(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Borrower accruing thereunder or pertaining thereto;

(v) all any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the foregoing or arising from any of the foregoing.

SECTION 2. Supplement to Security Agreement. Schedule V to the Security Agreement is, effective as of the date hereof, hereby supplemented to add to such Schedule the Additional Collateral.

SECTION 3. Security for Obligations. Exceptions to Intellectual Property Representation Made in the Milk-Bone Purchase Agreement

Argentina:

Centro de la Industria Lechera v. Kraft Foods Holdings, Inc. (MILK-BONE). This is a 2005 matter pending in the Argentine trademark office. The opposer opposed the application to register MILK-BONE on the grounds the mark is either descriptive or misdescriptive of the goods. In response, Kraft offered to limit the description of goods to "dog biscuits." The deadline for Kraft to (1) bring a lawsuit to withdraw the opposition (in Argentina, opposition is filed in the trademark office and contested in civil courts), (2) settle the matter, or (3) abandon the application is May 29, 2006.

Canada:

Effem Inc. v. Kraft Foods, Holdings, Inc. (MAR-O-SNACKS) (opposition notice filed by Effem). This is a 2005 matter pending in the Canadian trademark office. Effem opposed the application to register MAR-O-SNACKS on the grounds that the mark is either descriptive or misdescriptive of the goods. Kraft filed a response denying the claims in the opposition. Effem has a deadline of February 19, 2006 to file their evidence or to obtain a 6 month extension of time.

Mexico:

Kraft's rights in the bone design marks (Registrations 409043 and 409044) are unclear. These marks were assigned to an entity that eventually changed its name to Kraft Foods Mexico S. de R.L. de C.V. The trademark office denied the assignment of Registration 409043 due to failure by the assignor's representative to submit documentation of authorization, yet subsequently granted a renewal application. The trademark office accepted the assignment of Registration 409044, and renewed the application despite the fact that the authorization document may not have been submitted.

Infringement of Intellectual Property

Hong Kong:

Infringement of the MILK-BONE mark by Tin Box Asia Pacific HK Ltd. In 2005, Kraft learned that Tin Box Asia was manufacturing and selling unauthorized tin boxes in the shape of bones displaying the mark MILK-BONE. Kraft sent a cease and desist letter, there was no response and Kraft continues to investigate.
