## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 13th day of December, 2006, among TOWER ENERGY GROUP, a California corporation ("Grantor"), and CITY NATIONAL BANK, a national banking association ("Agent"), as the arranger and administrative agent for the Lenders (defined below).

WITNESSETH:

WHEREAS, pursuant to that certain Second Amended and Restated Loan and Security Agreement, dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the "Credit Agreement") among Grantor; the lenders identified on the signature pages thereof (the "Lenders"); Citicapital Commercial Corporation, a national banking association, as the syndication agent for the Lenders; and Agent, the Agent is willing to make certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof,

WHEREAS, pursuant to the Credit Agreement, Grantor is required to execute and deliver to Agent, for the benefit of Agent, this Trademark Security Agreement; and

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.
2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent, for the benefit of the Agent, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):
  - (a) all of its trademarks, trade names, trademark applications, service marks, service mark applications, including (i) the trade names, trademarks, trademark applications, service marks, and service mark applications listed on Schedule I attached hereto and made a part hereof, (ii) all renewals thereof, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iv) the right to sue for past, present and future infringements and dilutions thereof, (v) the goodwill of Grantor's business symbolized by the foregoing or connected therewith, and (v) all of Grantor's rights corresponding thereto throughout the world (such rights, collectively, the "Trademarks"); and all rights under or interests in any trademark intellectual property, including license agreements with any other party, whether the applicable Grantor is a licensee or licensor under any such license agreement, including the license agreements listed on Schedule I attached hereto and made a part hereof (such rights, collectively, the "Trademark Intellectual Property Licenses");
  - (b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;
  - (c) all reissues, continuations or extensions of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(e) all products and proceeds of the foregoing, including, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Trademark Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark Intellectual Property License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantor to the Agent whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Agent, pursuant to the Credit Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantor's obligations under this Section 5, Grantor hereby authorizes Agent to unilaterally modify this Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, the definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation," whether or not so expressly stated in each such instance and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The word "will" shall be construed to have the same meaning and effect as the word "shall." Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein),

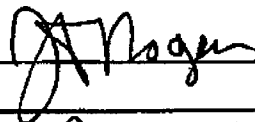

(b) any reference herein to any Person shall be construed to include such Person's successors and assigns, (c) the words "herein", "hereof" and "hereunder", and words of similar import, shall be construed to refer to this Trademark Security Agreement in its entirety and not to any particular provision hereof, and (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Trademark Security Agreement. Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Secured Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms hereof) of all Secured Obligations other than unasserted contingent indemnification Secured Obligations. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.
