WITNESSETH:

WHEREAS, Assignor and Assignee have entered into an Asset Purchase Agreement (the "Purchase Agreement"), dated as of the date hereof whereby Assignee agreed to purchase certain of the assets of Assignor and to assume certain of Assignor's liabilities, all as more fully provided for in the Purchase Agreement;

WHEREAS, the execution of this Trademark Assignment is a condition precedent to the obligations of the Assignee to effect the Agreement and to complete the transactions contemplated therein;

WHEREAS, Assignee desires to enter into this Trademark Assignment with the Assignor; and

WHEREAS, Assignor desires to enter into this Trademark Assignment with Assignee.

NOW, THEREFORE, in consideration of the mutual covenants of the parties as set forth in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

This instrument supplements and is in addition to all other rights of the Assignor under the Purchase Agreement and other instruments of transfer delivered in connection with the Purchase Agreement.

Section 2: For good and valuable consideration, receipt of which the Assignor acknowledges, and by signing and delivering this instrument, the Assignor sells, assigns, transfers, conveys, and delivers to the Assignee all of the Assignor's right, title, and interest in and to:

(5) all rights in and under the trademarks to the fullest extent allowed by law as fully as the Seller would have held the same in the absence of this assignment; and

(6) all rights to sue and recover damages and payments for past, present, and future infringements or dilution of any of the trademarks, including the right to fully and entirely replace the Seller in all related matters.

Section 3: As of the date set forth below, the Assignee has succeeded to all right, title, and standing of the Assignor to: (a) receive all rights and benefits pertaining to the trademarks and related rights described above, and (b) commence, prosecute, defend and settle all claims and take all actions that the Assignee, in its sole discretion, may elect in relation to the trademarks described above.
