SECOND LIEN TRADEMARK COLLATERAL AGREEMENT

This 29th day of November, 2006, EDUCATIONAL PRODUCTS, INC., a Texas corporation (“*Debtor*”), with its principal place of business and mailing address at 2 Lower Ragsdale Drive, #125 and #200, Monterey, California 93940, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, grants BANK OF MONTREAL, a Canadian chartered bank (“*BMO*”) with its mailing address at 115 South LaSalle, Chicago, Illinois 60603, acting as administrative agent for the Secured Creditors defined in that certain Security Agreement hereinafter defined (BMO acting as such administrative agent and any successor or successors to BMO acting in such capacity being hereinafter referred to as the “*Agent*”), a lien on, and a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) Each trademark license listed on Schedule A-2 hereto and all royalties and other sums due or to become due under or in respect of each such trademark license, together with the right to sue for and collect all such royalties and other sums; and

(iii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A-1 hereto or of any trademark licensed under a trademark license listed on Schedule A-2 or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark license, in each case together with the right to sue for and collect said damages;

to secure performance of all Secured Obligations of Debtor as set out in that certain Second Lien Security Agreement bearing even date herewith by and among the Debtor, the other debtors party thereto and the Agent, as the same may be amended, modified, supplemented or restated from time to time (the “*Security Agreement*”).

Notwithstanding the foregoing, this Second Lien Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to the Agent of any applications by the Debtor for any Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as “*Intent-To-Use Applications*”), but rather, if and so long as Debtor’s Intent-To-Use-Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-To-Use Application as collateral security for the Secured

Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

The lien and security interest in the trademarks, trademark registrations and trademark applications granted to the Agent and the exercise of any right or remedy of the Agent are subject to the provisions of that certain Intercreditor Agreement dated as of even date herewith (the Intercreditor Agreement as may be amended, modified, restated or supplemented from time to time, the "*Intercreditor Agreement*"), by and between Bank of Montreal, as First Lien Collateral Agent and Bank of Montreal, as Second Lien Collateral Agent, and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of this Second Lien Patent Agreement and the Intercreditor Agreement, the terms of the Intercreditor Agreement shall govern and control.

Debtor does hereby further acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement and in the event of any conflict or ambiguity between this Second Lien Trademark Collateral Agreement and the Security Agreement, the Security Agreement shall control.
