INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement"), dated as of May 3, 2007 is made by and between NEW YORK MAGAZINE HOLDINGS LLC, a Delaware limited liability company having a business location at the address set forth below next to its signature (the "Debtor"), and THE CIT GROUP/COMMERCIAL SERVICES, INC., a New York corporation having a business location at the address set forth below next to its signature (the "Secured Party").

The Debtor and the Secured Party are parties to that certain Financing Agreement of even date herewith (as the same may hereafter be amended, supplemented or restated from time to time, the "Financing Agreement") setting forth the terms on which the Secured Party may now or hereafter extend credit to or for the account of the Debtor.

As a condition to extending credit to or for the account of the Debtor, the Secured Party has required the execution and delivery of this Agreement by the Debtor.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents (as defined in the Financing Agreement) and herein, the parties hereby agree as follows:

1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to such terms in the Financing Agreement. In addition, the following terms have the meanings set forth below:

"Copyrights" means all of Debtor's, right, title and interest in and to any and all unregistered and common law copyrights, copyright registrations and renewals, and applications for copyright registrations and renewals in any and all media, and (i) all income, royalties, damages and payments now or hereafter due and/or payable under or with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past, present or future infringements thereof; (ii) the right to sue for past, present and future infringements thereof; (iii) all other rights corresponding thereto throughout the world; and (iv) all proceeds thereof, all as presently existing or hereafter arising or acquired, including, without limitation, the copyrights listed on Exhibit A.

"Obligations" means each and every debt, liability and obligation of every type and description arising under or in connection with any Loan Document which the Debtor may now or at any time hereafter owe to the Secured Party, whether such debt, liability or obligation now exists or is hereafter created or incurred and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated,

independent, joint, several or joint and several, and including specifically, but not limited to, the "Obligations" (as defined in the Financing Agreement).

"Patents" means all of the Debtor's right, title and interest in and to patents issued by the USPTO, or applications filed with the USPTO, for patents, and fees and royalties with respect to each, and including without limitation the right to sue for past infringement and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the patents listed on Exhibit B.

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of the Debtor's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each; (ii) licenses, fees or royalties with respect to each; (iii) the right to sue for past, present and future infringement, dilution and damages therefor; and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit C.

"USPTO" means the United States Patent and Trademark Office.

2. Security Interest. The Debtor hereby irrevocably pledges and assigns to, and grants the Secured Party a security interest (the "Security Interest"), with power of sale to the extent permitted by law, in, the Copyrights, Patents and the Trademarks, to secure payment of the Obligations. As set forth in the Financing Agreement, the Security Interest is coupled with a security interest in substantially all of the assets of the Debtor; provided that no security interest is hereby granted in United States intent-to-use Trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity of enforceability of such intent-to-use Trademark applications under applicable federal law.

3. Representations, Warranties and Agreements. The Debtor represents, warrants and agrees as follows:

(a) Copyrights. Exhibit A accurately lists all material Copyrights constituting United States copyright registrations and copyright applications owned or controlled by the Debtor as of the date hereof and accurately reflects the existence and status of such material Copyrights and all applications and registrations pertaining thereto as of the date hereof. If Exhibit A ceases to accurately reflect the existence and status of all applications and registrations pertaining to the material Copyrights, then the Debtor shall, within five (5) days following June 30th and December 31st of each fiscal year of the Debtor, provide written notice to the Secured Party with a replacement Exhibit A, which upon acceptance by the Secured Party shall become part of this Agreement.

(b) **Patents.** Exhibit B accurately lists all Patents constituting United States letters patent and patent applications owned or controlled by the Debtor as of the date hereof, or to which the Debtor has a right as of the date hereof to have assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to the Patents as of the date hereof. If after the date hereof, the Debtor owns, controls or has a right to have assigned to it any Patents not listed on Exhibit B, or if Exhibit B ceases to accurately reflect the existence and status of all applications and letters patent pertaining to the Patents, then the Debtor shall, within five (5) days following the end of each fiscal quarter of the Debtor, provide written notice to the Secured Party with a replacement Exhibit B, which upon acceptance by the Secured Party shall become part of this Agreement.

(c) **Trademarks.** Exhibit C accurately lists all Trademarks constituting United States trademark registration and trademark applications owned or controlled by the Debtor as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof. If Exhibit C ceases to accurately reflect the existence and status of all applications and registrations pertaining to the Trademarks, then the Debtor shall, within five (5) days following the end of each fiscal quarter of the Debtor, provide written notice to the Secured Party with a replacement Exhibit C, which upon acceptance by the Secured Party shall become part of this Agreement.

