TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of March 20, 2006 (as amended, restated or otherwise modified, the "Trademark Security Agreement"), between **EACH OF THE UNDERSIGNED** (collectively, "Grantors") and **WELLS FARGO FOOTHILL, LLC**, in its capacity as collateral agent for the Secured Parties (together with successors and assigns in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS, HealthPlan Holdings, Inc. (the "Company"), Grantors, the parties named therein as Guarantors, the parties signatory thereto from time to time as Secured Parties and the Collateral Agent are party to a Credit and Guaranty Agreement dated as of the date hereof (as from time to time amended, restated, supplemented or otherwise modified, the "Credit and Guaranty Agreement") pursuant to which the Secured Parties have agreed to make loans to the Company;

WHEREAS, Grantors are party to a Pledge and Security Agreement dated as of the date hereof (the "Pledge and Security Agreement") between each of the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit and Guaranty Agreement, the Grantors hereby agree with the Collateral Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to Collateral Agent for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all United States, and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certifications marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing, including the registrations and applications referred to on Schedule I hereto (collectively, "Trademarks"), provided that "Trademarks" shall exclude and no security interest shall be granted in United States intent-to-use trademark or service mark applications to the extent that and solely during the period in which a grant of a security interest therein would impair the validity or enforceability of such intent-to-use applications under applicable federal law;

(b) any and all agreements providing for the granting of any right in or to Trademarks (whether such Grantor is licensee or licensor thereunder)(collectively, “Trademark Licenses”);

(c) all extensions or renewals of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License;

(e) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill; and

(f) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Pledge and Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

SECTION 4. Applicable Law. This Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York.

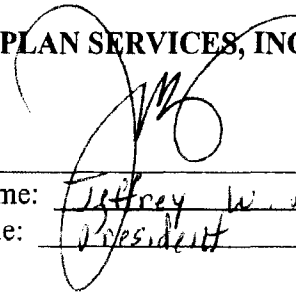

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
