governing law and consent to jurisdiction, all of which provisions shall survive the execution and delivery of this letter agreement until the Existing Letters of Credit expire or are canceled and all amounts under provisions for reimbursement obligations, expenses, fees and indemnities are paid in full; provided that any payments made in connection with any such provisions for reimbursement obligations, expenses, fees or indemnities shall not cause such provisions to be satisfied until all such amounts of reimbursement obligations, expenses, fees and indemnities are indefeasibly paid in full;

(ii) the obligation of any Issuing Lender to issue Letters of Credit for the account or at the request of the Company under the Credit Agreement will automatically terminate; and

(iii) any and all security interests, liens and/or other encumbrances granted by the Company or the Subsidiary Guarantors to secure their obligations to the Administrative Agent and the Lenders under the Loan Documents shall, without any further action by the Company, the Administrative Agent or the Lenders, be immediately thereupon automatically terminated and released and be of no further force and effect.

The Administrative Agent understands and agrees that any amounts comprising the Payoff Amount which are in excess of the Obligations due and owing under the Loan Documents will

be credited to the Company as promptly as possible after resolution of the actual amount of all such Obligations, fees or expenses due and owing.

Pursuant to Section 2.4C(i) of the Credit Agreement, any amount received by the Administrative Agent after 12:00 Noon, New York City time, on the Closing Date shall be deemed to have been paid by the Company on the next succeeding Business Day. Any additional interest or fees owed by the Company as a result of such delay, which shall accrue at \$40,646.17 per day, shall be due and payable on such succeeding Business Day and the Payoff Amount shall not be deemed paid until such additional interest and fees have been delivered to the Administrative Agent.

Upon satisfaction of the Payoff Conditions, the Company hereby confirms to the Administrative Agent, for the benefit of the Administrative Agent and the Lenders, that the Revolving Loan Commitments under the Credit Agreement shall be terminated and be of no further force and effect and all obligations of the Administrative Agent and the Lenders to make Loans or advances, issue or participate in Letters of Credit or otherwise extend credit to the Company under the Credit Agreement and the other Loan Documents (except with respect to the Existing Letters of Credit) shall be terminated and be of no further force and effect.

The Payoff Amount shall be wired to the Administrative Agent to the following account:

Upon satisfaction of the Payoff Conditions, the Administrative Agent will deliver to the Company, all at the Company's cost and expense, the Uniform Commercial Code termination statements, executed releases of all intellectual property filings, all releases and reconveyances of the Mortgages, all stock certificates and stock powers, and all pledged debt as set forth on Schedule C hereto, executed releases or any other documents necessary to release the Administrative Agent's assignments under the Assignment of Claims Act of 1940, as amended (31 U.S.C 3727, 41 U.S.C 15) for the government contracts listed on Schedule D attached hereto and all other documents, instruments or certificates as the Company may reasonably request to terminate all financing statements, to release intellectual property filings, to release all Mortgages, to release all assignments under the Assignment of Claims Act in favor of the Administrative Agent and to release all stock pledges and pledged debt in favor of the Administrative Agent and to release all deposit account control agreements, lock box arrangements and securities account control agreements in favor of the Administrative Agent or any Lender. At such time as the Payoff Conditions have been satisfied, the Administrative

Agent hereby authorizes the filing of any such termination statements or releases necessary to effect the release of liens evidenced by such financing statements and other filings.

Further, the Administrative Agent will execute such other documents and instruments, and take such other actions, in each case as the Company shall reasonably request to evidence the satisfaction of the obligations of the Company and the Subsidiary Guarantors under the Credit Agreement and the other Loan Documents and the release of all security interests, liens, mortgages and other encumbrances securing such obligations thereunder, subject in each case to the Company's prior payment in full to the Administrative Agent of its costs and expenses (including attorneys' fees) incurred in connection therewith.

The Company hereby agrees to pay all costs and expenses in connection with the preparation, execution, delivery, filing, and recording of this letter agreement, the release documents executed in furtherance hereof, and the performance of any other acts and the execution of any other documents required to effect the release of any security granted to the Administrative Agent and the Lenders, including without limitation the reasonable fees and disbursements of counsel to the Administrative Agent and local counsel, if any, who may be retained by said counsel with respect thereto.
