## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as it may be amended or modified from time to time, the "Trademark Security Agreement") is entered into as of August 14, 2006 by and between VISTEON CORPORATION, a Delaware corporation located at One Village Center Drive, Van Buren Township, Michigan, 48111 ("Assignor"), and JPMorgan Chase Bank, N.A., a national banking association located at 111 Fannin Street, 10<sup>th</sup> Floor, Houston, Texas 77002 in its capacity as administrative agent (the "Assignee") for certain lenders (the "Lenders") party to the Credit Agreement referred to below.

WHEREAS, the Assignor owns, or in the case of Licenses is a party to, the Trademark Collateral (defined below);

WHEREAS, the Assignor, certain subsidiaries of the Assignor (together with the Assignor and the successors of each of them, collectively, the "Borrowers"), the Assignee, and the Lenders, among other parties, are entering into a Credit Agreement dated as of August 14, 2006 (as it may be amended or modified from time to time, the "Credit Agreement");

WHEREAS, the Assignor and the Assignee, among other parties, are entering into (i) a Pledge and Security Agreement dated as of August 14, 2006 (as it may be amended or modified from time to time, the "Security Agreement"), and (ii) certain other security documents (including this Trademark Security Agreement), in order for the Assignor and the other Loan Guarantors (as defined in the Credit Agreement) to induce the Lenders to enter into and extend credit to the Borrowers under the Credit Agreement and to secure certain obligations of such Borrowers that the Loan Guarantors have agreed to guarantee pursuant to Article X of the Credit Agreement (the "Secured Obligations");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby pledges, assigns and grants to the Assignee, on behalf of and for the ratable benefit of the Lenders, a security interest in all of its right, title and interest in, to and under all of the following items or types of property, whether now owned by or owing to, or hereafter acquired by or arising in favor of the Assignor (including under any trade name or derivations thereof), and whether owned or consigned by or to, or leased from or to, the Assignor, and regardless of where located (collectively, the "Trademark Collateral"):

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill connected with the use of and symbolized thereby, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the

United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule 1; and

(b) the right to obtain all renewals thereof;

to secure the prompt and complete payment and performance of the Secured Obligations.

The term "Trademark Collateral" shall not include, and the security interest granted hereunder shall not attach to, any applications for trademarks and service marks filed in the U.S. Patent and Trademark Office (the "PTO") on the basis of Assignor's intent to use any such mark pursuant to 15 U.S.C. § 1051 Section 1(b) unless and until evidence of use of the mark in interstate commerce is submitted to the PTO pursuant to 15 U.S.C. § 1051 (c) or (d), at which point the term "Trademark Collateral" shall include, and the security interest granted hereunder shall attach to, such application.

The foregoing security interest is granted in conjunction with the security interests granted by the Assignor and the other Loan Guarantors to the Assignee for the Lenders pursuant to the Security Agreement. The Assignor acknowledges and affirms that the rights and remedies of the Assignee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement.

This Trademark Security Agreement shall be governed by, and construed in accordance with, the internal laws (and not the law of conflicts) of the State of New York, but giving effect to federal laws applicable to national banks.

IN WITNESS WHEREOF, each Assignor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the 14<sup>th</sup> day of August, 2006.
