FIRST LIEN TRADEMARK COLLATERAL AGREEMENT

This 5th day of April, 2007, UNITED ARMORED SERVICES CORP., an Illinois corporation ("*Debtor*"), with its principal place of business and mailing address at 2100 W. 21st St., Broadview, IL 60155, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to BANK OF MONTREAL, a chartered bank of Canada ("*BMO*"), with its mailing address at Corporate Finance, 11th Floor, First Canadian Place, Toronto, Ontario, Canada M5X 1A1, acting as administrative agent for the Secured Creditors defined in that certain Senior First Lien Security Agreement hereinafter defined (BMO acting as such administrative agent and any successor or successors to BMO acting in such capacity being hereinafter referred to as "*Agent*"), and grants to the Agent for the benefit of the Secured Creditors, a lien on and a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) Each trademark license listed on Schedule A-2 hereto and all royalties and other sums due or to become due under or in respect of each such trademark license, together with the right to sue for and collect all such royalties and other sums; and

(iii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A-1 hereto or of any trademark licensed under a trademark license listed on Schedule A-2 or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark license, in each case together with the right to sue for and collect said damages;

to secure performance of all Secured Obligations of Debtor as set out in that certain Senior First Lien Security Agreement bearing even date herewith among Debtor, the other debtors party thereto and Agent, as the same has been or may be amended, modified, supplemented or restated from time to time (the "*Security Agreement*").

Notwithstanding anything herein to the contrary, this First Lien Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Debtor for a Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this First Lien Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent, for the ratable benefit of the Secured Creditors, on such Intent-

To-Use Application as collateral security for the Secured Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement.
