TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this "Trademark Security Agreement") is made this 29th day of September, 2006, among the Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and ARES CAPITAL CORPORATION, in its capacity as collateral agent (in such capacity, "Collateral Agent") under the Credit Agreement.

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated September 29, 2006 (as amended, amended and restated, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the "Credit Agreement") among THE TEACHING COMPANY, LLC, a Delaware limited liability company (the "Borrower"), THE TEACHING COMPANY INTERMEDIATE HOLDINGS, INC., a Delaware corporation, THE TEACHING COMPANY HOLDINGS, INC., a Delaware corporation, the lenders from time to time party thereto (the "Lenders"), MERRILL LYNCH CAPITAL, a division of Merrill Lynch Business Financial Services Inc., a Delaware corporation, as administrative agent for the Lenders, and Collateral Agent, the Lenders agreed to make certain financial accommodations available to the Borrower from time to time pursuant to the terms and conditions thereof;

WHEREAS, the Lenders are willing to make the financial accommodations to the Borrower as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Collateral Agent, for the benefit of the Secured Parties, that certain Security Agreement dated as of even date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Credit Agreement. In addition, as used in this Trademark Security Agreement, the following terms shall have the following meanings:

(a) "Trademark Licenses" means license agreements with any other party pursuant to which rights under or interest in any Trademark are granted, whether the applicable Grantor is a licensee or licensor under any such license agreement, and the right to use the foregoing in connection with the enforcement of the Secured Parties' rights under the Loan Documents, including, without limitation, the right to prepare for sale and sell any and all inventory and equipment now or hereafter owned by any Grantor and now or hereafter covered by such licenses.

(b) “Trademarks” means all of the following (whether now owned or hereafter adopted or acquired by a Grantor): trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including, without limitation, the registered trademarks, trademark applications, registered service marks and service mark applications listed on Schedule I attached hereto and made a part hereof, and (i) all renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iii) the right to sue for past, present and future infringements and dilutions thereof, (iv) the goodwill of each Grantor’s business symbolized by the foregoing and connected therewith, and (v) all of each Grantor’s rights corresponding thereto throughout the world.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Collateral Agent, for the benefit of the Secured Parties to secure the payment and performance in full of all of the Obligations, a security interest in all of such Grantor’s right, title and interest in, to and under the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

(a) all of its Trademarks and Trademark Licenses to which it is a party, including those Trademarks referred to on Schedule I hereto other than any applications for trademarks and service marks filed in the U.S. Patent and Trademark Office (the “PTO”) pursuant to 15 U.S.C. §1051 Section 1(b) and for which a form evidencing use of the mark in interstate commerce has not been filed with the PTO pursuant to 15 U.S.C. §1051 (c) and (d);

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Collateral Agent or the Secured Parties, whether or not they are allowable due to the existence of an insolvency proceeding, bankruptcy, or reorganization involving any Grantor, or the appointment of any trustee in connection with or anticipation of any such occurrence, or the taking of any step by any Person in furtherance of any such action.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement.

Each Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of conflicts or inconsistencies between this Trademark Security Agreement and the Security Agreement, the terms of the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Collateral Agent with respect to any new trademark registrations or renewal of any trademark registration. Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Collateral Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark registrations of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, (i) references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or"; (ii) the words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement refer to this Trademark Security Agreement as a whole and not to any particular provision of this Trademark Security Agreement; (iii) section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified; (iv) any reference in this Trademark Security Agreement to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein); (v) any reference herein to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement and Security Agreement) of all Obligations other than unasserted contingent indemnification Obligations; (vi) any reference herein to any Person shall be construed to include such Person's successors and assigns; and (vii) any requirement of a writing contained herein shall be satisfied by the transmission of a record.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
