**AMENDMENT AND ASSIGNMENT OF TRADEMARK COLLATERAL ASSIGNMENT  
AND SECURITY AGREEMENT**

This Amendment and Assignment of Trademark Collateral Assignment and Security Interest dated as of June 2, 2006 (this "**Amendment and Assignment**"), is made by and among Wachovia Bank, National Association, successor by merger to Congress Financial Corporation (Florida), in its capacity as Agent ("**Retiring Agent**") under the Loan Agreement (as defined below), CapitalSource Finance LLC, in its capacity as successor Agent ("**Successor Agent**") under the Loan Agreement, and Finanz St. Honore B.V. ("**Company**").

**RECITALS**

WHEREAS, Company, certain of Company's affiliates, the Lenders party thereto and Retiring Agent entered into that certain Loan and Security Agreement dated as of September 30, 2004 (as the same has been and may hereafter be amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "**Loan and Security Agreement**");

WHEREAS, Company, the Lenders party thereto and Retiring Agent entered into that certain Trademark Collateral Assignment and Security Interest (as the same may be amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "**Trademark Agreement**") dated as of September 30, 2004 and recorded on October 18, 2004 with the United States Patent and Trademark Office at Reel 003061 and Frame 0271;

WHEREAS, pursuant to the Loan and Security Agreement and the Trademark Agreement, Company granted to Retiring Agent, as agent on behalf of the Lenders, a continuing security interest in, among other things, all of Company's right, title and interest in and to the trademarks referred to in Exhibit A hereto;

WHEREAS, pursuant to that certain letter agreement of even date herewith by and between, among others, Retiring Agent and Successor Agent (the "**Assignment Letter Agreement**"), Retiring Agent has resigned as Agent and delegated its rights, remedies, duties and obligations under the Loan Agreement, the Trademark Agreement and all other financing and collateral documents executed in connection therewith (collectively, the "**Loan Documents**") to Successor Agent as the successor Agent;

WHEREAS, Successor Agent has agreed to accept the assignment of the rights, remedies, and duties and assumes the obligations of the Agent under the Loan Documents from Retiring Agent pursuant to the terms of the Assignment Letter Agreement;

WHEREAS, the parties hereto desire to execute this Amendment and Assignment for the purposes of (i) amending the Trademark Agreement and the notice of such Trademark Agreement in certain respects to reflect the transfer of Retiring Agent's interest as Agent to Successor Agent, and (ii) evidencing in the United States Patent and Trademark Office the assignment by Retiring Agent to Successor Agent of all of Retiring Agent's rights, remedies, duties and obligations under the Trademark Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, Company, Retiring Agent and Successor Agent hereby agree as follows:

1. Definitions. All capitalized terms used but not defined herein shall have the respective meanings ascribed to such terms in the Loan and Security Agreement.

2. Amendment of Trademark Agreement. The Trademark Agreement shall be amended such that Successor Agent shall replace Retiring Agent as "Agent" thereunder and all references to "Agent" thereunder shall hereinafter refer to CapitalSource Finance LLC, as Agent for the Lenders.

3. Assignment. In connection with the assignment from Retiring Agent to Successor Agent under the Assignment Letter Agreement, Retiring Agent does hereby assign and transfer all of its rights, remedies, duties and obligations as Agent under the Trademark Agreement to Successor Agent, and Successor Agent hereby accepts all of Retiring Agent's assignment and transfer of its rights, remedies, duties and obligations as Agent under the Trademark Agreement. The execution and delivery of this Amendment and Assignment shall not in any way affect or modify the liability of Company under the Loan and Security Agreement or the Trademark Agreement, it being understood and agreed that notwithstanding this Amendment and Assignment, all of the obligations of Company under the Loan Documents shall be and remain enforceable by Successor Agent, as Agent under the Loan and Security Agreement and Trademark Agreement, or by its successors and assigns against Company.

4. Severability. Whenever possible, each provision of this Amendment and Assignment will be interpreted in such manner as to be effective and valid under applicable law. In the event any provision of this Amendment and Assignment is or is held to be invalid, illegal, or unenforceable under applicable law, such provision will be ineffective only to the extent of such invalidity, illegality, or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Amendment and Assignment. In addition, in the event any provision of or obligation under this Amendment and Assignment is or is held to be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions or obligations in any other jurisdictions will not in any way be affected or impaired thereby.

5. Section Titles. Section and Subsection titles in this Amendment and Assignment are included for convenience of reference only, do not constitute a part of this Amendment and Assignment for any other purpose, and have no substantive effect.

6. Successors and Assigns. This Amendment and Assignment will be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

7. Governing Law. This Assignment and Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York applicable to contracts made and performed in such state, without regard to the principles thereof regarding conflict of laws.

8. Counterparts. This Amendment and Assignment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which, when so executed and delivered, will be deemed an original and all of which shall together constitute one and the same instrument. Any such counterpart which may be delivered by facsimile transmission shall be deemed the equivalent of an originally signed counterpart and shall be fully admissible in any enforcement proceedings regarding this Amendment and Assignment.
