FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*First Lien IP Security Agreement*") dated October 16, 2006, is made by the Persons listed on the signature pages hereof (collectively, the "*Grantors*") in favor of ROYAL BANK OF CANADA, as First Lien Administrative Agent (the "*First Lien Administrative Agent*") for the Guaranteed Parties (as defined in the First Lien Credit Agreement referred to below).

WHEREAS, Flakeboard US GP I and Flakeboard America Limited, as Borrowers, and the other Grantors party thereto have entered into a First Lien Credit Agreement dated as of October 16, 2006 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*First Lien Credit Agreement*"), with Royal Bank of Canada, as First Lien Administrative Agent, and the Lenders party thereto. Terms defined in the First Lien Credit Agreement and not otherwise defined herein are used herein as defined in the First Lien Credit Agreement.

WHEREAS, as a condition precedent to the making of Accommodations by the Lenders under the First Lien Credit Agreement and the entry into Eligible Hedging Agreements by the Hedge Lenders from time to time, each Grantor has executed and delivered that certain First Lien Security Agreement dated October 16, 2006 made by the Grantors to the First Lien Administrative Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "*First Lien Security Agreement*").

WHEREAS, under the terms of the First Lien Security Agreement, the Grantors have granted to the First Lien Administrative Agent, for the ratable benefit of the Guaranteed Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this First Lien IP Security Agreement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the First Lien Administrative Agent for the ratable benefit of the Guaranteed Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "*Collateral*"):

the patents and patent applications set forth in Schedule A hereto (the "*Patents*");

the trademark and service mark registrations and applications set forth in Schedule B hereto (*provided* that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability, or result in the cancellation, of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "*Trademarks*");

all copyrights, whether registered or unregistered, now owned or hereafter acquired by such Grantor, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "*Copyrights*");

all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or

conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover proceeds arising from such damages; and

any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

Notwithstanding the foregoing, "*Collateral*" shall not include and the Grantors shall not be deemed to have granted a security interest in any property or agreement of such Grantor (A) to the extent (but only so long as) (x) the granting of a security interest thereunder is prohibited by any Applicable Law, (y) requires a consent not obtained of any Governmental Authority pursuant to any Applicable Law or (z) is prohibited by, or constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any contract, lease, license, agreement, lease, instrument or other document giving rise to such property, in each case solely to the extent that such breach or default is not rendered ineffective by the UCC or other Applicable Law or, in the case of any consent, such consent is actually required to grant such security interest under Applicable Law, or (B) any property subject to a Permitted Encumbrance (other than the Encumbrances in favor of the First Lien Administrative Agent) to the extent that the grant of such other Encumbrances on such property (i) would result in a material breach or violation of, or constitute a material default under, the agreement or instrument governing such Permitted Encumbrance, or (ii) would result in the actual loss of the use of such property.

SECTION 2. Security for Obligations. The grant of a security interest in, the Collateral by each Grantor under this First Lien IP Security Agreement secures the payment of all obligations of each Grantor now or hereafter existing under or in respect of the Credit Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise (the "**Secured Obligations**"). Without limiting the generality of the foregoing, this First Lien IP Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations and that would be owed by such Grantor to any Guaranteed Party under the Credit Documents but for the fact that such Secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer in Canada or any other jurisdiction record this First Lien IP Security Agreement.

SECTION 4. Execution in Counterparts. This First Lien IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This First Lien IP Security Agreement has been entered into in conjunction with the provisions of the First Lien Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the First Lien Administrative Agent with respect to the Collateral are more fully set forth

in the First Lien Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

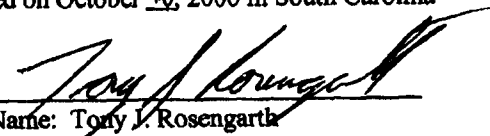

SECTION 6. Governing Law. This First Lien IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, each Grantor has caused this First Lien IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
