TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is made as of May 17th-2006, by BANK OF AMERICA, N.A. (successor to BANKBOSTON, N.A.) ("Assignor"), in favor of SPENCER'S INCORPORATED OF MOUNT AIRY, N.C. ("Assignee").

RECITALS

1. Pursuant to a Loan and Security Agreement between the parties, dated as of April 28, 1998, as amended ("Loan Agreement"), Assignee granted to the Assignor a security interest in and collateral assignment of the trademarks described on Schedule A to this Assignment (collectively, "Trademarks").
2. Pursuant to the Assignment for Security (Trademarks), made by the Assignee in favor of Assignor, recorded with the United States Patent and Trademark Office on June 17, 1998, at Reel 1742, Frame 0993 ("Trademark Assignment"), Assignee assigned its interest in the Trademarks to Assignor, as collateral security for Assignee's obligations relating to the Loan Agreement.
3. Assignee has fulfilled all of its obligations under the Loan Agreement and Assignor is assigning its interest in the Trademarks back to Assignee, to extinguish Assignor's security interest in the Trademarks.

AGREEMENT

NOW THEREFORE, for valuable consideration hereby acknowledged, Assignor agrees as follows:

SECTION 1. ABSOLUTE ASSIGNMENT. Assignor hereby assigns to Assignee all of Assignor's right, title and interest in and to the Trademarks, and all rights and interests relating thereto. Assignor releases the Trademark Assignment, and releases its security interest in and lien on, and Assignee's collateral assignment of, the Trademarks and all "Trademark Collateral" described in the Trademark Assignment.

SECTION 2. MISCELLANEOUS. This Assignment shall be binding on and inure to the benefit of the parties, and their successors and assigns. Assignor agrees, at Assignee's expense, to execute and deliver such other documents and to do such other acts as Assignee may reasonably request to carry out the intent of this Assignment. This Assignment will be governed by the laws of the State of Georgia, without regard to conflict-of-laws principles.

IN WITNESS WHEREOF, this Trademark Assignment is duly executed as of the date set forth above.
