Additional Conveying Parties

Motion Control Engineering, Inc., a Delaware corporation
Advanced Motors & Drives, Inc., and New York corporation
The Imperial Electric Company, a Delaware corporation

FIRST LIEN TRADEMARK SECURITY AGREEMENT dated as of November 10, 2006 (this "*Agreement*"), among MERKLE-KORFF INDUSTRIES, INC., a Delaware corporation ("*MKI*"), MOTION CONTROL ENGINEERING, INC., a Delaware corporation ("*MCE*"), ADVANCED MOTORS & DRIVES, INC., a New York corporation ("*AM&D*"), THE IMPERIAL ELECTRIC COMPANY, a Delaware corporation ("*Imperial*" and, together with MKI, MCE and AM&D, the "*Grantors*") and CREDIT SUISSE, as collateral agent (in such capacity, the "*Collateral Agent*").

Reference is made to (a) the First Lien Guarantee and Collateral Agreement dated as of November 10, 2006 (as amended, restated, supplemented or otherwise modified, the "*Guarantee and Collateral Agreement*"), among Kinetek Acquisition Corp., a Delaware corporation (the "*U.S. Borrower*"), Kinetek Luxco S.à r.l., a *société à responsabilité limitée* incorporated under Luxembourg law (the "*European Borrower*" and, together with the U.S. Borrower, the "*Borrowers*"), Kinetek Holdings Corp., a Delaware corporation ("*Holdings*"), Kinetek Luxco GP S.à r.l. & Partners S.C.S., a *société en commandite simple* organized under Luxembourg law ("*European Parent*"), the Domestic Subsidiaries of the U.S. Borrower from time to time party thereto and Credit Suisse, as Collateral Agent, and (b) the First Lien Credit Agreement dated as of November 10, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), among the U.S. Borrower, the European Borrower, Holdings, the Lenders (as defined below) from time to time party thereto and Credit Suisse, as Administrative Agent (as defined below) and as Collateral Agent. The Lenders and the Issuing Bank (as defined below) have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Bank to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Bank to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Guarantee and Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Guarantee and Collateral Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Guarantee and Collateral Agreement, did and hereby does assign and pledge to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, and did and hereby does grant to the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, a security interest, in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "*Trademark Collateral*"): (a) all

trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I, (b) all goodwill associated therewith or symbolized thereby and (c) all other assets, rights and interests that uniquely reflect or embody such goodwill.

Notwithstanding the foregoing, the "Trademark Collateral" shall not include any of the items described in clauses (a), (b) and (c) above arising under any contracts, instruments, licenses or other documents as to which the grant of a security interest would constitute a violation of a valid and enforceable restriction in favor of a third party on such grant, notwithstanding applicable anti-assignment provisions under the New York UCC.

SECTION 3. *Guarantee and Collateral Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Guarantee and Collateral Agreement. The Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.
