SHORT FORM TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of June 21, 2006, is by and among TURNING TECHNOLOGIES, LLC, an Ohio limited liability company, ("Turning") and the other parties identified on the signature pages hereto as Grantors (Turning and such other parties, each a "Grantor" and, together the "Grantors"), and JPMorgan Chase Bank, N.A., (the "Lender").

WITNESSETH:

WHEREAS, the Grantors, the other Loan Parties and the Lender have entered into a Credit Agreement dated as of June 21, 2006 (as it may be amended or modified from time to time, the "Credit Agreement").

WHEREAS, the Grantors have entered into a Pledge and Security Agreement (the "Security Agreement") in order to induce the Lender to enter into, and extend credit to the Grantors under, the Credit Agreement, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Lender to extend credit to the Grantors, each Grantor hereby agrees with the Lender as follows:

Section 1. Defined Terms

Unless otherwise defined herein, terms defined in the Credit Agreement or the Security Agreement used herein have the meaning given to them in the Credit Agreement or the Security Agreement.

Section 2. Grant of Security Interest in Trademarks Collateral

Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby grants, collaterally assigns, mortgages and pledges to the Lender a lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

- (a) all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing, including, without limitation, the trademarks and trade names listed on the Schedule attached hereto;
- (b) all licenses of the foregoing, whether as licensee or licensor, including, without limitation, the licenses listed on the Schedule attached hereto;
- (c) all renewals of the foregoing;
- (d) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof;
- (e) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and

- (f) all rights corresponding to any of the foregoing throughout the world.

Section 3. Security Agreement

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