(d) **Title.** The Debtor owns each material Copyright, each Patent, and each Trademark listed on Exhibits A, B and C, respectively, free and clear of all liens except Permitted Encumbrances. The Debtor (i) will have, at the time the Debtor acquires any rights in Patents, Trademarks, or material Copyrights, hereafter arising, absolute title to each such Patent, Trademark, or material Copyright, free and clear of all liens except Permitted Encumbrances, and (ii) will keep all Copyrights, Patents and Trademarks free and clear of all liens except Permitted Encumbrances.

(e) **Defense.** The Debtor will at its own expense and using commercially reasonable efforts, protect and defend the Copyrights, Patents and Trademarks against all claims or demands of all Persons other than those holding Permitted Encumbrances.

(f) **Maintenance.** The Debtor will at its own expense maintain the Patents, Trademarks and material Copyrights, to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain letters patent or trademark or copyright registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to letters patent, trademark or copyright registrations and applications therefor. The Debtor covenants that it will not abandon or fail to pay any maintenance fee or annuity due and payable on any Patent, Trademark or material Copyright, nor fail to file any required affidavit

or renewal in support thereof, without first providing the Secured Party: (i) sufficient prior written notice, of at least thirty (30) days, to allow the Secured Party to timely pay any such maintenance fees or annuities which may become due on such Patents, Trademarks or material Copyrights, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(g) **Secured Party's Right to Take Action.** If the Debtor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of twenty (20) calendar days after the earlier of the date on which the Debtor becomes aware of such failure and the date on which written notice thereof shall have been given to the Debtor by the Secured Party (or, in the case of the agreements contained in subsection (g), immediately upon the occurrence of such failure, without notice or lapse of time), or if the Debtor notifies the Secured Party that it intends to abandon a Copyright, Patent or Trademark, the Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of the Debtor (or, at the Secured Party's option, in the Secured Party's own name) and may (but need not) take any and all other actions which the Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(h) **Power of Attorney.** To facilitate the Secured Party's taking action under subsection (g) and exercising its rights under Section 6, the Debtor hereby irrevocably appoints (which appointment is coupled with an interest) the Secured Party, or its delegate, as the attorney-in-fact of the Debtor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of the Debtor, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by the Debtor under this Section 3, or, necessary for the Secured Party, after an Event of Default (as defined below), to enforce or use the Copyrights, Patents or Trademarks or to grant or issue any exclusive or non-exclusive license under the Copyrights, Patents or Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Copyrights, Patents or Trademarks to any third party. The Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall (i) only be exercised after the occurrence and during the continuance of an Event of Default and (ii) terminate upon the termination of the Financing Agreement as provided therein and the payment and performance of all Obligations.

4. Debtor's Use of the Copyrights, Patents and Trademarks. The Debtor shall be permitted to control and manage the Copyrights, Patents and Trademarks, including the right to exclude others from making, using or selling items covered by the

Copyrights, Patents and Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default shall have occurred and be continuing.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Financing Agreement, shall occur; or (b) the Debtor shall fail to observe or perform any covenant or agreement herein binding on it, and such failure remains unremedied for twenty (20) days after the earlier of the date on which the Debtor becomes aware of such failure and the date on which written notice thereof shall have been given to the Debtor by CIT; or (c) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. Upon the occurrence and during the continuance of an Event of Default under the Financing Agreement, the Secured Party may, at its option, take any or all of the following actions:

(a) The Secured Party may exercise any or all remedies available under the Financing Agreement.

(b) The Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Copyrights, Patents and Trademarks.

(c) The Secured Party may enforce the Copyrights, Patents and Trademarks and any licenses thereunder, and if Secured Party shall commence any suit for such enforcement, the Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Secured Party. A waiver signed by the Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Secured Party's rights or remedies. All rights and remedies of the Secured Party shall be cumulative and may be exercised singularly or concurrently, at the Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Debtor under this Agreement shall be given in the manner and with the effect provided in the Financing Agreement. The Secured Party shall not be obligated to preserve any rights the Debtor may have against prior parties, to realize on the Copyrights, Patents and Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Copyrights, Patents and Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of the Debtor and the Secured Party and their respective participants, successors and assigns and shall take effect when

signed by the Debtor and delivered to the Secured Party, and the Debtor waives notice of the Secured Party's acceptance hereof. The Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of the Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the Debtor shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of the State of New York without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AGREEMENT.
