CREDIT AND SECURITY AGREEMENT

This **Credit and Security Agreement** (this "Agreement"), has been executed and dated as of July 20, 2006, by and among the Borrowers (as hereinafter defined), National City Business Credit, Inc., an Ohio corporation ("NCBC"), as lender (the "Lender"), and National City Bank, a national banking association, as the Issuer (as hereinafter defined).

REDACTED

REDACTED
Page 2

“Borrower” shall mean Stride Tool Inc. and any other Person who may hereafter become a party hereto and “Borrowers” shall collectively mean all such Persons.

REDACTED

REDACTED

“Collateral” shall mean all property owned by each Borrower, whether now owned or existing, or hereafter arising or acquired or received by a Borrower, wherever located, including without limitation:

- (c) all General Intangibles;

REDACTED

REDACTED

Pgs. 5-10

REDACTED

“General Intangibles” shall mean and include as to each Loan Party all of such Loan Party’s general intangibles, whether now owned or hereafter acquired including, without limitation, all payment intangibles, choses in action, causes of action, corporate or other business records, inventions, designs, patents, patent applications, equipment formulations, manufacturing procedures, quality control procedures, trademarks, service marks, trade secrets,

goodwill, copyrights, design rights, software, computer information, source codes, codes, records and dates, registration, licenses, franchises, customer lists, tax refunds, tax refund claims, computer programs, all claims under guaranties, security interests or other security, held by or granted to such Loan Party to secure payment of any of the Receivables by a Customer (other than to the extent covered by Receivables), all rights of indemnification and all other intangible property of every kind and nature (other than Receivables).

REDACTED

REDACTED
Page 13

REDACTED

“Loan Party” or “Loan Parties” shall mean, singularly or collectively, as the context may require, the Borrower and any additional Borrower that may join this Agreement after the Closing Date.

REDACTED

REDACTED
Pgs. 15-35

IV. COLLATERAL: GENERAL TERMS.

4.1 Security Interest in the Collateral.

To secure the prompt payment and performance to the Lender and the Issuer of the Obligations, each Loan Party hereby assigns, pledges and grants to the Lender for its benefit and for the benefit of the Issuer a continuing security interest in and to all of its Collateral.

REDACTED

REDACTED
Pgs. 37-50

REDACTED

5.9 Patents, Trademarks, Copyrights and Licenses.

All patents, patent applications, trademarks, trademark applications, service marks, service mark applications, copyrights, copyright applications, design rights, tradenames, assumed names, trade secrets and licenses owned or utilized by any Loan Party are set forth on Schedule 5.9, are valid and have been duly registered or filed with all appropriate governmental authorities and constitute all of the patents, trademarks, service marks, copyrights, design rights, tradenames, assumed names, trade secrets and licenses which are necessary for the operation of its business; there is no objection to or pending challenge to the validity of any such patent, trademark, copyright, design right, tradename, trade secret or license and no Loan Party is aware of any grounds for any challenge, except as set forth in Schedule 5.9 hereto. Each patent, patent application, patent license, trademark, trademark application, trademark license, service mark, service mark application, service mark license, design right, copyright, copyright application and

copyright license owned or held by any Loan Party consists of original material or property developed by such Loan Party or was lawfully acquired by such Loan Party from the proper and lawful owner thereof. Each of such items has been maintained so as to preserve the value thereof from the date of creation or acquisition thereof. With respect to all customized software licensed by any Loan Party, such Loan Party is in possession of all source and object codes related to each piece of software or is the beneficiary of a source code escrow agreement, each such source code escrow agreement being listed on Schedule 5.9 hereto.
