GRANT OF TRADEMARK SECURITY INTEREST

WHEREAS, MITCHELL INTERNATIONAL, INC., a Delaware corporation (**"Grantor"**), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

WHEREAS, Grantor, has entered into a Credit and Guaranty Agreement, dated as of the date hereof (as it may be amended, restated, supplemented or otherwise modified from time to time, the **"Credit Agreement"**), by and among **MIH ACQUISITION CORP.** (to be merged with and into **MITCHELL INTERNATIONAL HOLDING, INC.**, and then with and into **MITCHELL INTERNATIONAL, INC.**), **MIH PARENT, INC.**, the lenders party thereto from time to time (the **"Lenders"**), **CAPITALSOURCE FINANCE LLC**, as Documentation Agent, and **GOLDMAN SACHS CREDIT PARTNERS L.P.**, as Lead Arranger, Sole Bookrunner, Syndication Agent, Administrative Agent and Collateral Agent for the Lenders (in such capacity, **"Secured Party"**), pursuant to which Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Grantor; and

WHEREAS, Grantor may from time to time enter, or may from time to time have entered, into one or more hedge agreements (collectively, the **"Hedge Agreements"**) with one or more Persons that are Lenders or Affiliates of Lenders at the time such Hedge Agreements are entered into (in such capacity, collectively, **"Lender Counterparties"**); and

WHEREAS, pursuant to the terms of a Pledge and Security Agreement dated as of March 28, 2007 (said Security Agreement, as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, being the **"Security Agreement"**), among Grantor, Secured Party and the other grantors named therein, Grantor has created in favor of Secured Party a security interest in, and Secured Party has become a secured creditor with respect to, the Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to Secured Party pursuant to the Security Agreement, Grantor hereby grants to Secured Party a security interest in all of Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the **"Trademark Collateral"**):

(i) all rights, title and interest (including rights acquired pursuant to a license or otherwise) in and to all trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the **"Trademarks"**); provided that trademarks, servicemarks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other sources and/or

business identifiers and applications pertaining thereto considered to be work product performed for or acquired on behalf of customers of Grantor which have been assigned or are required to be assigned to such customer shall not be deemed Trademarks or Trademark Collateral; all registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries (including, without limitation, the registrations and applications set forth on Schedule A annexed hereto); provided that registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries on behalf of or acquired on behalf of customers of Grantor or which have been assigned or are required to be assigned to such customer shall not be deemed Trademark Registrations or Trademark Collateral; all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States and any state thereof and in foreign countries, and all goodwill of such Grantor's business symbolized by the Trademarks and associated therewith; and

(ii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Secured Party is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of this Grant of Trademark Security Interest, the term "**proceeds**" includes whatever is receivable or received when Trademark Collateral or proceeds are sold, licensed, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and Grantor shall not be deemed to have granted a security interest in, any of Grantor's rights or interests in any license, contract or agreement to which Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which Grantor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-406 or 9-408 of the UCC or any other applicable law (including the Bankruptcy Code) or principles of equity); provided that immediately upon the ineffectiveness, lapse or termination of any such provision, the Trademark Collateral shall include, and Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, Grantor has caused this Grant of Trademark
Security Interest to be duly executed and delivered by its officer thereunto duly authorized as of
the 28th day of March, 2007.
